2. Representations

2-A Responsible Authorities	
Responsible Authority:	Environmental Health
Representative:	Sally Fabbriatore
Received:	6 th February 2023

I refer to the application for a new Premises Licence for the above premises.

This representation is based on the Operating Schedule and the submitted plans, for the lower ground, ground, first, second, third and fourth floors, dated October 2018.

The applicant is seeking the following on the ground floor, to allow the Supply of Alcohol 'on' and 'off' the premises Monday to Sunday 00:00-23:59 hours, so 24 hours a day, 7 days a week, but limiting the garden area until 22:00 hours.

I wish to make the following representation in relation to the above application, the provision of the Supply of Alcohol may cause an increase in Public Nuisance in the area and may impact on Public Safety.

Further information has been provided, which is being considered, but further conditions may be proposed by Environmental Health in order to protect the Licensing Objectives.

The granting of the Premises Licence as presented would have the likely effect of causing an increase in Public Nuisance in the area and may impact on Public Safety.

Should you wish to discuss the matter further please do not hesitate to contact me.

2-B Other Persons	
Name:	[REDACTED]
Address and/or Residents Association:	[REDACTED] [REDACTED] [REDACTED]
Received:	13 February 2023

Dear Sir / Madam,

I write in connection with the above planning application. I have examined the application and I wish to object strongly to permitting the sale of alcohol on the premises to residents and visitors at any time.

This care home is in the middle of a residential area, and granting a license will result in noise, nuisance, disorder, crime and antisocial behaviour in our local streets. Even worse the license application is requesting alcohol sale permit for 24 hours a day, including sales and consumption in the garden area which is surrounded by private residences.

Finally, this retirement home specialises in dementia and senior care. On a personal note, it baffles me that selling alcohol is under consideration as plenty of studies have identified alcohol as a risk factor for dementia and cognitive decline.

I tried to submit this application online, but the website stated that the consultation period was over, although the letter I received said that anyone wishing to make representations could do so until 27 February 2022. I urge you to please fix this asap, as this consultation period should not be valid if the main vehicle for representation is not working.

Thank you for considering my objection.

3. Policy & Guidance

The following policies within the City Of Westminster Statement of Licensing Policy apply:

Policy HRS1 applies

- A. Applications within the core hours set out below in this policy will generally be granted for the relevant premises uses, subject to not being contrary to other policies in the Statement of Licensing Policy.
- B. Applications for hours outside the core hours set out in Clause C will be considered on their merits, subject to other relevant policies, and with particular regard to the following:
1. The demonstration of compliance in the requirements of policies CD1, PS1, PN1 and CH1 associated with the likelihood of the effect of the grant of a licence for later or earlier hours on crime and disorder, public safety, public nuisance and the protection of children from harm.
 2. If the application is located within a Special Consideration Zone they have demonstrated that they have taken account of the issues identified in that area and provided adequate mitigation.
 3. Whether there is residential accommodation in the proximity of the premises that would likely be adversely affected by premises being open or carrying out operations at the hours proposed.
 4. The proposed hours of the licensable activities and when customers will be permitted to remain on the premises.
 5. The proposed hours when any music, including incidental music, will be played.
 6. The hours when customers will be allowed to take food or drink outside the premises or be within open areas which form part of the premises.
 7. The existing hours of licensable activities and the past operation of the premises (if any) and hours of licensable premises in the vicinity.
 8. Whether customers and staff have adequate access to public transport when arriving at and leaving the premises, especially at night.
 9. The capacity of the premises.
 10. The type of use, recognising that some venues are more likely to impact the licensing objectives than others; for example, pubs and bars are higher risk than theatres, cinemas and other cultural and sporting venues due to the nature of the operation.
 11. The Licensing Authority will take into account the active measures proposed for a 'winding down' period including arrangements for people to be collected from the premises to travel home safely.
 12. Conditions on hours may be attached that require that the supply of alcohol for consumption on the premises ceases a suitable period of time before customers are required to leave the premises.
 13. The council, acting as the Licensing Authority, may reduce hours if, after review, it is necessary to impose conditions specifying shorter hours in order to promote the licensing objectives.
 14. Specific days for non-standard hours should be identified and justified as part of the application to allow responsible authorities and interested parties to evaluate the impact that these licensable activities may have, and to plan accordingly. The consideration of applications for later hours for Bank Holiday Mondays will take into account that later hours are generally granted for preceding Sundays and that the next day is a working day. Non-specific days

	<p>are expected to be covered by Temporary Event Notices or variation applications.</p> <p>C. For the purpose of Clauses A and B above, the Core Hours for this premises use type as defined within this policy are:</p> <p>6. Pubs and bars, Fast Food and Music and Dance venues Monday to Thursday: 10am to 11.30pm. Friday and Saturday: 10am to Midnight. Sunday: Midday to 10.30pm. Sundays immediately prior to a bank holiday: Midday to Midnight</p>
<p>Policy HOT1(A) applies</p>	<p>A. Applications outside the West End Cumulative Impact Zone will generally be granted subject to:</p> <ol style="list-style-type: none"> 1. The application meeting the requirements of policies CD1, PS1, PN1 and CH1. 2. The hours for licensable activities being within the council's Core Hours Policy HRS1. 3. The operation of any delivery services for alcohol and/or latenight refreshment meeting the council's Ancillary Delivery of Alcohol and/or Late-Night Refreshment Policy DEL1. 4. The sale by retail of alcohol, regulated entertainment and late-night refreshment must be an ancillary function to the primary purpose of the venue as a hotel. 5. The applicant has taken account of the Special Consideration Zone Policy SCZ1 if the premises are located within a designated zone. 6. The application and operation of the venue meeting the definition of a Hotel as per Clause C. <p>C. For the purposes of this policy a Hotel is defined as a premises that is primarily used as an establishment providing overnight accommodation for customers.</p>

4. Equality Implications

The Council in its capacity as Licensing Authority has a duty to have regard to its public sector equality duty under section 149 of the Equality Act 2010. In summary, section 149 provides that a Public Authority must, in the exercise of its functions, have due regard to the need to:

- (a) eliminate discrimination harassment, victimisation and any other conduct that is prohibited by or under this Act;
- (b) advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it; and
- (c) foster good relations between persons who share a relevant protected characteristics and persons who do not share it.

Section 149 (7) of the Equality Act 2010 defines the relevant protected characteristics as age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex, and sexual orientation.

Good afternoon.

Please could you forward this on to the objector.

Dear Theresa.

Thank you for your email raising concerns over the potential grant of an alcohol licence for the Abbey Road Care Home.

My name is Stewart Gibson, and I am the Licence Agent who submitted the application on behalf of my clients.

The sale and consumption of alcohol is not available to the general public, and would only be available to the residents of the care home, and their authorised visitors, (family and close friends).

All sales will be, and are in the other care homes that operate a licence, supervised by the qualified care home staff, and any resident who is deemed at risk as you described would not be permitted to consume alcohol. After all the care of the patients is of paramount concern to the Care Home.

The reason for the licence, is that it is seen as a positive if visitors and residents can share a drink if possible during a visit. A son who visits a father in the home might like to share a pint together, bringing back old memories when they were able to do so in days gone by, likewise a glass of wine.

It is a concept that works well in Kensington, and hopefully now in Abbey Road.

Please be aware the welfare of the residents is paramount, and no one will be permitted to drink if there is any risk to their health.

Please feel free to respond with any further questions you may have.

Kind regards

Stewart Gibson
