2. Representations

2-A Responsible Authorities	
Responsible Authority:	Metropolitan Police Service
Representative:	PC Reaz Guerra
Received:	29 th September 2015

With reference to the above application, I am writing to inform you that the Metropolitan Police, as a Responsible Authority, will be objecting to this application as it is our belief that if granted the application would undermine the Licensing Objectives.

The venue is situated in the West End Stress Area, a locality where there is traditionally high crime and disorder. We have concerns that this application will cause further policing problems in an already demanding area.

An officer from this unit will be in contact with you shortly to discuss the application. However it is for the applicant to prove that this application will not add to the cumulative impact problems already experienced in this area.

It is for these reasons that we are objecting to the application.

Should you wish to discuss the matter further please contact PC Reaz Guerra on **0207 641**

1709 or via email, rguerra@westminster.gov.uk.

Note: conditions have been agreed between the applicant and the Police; these are included in Appendix 4.

Responsible Authority:	Environmental Health Service
Representative:	Sally Thomas
Received:	29 th September 2015

I refer to the application for a new application for the above premises.

The premises are situated in the West End Stress Area as stated in City of Westminster's Statement of Licensing Policy.

The applicant has submitted the following plans for the premises:

- ◆ Basement Floor Layout: drawing number 2015-08/04-101 rev A, dated April 2015.
- ◆ Ground Floor Layout: drawing number 2015-08/04-201 rev A, dated April 2015.

This representation is based on the plans and Operating Schedule submitted.

The applicant is seeking the following licensable activities in the basement and ground floor:

1. The Supply of Alcohol for consumption 'on' the premises Monday to Saturday 11:00-23:00 hours and Sunday 12:00-22:00 hours.
2. To the provision of regulated entertainment of films 'indoors' Monday to Sunday 08:00-23:00 hours.

I wish to make the following representations in relation to the above application:

1. The Supply of Alcohol will have the likely effect of causing an increase in Public Nuisance in the stress area and may impact on Public Safety.
2. The provision of film may have the likely effect of causing an increase in Public Nuisance in the area stress area and may impact on Public Safety.

The plans indicate 4 WCs and 2 accessible WCs. You will need to ensure the capacity is compliant with the British Standard 6465-1:2009 Table 10 or 11, depending on how you plan to operate the premises. Please confirm the proposed capacity on both floors.

The applicant has provided additional information and conditions with the operating schedule which are being considered, but does not fully address the concerns of Environmental Health. The premises are required to be inspected by the Council's Environmental Health Service to confirm that they are satisfied that the premises are suitable, in relation to addressing the licensing objectives of Public Safety and Prevention of Public Nuisance. The applicant is advised to contact the undersigned to arrange a suitable time for inspection of the premises.

The granting of this application as presented would have the likely effect of causing an increase in Public Nuisance in the stress area and may impact on Public Safety.

Should you wish to discuss the matter further please do not hesitate to contact me.

Note: conditions have been agreed between the applicant and EH; these are included in Appendix 4.

Received:	22 nd October 2015

I have for ten years lived at 1Noel Street, W1F 8GA, I have increasingly had to suffer the noise of building in this area and air conditioning added to the back of the building directly outside my bedroom door onto the small verandah. The earlier building at 2 -4 Noel Street made it impossible to even do a telephone call because of the drilling I endured for months. There will be a significant list of calls and visits from the Noise Dept who help intervene to ensure the law was not flouted. This particular building at 4 Noel Street has also extended their area out at the back of the building. I am very concerned that I will be constantly dealing with noise from an establishment which has an alcohol licence that is right next door to me. This does not even reflect on the added noise of traffic directly below my windows that will be increased by this venue .

This is a mixed residential and business area and some lid needs to be put on the ever building disruption this causes for those of us who have lived long term on this street.

I look forward to you response, with thanks.

I object to the serving of alcohol at these premises due to potential for noise from the premises and from customers leaving the premises.

I also particularly object to the proposed opening hours from 08.00 to 23.00 and weekend opening.

Several residential properties back onto the premises and the potential for noise especially through the light well is significant.

Noel St has no other licenced premises. It is a narrow street with narrow pavements.

This objection is made in the context that as a Soho resident it is realistic to expect some noise and disruption. These proposals are not propionate to the character of the area and potential for late night and weekend noise.

Received: 16th September 2015 (carried forward into the new consultation period)

I write to make a relevant representation to the above application on behalf of The Soho Society. The Soho Society objects to this application as it is currently presented, on the grounds of prevention of public nuisance, prevention of crime and disorder and cumulative impact in the West End Stress Area.

About The Soho Society

The Soho Society is a charitable company limited by guarantee established in 1972. The society is a recognised amenity group and was formed to make Soho a better place to live, work or visit by preserving and enhancing the area's existing diversity of character and uses, and by improving its facilities, amenities and environment. In particular, the society supports the Westminster City Council's policies, including the cumulative impact policy, as set out in the Statement of Licensing Policy.

Application summary

Exhibition of a Film	Indoors		Monday to Sunday	08:00 AM	11:00 PM

New licensed premises in the West End Stress Area

The proposal is for a new licensed premises in the West End Stress Area. The new Sale by Retail of Alcohol On Premises licensable activity is of particular concern, with reference to Westminster City Council stress area and cumulative impact policy. Such new licenses (in particular where not ancillary to food) should be prohibited. These venues destroy residential amenity over a wide area through noise nuisance as patrons disperse. It is noted the conditions for this application do not make reference to service with food. It is therefore felt necessary that should this license be permitted, conditions must be applied to prevent problematic vertical drinking:

MC39 The supply of alcohol shall be by waiter or waitress service only.

MC41 Substantial food and non-intoxicating beverages, including drinking water, shall be available in all parts of the premises where alcohol is sold or supplied for consumption on the premises.

Licensing policy

This area has been identified by the Westminster City Council (2.4.1 of the Statement of Licensing Policy, as amended) as under stress because the cumulative effect of the

concentration of late night and drink led premises and night cafes has led to serious problems of disorder and/or public nuisance affecting residents, visitors and other businesses.

The policies in relation to the stress areas are directed at the global and cumulative effects of licences on the area as a whole (2.4.5 of the policy). The policies are intended to be strict and will only be overridden in genuinely exceptional circumstances (2.4.2 of the policy). The growth in the entertainment industry in Soho has led to a marked deterioration in the quality of life and well-being of local residents and it has jeopardised the sustainability of the community. Soho has a substantial residential community and many of these residents suffer from problems such as, but not limited to, high levels of noise nuisance, problems with waste, urinating and defecating in the streets, threats to public safety, anti-social behaviour, crime and disorder and the change in character of historic areas. For the reasons I have set out, we believe that the application, if granted in its present form, would fail to promote the licensing objectives of prevention of public nuisance and prevention of crime and disorder. I respectfully urge the Licensing Sub-Committee to reject this application.

Please let me know if any proposals are made to amend the application; particularly in respect of the hours sought or any further conditions proposed.

Yours faithfully,

David Gleeson

Licensing Chair
