<p>I object to the extending of the license/opening time by an extra 30 minutes as since opening there is so much more increased congestion and noise [REDACTED] [REDACTED] And the extra time given for the consumption of alcohol on the premises will just create more nuisance to myself and the other residents [REDACTED] and surrounding area.</p> <p>It is always a relief when they close at their current time of 10.30pm Mon-Sunday and the outside noise level drops dramatically [REDACTED] [REDACTED]</p> <p>Therefore I object strongly to an extension of yet another 30 minutes to an already available long hours of opening.</p> <p>From Friday-Sunday the noise level with their outside seating at present is extremely disturbing when it gets later and people get louder and that's before they are then aloud due the the easing of the COVID-19 restrictions to have customers sitting inside drinking longer than is currently aloud on their present license. An extra half hour onto the license would just amplify the situation in my opinion.</p>

<p>I'm concerned by this application for extension on two levels. Firstly, the extension will result in people leaving the premises later and so causing noise disturbance later (I am not interested in hearing any arguments about the business countering this with signage asking patrons to consider neighbours, as this is weak mitigation for patrons who may have been drinking until midnight). Secondly, on principle, I believe residents should be protected from licensing creep by a standard refusal to accept half hour extension requests that come within two years of an earlier submission for trading conditions. Don't allow applications that disingenuously submit reasonable hours that are easily passed which are simply a mechanism for extending by increments that relies on local residents not having the awareness or ability to object to these increases by stealth.</p> <p>Additionally, as a vegetarian, I object to the powerful fried chicken smell that comes from this establishment. I accept the right to trade of the business but would like to limit their hours so that I may open my windows in summer for as much as I am currently able to.</p> <p>Following the withdrawal of the extension of hours for Late Night refreshment and the opening hours, the interested party withdrew their representation on 01 August 2021.</p>

The premises already generate too much noise because they don't control the people gathering on the door consuming the food as take away. Extending the opening hours until 00:30 would utterly disturb the rest of the neighbours			

3. Policy & Guidance

The following policies within the City Of Westminster Statement of Licensing Policy apply:	
Policy CIP1 applies	<p>A. It is the Licensing Authority's policy to refuse applications within the West End Cumulative Impact Zone for: pubs and bars, fast food premises, and music and dancing and similar entertainment, other than applications to:</p> <ol style="list-style-type: none"> 1. Vary the hours within Core Hours under Policy HRS1, and/or 2. Vary the licence to reduce the overall capacity of the premises. <p>C. Applications for other premises types within the West End Cumulative Impact Zones will be subject to other policies within this statement and must demonstrate that they will not add to cumulative impact.</p> <p>D. For the purposes of this policy the premises types referred to in Clause A are defined within the relevant premises use policies within this statement.</p>
Policy HRS1 applies	<p>A. Applications within the core hours set out below in this policy will generally be granted for the relevant premises uses, subject to not being contrary to other policies in the Statement of Licensing Policy.</p> <p>B. Applications for hours outside the core hours set out in Clause C will be considered on their merits, subject to other relevant policies, and with particular regard to the following:</p> <ol style="list-style-type: none"> 1. The demonstration of compliance in the requirements of policies CD1, PS1, PN1 and CH1 associated with the likelihood of the effect of the grant of a licence for later or earlier hours on crime and disorder, public safety, public nuisance and the protection of children from harm. 2. If the application is located within a Special Consideration Zone they have demonstrated that they have taken account of the issues identified in that area and provided adequate mitigation. 3. Whether there is residential accommodation in the proximity of the premises that would likely be adversely affected by premises being open or carrying out operations at the hours proposed. 4. The proposed hours of the licensable activities and when customers will be permitted to remain on the premises. 5. The proposed hours when any music, including incidental music, will be played. 6. The hours when customers will be allowed to take food or drink outside the premises or be within open areas which form part of the premises. 7. The type of use, recognising that some venues are more likely to impact the licensing objectives than others; for example, pubs and bars are higher risk than theatres, cinemas and other cultural and sporting venues due to the nature of the operation.</p> <p>11. The Licensing Authority will take into account the active measures proposed for a 'winding down' period including arrangements for people to be collected from the premises to travel home safely.</p> <p>12. Conditions on hours may be attached that require that the supply of alcohol for consumption on the premises ceases a suitable period of time before customers are required to leave the premises.</p> <p>13. The council, acting as the Licensing Authority, may reduce hours if, after review, it is necessary to impose conditions specifying shorter hours in order to promote the licensing objectives.</p> <p>14. Specific days for non-standard hours should be identified and justified as part of the application to allow responsible authorities and interested parties to evaluate the impact that these licensable activities may have, and to plan accordingly. The consideration of applications for later hours for Bank Holiday Mondays will take into account that later hours are generally granted for preceding Sundays and that the next day is a working day. Non-specific days are expected to be covered by Temporary Event Notices or variation applications.</p> <p>C. For the purpose of Clauses A and B above, the Core Hours for applications for each premises use type as defined within this policy are:</p> <p>1. Casinos: Up to 24 hours a day whilst casino gaming is permitted by a premises licence under the Gambling Act 2005.</p> <p>2. <p><u>Re: New premises (shadow) licence application for Scotch, 13 Mason's Yard, SW1</u> <u>Police Objection</u></p> <p>Police object to this application, as we believe it may not promote the licensing objectives contained within the 2003 Licensing Act, namely the prevention of crime and disorder, for the following reasons:</p> <ul style="list-style-type: none"> • More information required. Can you please provide confirmation as to the applicant's business interest in the premises? • Can you please agree to the following proposed licence condition: "The shadow licence will not take effect when the current licence is in operation, or it lapses, is surrendered or revoked."

