In particular, the society supports the Westminster City Council's policies, including the cumulative impact policy, as set out in the Statement of Licensing Policy.</p>			

Application summary

Variation of plan so as to include the private forecourt on the ground floor licensable area.

Proposal incompatible with existing licensing conditions

The proposal is incompatible with existing licensing conditions intended to prevent problematic vertical drinking. Namely:

10. The premises shall only operate as a restaurant (i) in which customers are shown to their table, (ii) where the supply of alcohol is by waiter or waitress service only, (iii) which provide food in the form of substantial table meals that are prepared on the premises and are served and consumed at the table using non disposable crockery, (iv) which do not provide any take away service of food or drink for immediate consumption, (v) which do not provide any take away service of food or drink after 23.00, and (vi) where alcohol shall not be sold, supplied, or consumed on the premises otherwise than to persons who are seated in the premises and bona fide taking substantial table meals there and provided always that the consumption of alcohol by such persons is ancillary to taking such meals.

The bench seating outside the premises in the small forecourt area is not capable of providing a meal "served and consumed at the table", as there are no tables, and not enough room to provide them. The licensing objectives will not be met if this proposal were permitted.

Licensing policy

This area has been identified by the Westminster City Council (2.4.1 of the Statement of Licensing Policy, as amended) as under stress because the cumulative effect of the concentration of late night and drink led premises and night cafes has led to serious problems of disorder and/or public nuisance affecting residents, visitors and other businesses.

The policies in relation to the stress areas are directed at the global and cumulative effects of licences on the area as a whole (2.4.5 of the policy). The policies are intended to be strict and will only be overridden in genuinely exceptional circumstances (2.4.2 of the policy). The growth in the entertainment industry in Soho has led to a marked deterioration in the quality of life and well-being of local residents and it has jeopardised the sustainability of the community. Soho has a substantial residential community and many of these residents suffer from problems such as, but not limited to, high levels of noise nuisance, problems with waste, urinating and defecating in the streets, threats to public safety, anti-social behaviour, crime and disorder and the change in character of historic areas. For the reasons I have set out, we believe that the application, if granted in its present form, would fail to promote the licensing objectives of prevention of public nuisance and prevention of crime and disorder. I respectfully urge the Licensing Sub-Committee to reject this application.

Please let me know if any proposals are made to amend the application; particularly in respect of the hours sought or any further conditions proposed.

3. Policy & Guidance

The following policies within the City Of Westminster Statement of Licensing Policy apply:

Policy STR1
Policy HRS1
Policy RNT2

Policy HRS1 applies:

(i) Applications for hours within the core hours set out below in this policy will generally be granted, subject to not being contrary to other policies in the Statement of Licensing Policy.

(ii) Applications for hours outside the core hours set out below in this policy will be considered on their merits, subject to other

	<p>relevant policies.</p> <p>Policy RNT2 applies: Applications will be granted subject to other policies and subject to the relevant criteria in Policies CD1, PS1, PN1 and CH1, provided it can be demonstrated that they will not add to cumulative impact in the Stress Areas.</p> <p>Policy STR1 applies: (i) It is the Licensing Authority's policy to refuse applications in the Stress Areas for: pubs and bars; fast food premises, and premises offering facilities for music and dancing; other than applications to vary hours within the Core Hours under Policy HRS1. (ii) Applications for other licensable activities in the Stress Areas will be subject to other policies and must demonstrate that they will not add to cumulative impact in the Stress Areas.</p>

Dear Sir,

Re: New Licence Application: Siam Thai Restaurant 48 Frith Street London W1D 4SF

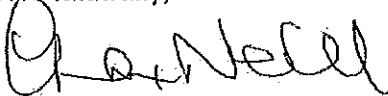

We enclose on behalf of our client, Tipanda Limited, an application for a New Premises Licence in respect of the existing restaurant at the above premises which has operated as such for many years. The new Licence is to replace the previous Licence (Licence No. 0/6327/WCCMAP) which unfortunately was inadvertently surrendered by the previous Licence holder. The Application is not intended to be controversial in any way and is designed to allow the premises to continue to operate as a licensed restaurant providing licensable activities within the specified "core" hours and subject to the mandatory and the appropriate model conditions as stated in the Application. Furthermore, the Application has been prepared after consultation with the Police who have indicated that they are happy with the Application and have no objections to the New Licence being granted.

As we are submitting the Application electronically, we understand that you will be sending copies of the Application to the responsible authorities and we must therefore leave this with you. This is why on the application form, we have indicated that we have not ourselves served copies of the Application on these Authorities.

You may treat this letter as part of the Application and make it available or provide copies to any interested party who asks for details and/or a copy of the Application.

Thank you for your assistance in the matter.

Yours faithfully,
