STATEMENT OF DECISION

SUBJECT: WASTE, RECYCLING AND STREET CLEANSING CONTRACT WITH VEOLIA ES LTD

Notice is hereby given that the Cabinet Member for City Management and Air Quality has made the following executive decision on the above mentioned subject for the reasons set out below.

Summary of Decision

The Cabinet Member for City Management and Air Quality has approved the extension of the Waste and Recycling Collections, Street Cleansing and Ancillary Services Contract with Veolia ES (UK) Ltd for up to three years; from 16th September 2024 to 15th September 2027 for a value of spend during the extension period of £201.1m (excl VAT).

Reasons for Decision

The proposed contract extension will enable the council time to secure and develop additional land to offer to bidders to ensure a level playing field when the contract is next competitively tendered. The proposed extension period will include a break clause in the event that the council is able to secure and develop land in less than three years.