<p>The Council should take this opportunity to review the appropriateness of this type of late night venue it what is otherwise a quiet residential (and increasingly residential) neighbourhood. It is my submission that it is no longer appropriate.</p> <p>Masons Yard is part of a conservation area and contains a major art gallery and a number of art dealer premises.</p> <p>When operating, the Scotch Club has never complied with the noise and nuisance abatement conditions imposed on it by Council and generates a significant amount of rubbish which is left around the Yard.</p> <p>Considerable investment has taken place to improve the physical environment in the area to support the daytime economy. The Scotch Club detracts from this and no longer fits in this location.</p>

<p>My family has owned a house on [REDACTED] since 2014.</p> <p>I object to the shadow licence of the Scotch of St James under the name Milestone Investments Ltd ref 21/03839/LIPN. This is a licence for a nightclub with live music and dancing open 9.00-5am, on Sundays 9-3am. I object to this licence ref 21/03839/LIPN because it will ruin the quiet enjoyment of our house which I believe we have a right to between 23.00-07.00. W</p> <p>13 Mason's Yard stands on the corner of the alley which connects Mason's Yard to Ormond Yard. The alley is a haunt of drug dealers on bikes who cannot be seen by the bouncers at 13 Mason's Yard or pursued easily by police cars. This alley was closed by scaffolding for a year which proved that most of the noise which woke us on Friday and Saturday nights came from The Scotch of St James' patrons. Point 54 of the licence states that the "Noise Control Officer will endeavour to ensure persons depart from the premises quietly and away from Ormond Yard" but the alley is a public thoroughfare and the only time in the 7 years [REDACTED], patrons have stopped coming through it was when it was blocked or during lockdown when the club was closed.</p> <p>The previous licence for the Scotch of St James was until 3am. Patrons from the Scotch would leave drunk at 3.00-3.30 and wander up [REDACTED] on their way to Piccadilly tube, shouting, fighting, urinating in doorways and waking our household.</p> <p>The Wellington nightclub at 91 Jermyn St has a rear entrance at [REDACTED], 50m from 13 Mason's Yard. Its licence at least stops its patrons from leaving through the rear entrance. (Noise from staff leaving that way and bottles being binned are the problems here: 3.00-3.30 same time).</p> <p>The Gaslight of St James on Duke of York St licence is also for 3.00 so taxis reverse beeping to park in [REDACTED], then stand idling. It is 50m from The Wellington.</p>			

