<b>Representative:</b>	Mr David Nevitt
<b>Received:</b>	03.02.2016
<p>I refer to the above application which seeks a Variation to Premises Licence 13/05294/LIPVM to include the following:</p>	

To remove the requirement for admission charges to the premises (Condition 23);  
 To remove the requirement for the premises to operate as a Membership Club on Sundays (Condition 24);  
 To remove the last entry time of 0100hrs on Sundays (Condition 26);  
 To remove Condition 25 to provide for the Police approved scan system to apply to members attending the premises;  
 To add a new Condition to permit club members priority admission to the premises;  
 To permit a terminal hour for Licensable Activities of 0400hrs Tuesdays to Saturdays;  
 To change the Registered Office at the premises.

I wish to make Representations on the following grounds:

Representation is made in relation to the application, as the proposals are likely to increase Public Nuisance and may impact upon Public Safety.

The premises is located in the West End Cumulative Impact Area as defined by the City Council's Licensing Policy.

This application seeks hours which are beyond the Core Hours as defined by the City Council's Licensing Policy. The matter will therefore need to be adjudicated at a Hearing of the Licensing Sub Committee.

I am concerned that the activities and hours sought may have an adverse impact in the West End Cumulative Impact Area and may contribute to Cumulative Impact in a way that may be prejudicial to local residents, especially in relation to dispersal of patrons late at night. The later hours may cause patrons to be actively present in the Stress Area for longer periods. The applicant will need to demonstrate that what is sought is an exception to the Licensing Policy.

G-A-Y Late, 5 Goslett Yard, London, WC2 - 16/00325/LIPV

With reference to the above application, I am writing to inform you that the Metropolitan Police, as a responsible authority, will be making a representation. It is our belief that if granted the application would undermine the Licensing Objectives.

The venue is situated within the West End Stress Area, a locality where this is traditionally high crime and disorder. There are concerns that this application will cause further policing problems in an already demanding area and add to the cumulative impact.

This application will have to be heard before the LSC.

Royal George, 133 Charing Cross Road, London  
Objection made to Premises Licence

We act for Mitchells and Butlers Leisure Retail Limited ('MAB'), the premises licence holder of the Royal George, 133 Charing Cross Road, London, WC2H 0EA.

MAB wish to object to the application for a variation of premises licence by G-A-Y Group Limited in respect of G-A-Y Late, on the grounds of the prevention of crime and disorder and public safety.

MAB object to this application for the following reasons:

**General promotion of the Licensing Objectives**

Whilst, in principle, MAB do not object to the part of the application which seeks to extend the terminal hour for licensable activities to 04:00 on Tuesday to Saturday, MAB are concerned by the removal of conditions and the failure by the applicant to specify any detail in their application form as to the steps they intend to take to promote the licensing objectives.

The grant of the variation applied for is likely to attract more customers to G-A-Y Late due to the removal of some of the more restrictive conditions which are currently on the premises licence and therefore the grant of the application has the potential to adversely impact upon the licensing objectives. In particular, the management of the Royal George have experienced difficulties in their customers accessing the premises due to G-A-Y Late's inability to effectively control their customers who are queueing to enter the premises or smoking outside. This situation would be exacerbated unless appropriate measures were adopted in order to control customers.

The map and photographs exhibited to this representation show the location of G-A-Y Late in proximity to the Royal George and also show the lack of control of queueing customers of G-A-Y Late who cause obstruction of Goslett Yard and, at peak times, this results in the pavement and road leading to the Royal George becoming completely obstructed.

Although G-A-Y Late use barriers to assist with separating those queueing to enter the premises from those smoking, Goslett Yard is frequently obstructed by customers of G-A-Y Late resulting in customers of the Royal George having difficulties in accessing the premises.

On occasions such as the evening of 31st December 2015, customers of the Royal

George were unable to access the premises due to large numbers of customers from G-A-Y Late blocking the pavement. The problem has also occurred when G-A-Y Late have held ad hoc events which have seen customers queueing outside the premises from 3pm onwards.

Tyler Thorne, the Designated Premises Supervisor of the Royal George, has been in discussion with the management of G-A-Y Late regarding the issues with failing to control smokers and queueing customers since he began working at the premises in 2014. Mr Thorne's Assistant Manager and Team Leader have also discussed the issues with G-A-Y Late's management team but unfortunately the situation has not been resolved.

#### Public safety

Although barriers are used in an attempt to control queues, the photographs exhibited to this representation show that the position of the barriers also contributes to the obstruction of the pavement as customers wishing to access the Royal George are forced to walk over the base of the barriers which present a tripping hazard.

Furthermore, the obstruction of Goslett Yard by customers of G-A-Y Late and the current position of the barriers presents a hazard in respect of customers of the Royal George being unable to evacuate the area quickly in the event of an emergency.

The grant of the variation to extend hours and remove conditions regarding admission charges, membership and last admission times is likely to encourage more customers to come to G-A-Y Late and to arrive earlier than they may do at the moment, therefore exacerbating the existing safety issues.

