## 1. Executive Summary

- 1.1 This report presents the current work programme for approval based on discussions at the last meeting and with senior officers. It also provides an update on the action tracker.

## 2. Key Matters for the Committee's Consideration

- 2.1 The Committee is asked to:
- Review and approve the draft list of suggested items for the Work Programme at Appendix 1 and prioritise where required
  - Note the Action tracker at Appendix 2.

## 3. Current Work Programme

- 3.1 This work programme takes from the work programme agreed at the Committee's last meeting on 12 June 2017 and incorporates changes based on the modified agenda for this meeting. It is presented here for the Committee to review and amend as appropriate.

- 3.2 A joint task group with Adults, Health and Public Protection has been agreed on the Evening and Night time Economy including the impact of the night tube. The initial draft scope anticipates that the Task Group will begin once the Cabinet Member for Public Protection and Licensing along with the Chairman of the Licensing Committee have gathered the views of all Members via workshops and developed an 'emerging thinking' report. This work was due to commence in the summer but is now due to commence shortly.