3.	Policy & Guidance
The following policies within the City of Westminster Statement of Licensing Policy apply:	
Policy CIP1 applies	<p>A. It is the Licensing Authority's policy to refuse applications within the West End Cumulative Impact Zone for: pubs and bars, fast food premises, and music and dancing and similar entertainment, other than applications to:</p> <ol style="list-style-type: none"> 1. Vary the hours within Core Hours under Policy HRS1, and/or 2. Vary the licence to reduce the overall capacity of the premises. <p>B. Applications for other premises types within the West End Cumulative Impact Zones will be subject to other policies within this statement and must demonstrate that they will not add to cumulative impact.</p> <p>C. For the purposes of this policy the premises types referred to in Clause A are defined within the relevant premises use policies within this statement.</p>
Policy HRS1 applies	<p>A. Applications within the core hours set out below in this policy will generally be granted for the relevant premises uses, subject to not being contrary to other policies in the Statement of Licensing Policy.</p> <p>B. Applications for hours outside the core hours set out in Clause C will be considered on their merits, subject to other relevant policies, and with particular regard to the following:</p> <ol style="list-style-type: none"> 1. The demonstration of compliance in the requirements of policies CD1, PS1, PN1 and CH1 associated with the likelihood of the effect of the grant of a licence for later or earlier hours on crime and disorder, public safety, public nuisance and the protection of children from harm. 2. If the application is located within a Special Consideration Zone they have demonstrated that they have taken account of the issues identified in that area and provided adequate mitigation. 3. Whether there is residential accommodation in the proximity of the premises that would likely be adversely affected by premises being open or carrying out operations at the hours proposed. 4. The proposed hours of the licensable activities and when customers will be permitted to remain on the premises. 5. The proposed hours when any music, including incidental music, will be played. 6. The hours when customers will be allowed to take food or drink outside the premises or be within open areas which form part of the premises. 7. The existing hours of licensable activities and the past operation of the premises (if any) and hours of licensable premises in the vicinity. 8. Whether customers and staff have adequate access to public transport when arriving at and leaving the premises, especially at night. 9. The capacity of the premises. 10. The type of use, recognising that some venues are more likely to impact the licensing objectives than others; for example, pubs and bars are higher risk than theatres, cinemas and other cultural and sporting venues due to the nature of the operation. 11. The Licensing Authority will take into account the active measures proposed for a 'winding down' period including arrangements for people to be collected from the premises to travel home safely. 12. Conditions on hours may be attached that require that the supply of alcohol for consumption on the premises ceases a suitable period of time before customers are required to leave the premises.

	<p>13. The council, acting as the Licensing Authority, may reduce hours if, after review, it is necessary to impose conditions specifying shorter hours in order to promote the licensing objectives.</p> <p>14. Specific days for non-standard hours should be identified and justified as part of the application to allow responsible authorities and interested parties to evaluate the impact that these licensable activities may have, and to plan accordingly. The consideration of applications for later hours for Bank Holiday Mondays will take into account that later hours are generally granted for preceding Sundays and that the next day is a working day. Non-specific days are expected to be covered by Temporary Event Notices or variation applications.</p> <p>C. For the purpose of Clauses A and B above, the Core Hours for this application for each premises use type as defined within this policy are:</p> <p>6. Pubs and bars, Fast Food and Music and Dance venues Monday to Thursday: 10am to 11.30pm. Friday and Saturday: 10am to 12am. Sunday: 9am to 10.30pm. Sundays immediately prior to a bank holiday: 12pm to 12am</p>
Policy MD1(A) applies	<p>A. Applications outside the West End Cumulative Zone will generally be granted subject to:</p> <ol style="list-style-type: none"> 1. The application meeting the requirements of policies CD1, PS1, PN1 and CH1. 2. The hours for licensable activities being within the Council's Core Hours Policy HRS1. 3. The applicant has taken account of the Special Consideration Zone Policy SCZ1 if the premises are located within a designated zone. 4. The application and operation of the venue meet the definition of a music and dance premises or similar entertainment in Clause D. <p>B. It is the Licensing Authority's policy to refuse applications within the West End Cumulative Impact Zone other than:</p> <ol style="list-style-type: none"> 1. Applications to vary the existing licence hours within the council's Core Hours Policy HRS1, and/or, 2. Applications that seek to vary the existing licence so as to reduce the overall capacity of the premises. <p>C. The applications referred to in Clause B1 and B2 will generally be granted subject to:</p> <ol style="list-style-type: none"> 1. The application meeting the requirements of policies CD1, PS1, PN1 and CH1. 2. The application and operation of the venue continuing to meet the definition of a music and dance premises in Clause D. <p>D. For the purposes of this policy a music and dance premises is defined as a premises whereby the primary purpose of the venue is to:</p> <ol style="list-style-type: none"> 1. Provide regulated entertainment in the form of music, either in the form of live performances or recorded, to customers. 2. Provide regulated entertainment in the form of music, either as live performances or recorded, and provide facilities for the provision of dance. 3. The sale by retail of alcohol may be provided as either a considerable element of the operation of the premises or ancillary to the provision of regulated entertainment. <ol style="list-style-type: none"> a. Examples of venues that would fall within this policy are night clubs or bars that provide music and dancing. b. De-regulated entertainment (as set out in the glossary will not be subject to this policy).

4. Equality Implications
