1 MEMBERSHIP

1.1 There were no changes to the membership.

2 DECLARATIONS OF INTEREST

2.1 The Chairman explained that a week before the meeting, all four Members of the Committee were provided with a full set of papers including a detailed officer's report on each application; together with bundles of every single letter or e-mail received in respect of every application, including all letters and emails containing objections or giving support. Members of the Committee read through everything in detail prior to the meeting. Accordingly, if an issue or comment made by a correspondent was not specifically mentioned at this meeting in the officers' presentation or by Members of the Committee, it did not mean that the issue had been ignored. Members will have read about the issue and comments made by correspondents in the papers read prior to the meeting.

2.2 Councillor Hyams declared that in respect of Item 2 she knew the applicant but had not discussed the application with them.

2.3 Councillor Spencer declared that in respect of Item 1 he had publically expressed views on the application and would therefore step down from the Sub-Committee and leave the room during the consideration of this item.