#### Prevention of crime and disorder

As explained above, MAB are concerned that the grant of an extension of hours in conjunction with the removal of the conditions listed on the application form could increase the issues already being encountered in relation to the lack of control over queueing customers. This carries an increased risk of crime and disorder occurring if customers of the two premises are unable to pass freely between the two premises. MAB hold the premises licence for the Royal George and have concerns that any crime and disorder which is experienced as a result of their customers being unable to access the premises freely could affect their premises licence.

In summary, the grant of this variation without the imposition of appropriate conditions to control the locations of barriers and queueing customers has the potential to exacerbate the problems which have already occurred and to impact upon the licensing objectives of the prevention of crime and disorder and public safety. MAB would therefore request that if the Licensing Sub-Committee is minded to grant this application, consideration should be given to appropriate conditions which would require G-A-Y Late to control queueing customers and smokers.

As neighbours with our bedroom window overlooking the venue, both myself and my partner have had continuing noise issues, not just from customers, but from staff after work as well. By extending the terminus hour of activities and removing entry fees, this will not only prolong the noise but also potentially increase it, as more people are likely to attend with the ability to stay in the venue drinking for longer.

People are more likely to attempt to wait for the first tube as opposed to getting a bus/taxi by moving the terminus hour closer the start of the underground, these people are likely to be intoxicated and could possibly be loitering in the vicinity making significant noise.

By removing last entry times, this is likely to bring people to the venue later after drinking elsewhere for longer, if arriving intoxicated after drinking longer elsewhere, this could lead to them being denied entry which will elivate the likelyhood of a confrontation with door staff.

With this variations being granted, there is also an issue of public safety, with the venue becoming closer to capacity earlier, due to restrictions on entrance being lifted, this will lead to more queues, especially down the centre of the street for prioity entrance from members, blocking off the only fire escape route from my flat, with most of the pavement already blocked with the current useage of barriers.

I write to make a relevant representation to the above application on behalf of The Soho Society.

The Soho Society objects to this application as it is currently presented, on the grounds of prevention of public nuisance, prevention of crime and disorder and cumulative impact in the West End Stress Area.

About The Soho Society

The Soho Society is a charitable company limited by guarantee established in 1972.

The society is a recognised amenity group and was formed to make Soho a better place to live, work or visit by preserving and enhancing the area's existing diversity of character and uses, and by improving its facilities, amenities and environment. In particular, the society supports the Westminster City Council's policies, including the cumulative impact policy, as set out in the Statement of Licensing Policy.

Application summary

The application is described in Westminster Licensing News (8 February 2016 edition) as follows:

*To remove the requirement for admission charges to the premises (Condition 23) To remove the requirement that the premises operate as a membership club on Sundays (Condition 24) To remove the requirement that the last entry time of 01:00 on Sundays (Condition 26) To remove condition 25 to provide for the police approved scan system to apply to members attending the premises. To add a new condition to permit the club members priority admission to the premises. To permit a terminal hour for licensable activities of 04:00 Tuesdays to Saturdays. To change the registered office at the premises.*

#### Hours of operation

The proposal extends the hours of licensable activities to 4.00 am, including sale of alcohol. The premises are in the West End Cumulative Impact Area and already operates outside of Westminster defined core hours. There are private homes in nearby buildings, and residents in the immediate area are subject to noise and general nuisance every night of the week. We therefore feel it is necessary to retain the existing operating hours to avoid further cumulative impact.

#### Removal of conditions

The conditions that currently apply to this venue are intended to protect residential amenity and their removal is objected to. The last entry time of 1.00 am prevents attracting further patrons to the venue late at night. The removal of this condition will cause increased noise and other nuisance in the area. The other conditions seek to regulate the licensable activities that are taking place well outside of the core hours policy. For a new license for such a venue it would be typical for similar conditions to be attached and we see no reason why these should be removed in this case.

#### Licensing policy

This area has been identified by the Westminster City Council (2.4.1 of the Statement of Licensing Policy, as amended) as under stress because the cumulative effect of the concentration of late night and drink led premises and night cafes has led to serious problems of disorder and/or public nuisance affecting residents, visitors and other businesses.

The policies in relation to the stress areas are directed at the global and cumulative effects of licences on the area as a whole (2.4.5 of the policy). The policies are intended to be strict and will only be overridden in genuinely exceptional circumstances (2.4.2 of the policy). The growth in the entertainment industry in Soho has led to a marked deterioration in the quality of life and well-being of local residents and it has jeopardised the sustainability of the community. Soho has a substantial residential community and many of these residents suffer from problems such as, but not limited to, high levels of noise nuisance, problems with waste, urinating and defecating in the streets, threats to public safety, anti-social behaviour, crime and disorder and the change in character of historic areas. For the reasons I have set out, we believe that the application, if granted in its present form, would fail to promote the licensing objectives of prevention of public nuisance and prevention of crime and disorder. I respectfully urge the Licensing Sub-Committee to reject this application.

Please let me know if any proposals are made to amend the application; particularly in respect of the hours sought or any further conditions proposed.
