<p>School Performance Report 2015</p>	<p>That the following recommendations be forwarded to the Cabinet Member for Children and Young People for consideration:</p> <ol style="list-style-type: none"> 1. That the Committee welcomed the report and noted the positive examination results at all levels which were above the national average. 2. That the Council take further action to work closely with schools which are falling below the national average in their examination results in order to improve their educational levels and build strong leadership and governance within the schools. 3. That the Council explore ways to improve 'A' Level results and consider practical ways of expanding post-16 education to ensure young people choose the correct learning pathway to equip them for work and/or further study. 	<p>Cllr Chalkley has received the recommendations and a response is awaited.</p>

	<p>4. That the Council support schools and governors with their teacher recruitment and retention strategies to ensure that they are able to recruit the best teachers and leaders for our schools.</p>	
<p>Children's Centres</p>	<p>That the detailed spreadsheets with what percentage of children use/do not use the Children Centres be sent to Members of the Committee.</p> <p>That the following recommendations be forwarded to the Cabinet Member for Children and Young People for consideration:</p> <ol style="list-style-type: none"> 1. That the Committee welcomed the report and how the service had focused on improving their reach to the most vulnerable families and those eligible to the two year old offer. 2. That the Committee noted the continued availability of some targeted universal provision in Children's Centres. 3. That the Committee noted the plans of the Council to reduce the cost of delivering these services by reducing facility and staffing costs and looking at options for co-production with communities and parents. 4. That the Council explore further ways to tackle childhood obesity using Children's Centres and schools as places where families and children have the opportunity to learn about leading a healthy and active lifestyle 	<p>Circulated to the Committee 14.01.2016.</p> <p>Cllr Chalkley has received the recommendations and a response is awaited.</p>
