<p>With reference to the above application I am writing to inform you that the Police, as a Responsible Authority, object to your application for a new Premises Licence as it is our</p>

Received:	19 th October 2015
<p>Unfortunately with the introduction of the Cote restaurant, there is already excessive noise, smoking, etc on this end of Devonshire Street and is no longer peaceful.</p> <p>The road is becoming too commercialised off the main high street, which is annoying for residents including myself who live on these off roads.</p> <p>I object this proposition.</p>	

Name:	Mr David Cooper
Address and/or Residents Association:	Flat 3Basildon Court 28 Devonshire Street London W1G 6PP
Received:	4 th November 2015
<p>My wife and I own the flat immediately above 27a Devonshire Street.</p> <p>We already are subject to noise often late from the 2 restaurants next to us, Getti's and Cote, neither of which are immediately below us as ithe case with this application. At present 27a does not have direct access to our backyard but should this be opened up both noise and rubbish problems will increase. In any event noise through open windows at the rear will be audible.</p> <p>The closing hour of 11pm is too late in this overcrowded environment.</p> <p>Rubbish, so long as there is no access to the rear, will add to the present accumulations on the street pavement.</p> <p>Our other and perhaps principal objection is that there are already far too many restaurants, bars etc in this small area of Marylebone. It would be sad to see it becoming even more dominated by eating and drinking establishments.</p>	
Name:	Mrs Penelope Farquhar-Oliver
Address and/or Residents Association:	Flat 45 Basildon Court, 28 Devonshire Street London W1G 6PR
Received:	28 th October 2015
<p>I object to 27a being licensed because it is unsuitable for a busy coffee shop and bar. It is more or less contained within No 28 (Basildon Court), & appears to have nowhere suitable for rubbish & waste storage & collection. Restaurants nearby (currently Cote and Getti's) both have access to the yard behind their premises for the disposal of all their waste and rubbish, but 27a has neither access to - nor, as far as I know, any rights in that communal yard.</p> <p>Devonshire Court's part of the yard already struggles to accommodate the amount of rubbish from its residential and other premises (including Cote) ; & No 28's part of the yard is similarly near capacity with domestic waste and recycling from numerous residential flats as well as waste from Getti's restaurant.</p> <p>Rubbish from No 27a was not a problem when it housed the Homeopathic Association, but after becoming an art gallery, bags of paper or food waste and other material were often dumped on the pavement outside No 27a and the entrance doors to 28.</p> <p>Residents and Caretaker of 28 complained to inmates of No 27a, but they always said they had nowhere else to dispose of anything. It seems inevitable that this would become a major problem for a bar and coffee shop.</p>	

Secondly, No 27a is unsuitable because it is directly underneath several floors of residential flats in Basildon Court and alongside their entrance Hallway, and thus likely to pose both a noise and clutter nuisance to residents, especially from tables beneath residents' windows and next to their block's entrance doors. It will also pose an increased fire risk .

Am also unsure whether 27a has separate foul drainage from No 28? If it does not, that too could become overloaded.

In short, the confined layout & position of No 27a more-or-less within a residential block, should dictate quiet and restricted occupancy, not a use designed to attract large numbers to drink and congregate there.

Address and/or Residents Association:	Flat 42 Basildon Court 28 Devonshire Street London W1G 6PR
Received:	20 th October 2015

This is clearly an additional intrusion into the residential neighbourhood of Devonshire Street and Basildon Court, in particular, already surrounded by all day/evening restaurants Gettis and Cote and it would undoubtedly add a further increment to the general noise and disturbance of this corner. It is totally unacceptable that there is no clarity at all for the uses of the area, including the outside area and the rear of the premises. This should be firmly resisted Marylebone High street and Devonshire Street cannot possibly require further drinking capacity and morning to night availability.
