## **STATEMENT OF DECISION**

**SUBJECT: CCS ENERGY PURCHASE AGREEMENT FOR 2024 - 25 SUPPLY PERIOD**

Notice is hereby given that the Cabinet Member for Finance and Council Reform has made the following executive decision on the above mentioned subject for the reasons set out below.

### **Summary of Decision**

The Cabinet Member for Finance and Council Reform has approved:

- The continued commitment to the CCS energy framework (RM6011) for the provision of gas and electricity for a further 12-month period from 1 April 2024 to 31 March 2025 at a cost of circa £18m.
- The delegation to the Director of Corporate Property to enter into such legal agreements as may be necessary for WCC to achieve paragraph 1 above.

### **Reasons for Decision**

This decision will ensure the supply of Gas and Electricity continues at favourable market rates to all Westminster corporate and housing assets for the period April 2024 to March 2025.

The CCS energy framework has a deadline of 15 September 2023 for WCC to be included in the purchasing window for energy supplies for 2024-25. If it does not meet this deadline the Council would have to seek its energy provision elsewhere which may lead to increased costs.
