MINUTES OF PROCEEDINGS

Minutes of a meeting of the **Planning Applications Sub-Committee (3)** Committee held on **Tuesday 14th January, 2020**, Rooms 18.01 & 18.03, 18th Floor, 64 Victoria Street, London, SW1E 6QP.

Members Present: Councillors Jim Glen (Chairman), Richard Elcho, Eoghain Murphy and David Boothroyd

Also Present: Councillors

Apologies for Absence:

1 MEMBERSHIP

- 1.1 There was one change to the membership, Councillor David Boothroyd replaced Councillor Guthrie McKie.

2 DECLARATIONS OF INTEREST

- 2.1 The Chairman explained that a week before the meeting, all four Members of the Committee were provided with a full set of papers including a detailed officer's report on each application; together with bundles of every single letter or e-mail received in respect of every application, including all letters and emails containing objections or giving support. Members of the Committee read through everything in detail prior to the meeting. Accordingly, if an issue or comment made by a correspondent was not specifically mentioned at this meeting in the officers' presentation or by Members of the Committee, it did not mean that the issue had been ignored. Members will have read about the issue and comments made by correspondents in the papers read prior to the meeting.
- 2.2 Councillor Boothroyd declared that he is the Head of Research and Psephology for Thorncliffe, whose clients are companies applying for planning permission from various local authorities. He advised that there were no current schemes in Westminster; and if there were, he would be precluded from working on them under the company's code of conduct.

Councillor Boothroyd declared that Some Thorncliffe clients have also engaged Gerald Eve as planning consultants, and they are separately representing the applicants tonight on item 1. However, he did not deal directly with clients or other members of project teams, and planning consultants are not themselves clients.

RESOLVED: Members overturned officers' recommendations to refuse Planning Permission (design) and Listed Building Consent (loss of historic fabric as a result of relocation of the stairs).

1 (Unanimously) Grant conditional permission - content with the principle of the 3 doors at the rear – condition to secure their detailed design

2 (Councilors Glen, Elcho and Murphy for; Boothroyd against) Grant conditional Listed building consent. Members agreed that the harm to the building to relocate

the staircase has been clearly and convincingly justified and this less than substantial harm has been outweighed by the public benefits- proposed works secure the long term future of Forbes House as a designated heritage asset, improvements to the ballroom and the wider public benefits secured by the creation of a public space in Grosvenor Crescent. No objections to proposed rear doors in historic building terms subject to a condition to secure their detailed design.

Planning application be subject to a Section 106/Grampian condition to secure the provision of the public space in Grosvenor Crescent – applicant to pay all costs of its provision, maintenance and the space to be provided in perpetuity. The design of the public realm to be secured in the legal agreement as the design is at an early stage and further discussions required. Officers to discuss further the timing and delivery of this public space with the applicants.

Officers to agree conditions and reasons for conditions under delegated powers – and include the conditions suggested by Historic England on the draft listed building consent.
