<p>I object to this licence application on the grounds of ambiguity and confusion. I have tried very hard to find out why the total numbers quoted are in excess of those requested.</p> <p>The total of clients will not exceed 140 we are told on the application. The numbers on the Licence Application total 180. I have asked for the application to be withdrawn until the numbers add up correctly.</p> <p>Cumulative Impact in this area is a major concern and an extra 40 clients included could result in that number being permanently on the Licence.</p> <p>Please could residents' time not be wasted in this way.</p>			
<b>Name:</b>		David Gleeson/Steve Chambers	
<b>Address and/or Residents Association:</b>		The Soho Society	
<b>Status:</b>	Valid	<b>In support or opposed:</b>	Opposed
<b>Received:</b>	28 <sup>th</sup> April 2016		
<p>I write to make a relevant representation to the above application on behalf of The Soho Society.</p> <p>The Soho Society objects to this application as it is currently presented, on the grounds of prevention of public nuisance, prevention of crime and disorder and cumulative impact in the West End Stress Area.</p> <p><a href="#">About The Soho Society</a></p> <p>The Soho Society is a charitable company limited by guarantee established in 1972. The society is a recognised amenity group and was formed to make Soho a better place</p>			

to live, work or visit by preserving and enhancing the area's existing diversity of character and uses, and by improving its facilities, amenities and environment. In particular, the society supports the Westminster City Council's policies, including the cumulative impact policy, as set out in the Statement of Licensing Policy.

#### Application summary

The application is described in Westminster Licensing News (11 April 2016 edition) as follows:

*'To increase the capacity of the premises from 120 to 140 people (excluding staff) by amending condition 9 attached to the premises licence to read: The total number of persons permitted in the premises at any one time (excluding staff) shall not exceed 140 persons, with no more than: a) 100 persons to the first floor b) 30 persons to the ground floor c) 50 persons to the outside courtyard'*

#### Increase in capacity in West End Cumulative Impact Area

The application seeks to increase the capacity in the West End Cumulative Impact Area. This application therefore fails to promote the licensing objectives of prevention of crime and disorder, and public nuisance. Recent Metropolitan Police crime statistics show high levels of theft, theft from person, anti-social behaviour, drugs and sexual offenses in the area. Residents in the immediate area are subject to noise and general nuisance every night of the week.

#### Licensing policy

This area has been identified by the Westminster City Council (2.4.1 of the Statement of Licensing Policy, as amended) as under stress because the cumulative effect of the concentration of late night and drink led premises and night cafes has led to serious problems of disorder and/or public nuisance affecting residents, visitors and other businesses.

The policies in relation to the stress areas are directed at the global and cumulative effects of licences on the area as a whole (2.4.5 of the policy). The policies are intended to be strict and will only be overridden in genuinely exceptional circumstances (2.4.2 of the policy). The growth in the entertainment industry in Soho has led to a marked deterioration in the quality of life and well-being of local residents and it has jeopardised the sustainability of the community. Soho has a substantial residential community and many of these residents suffer from problems such as, but not limited to, high levels of noise nuisance, problems with waste, urinating and defecating in the streets, threats to public safety, anti-social behaviour, crime and disorder and the change in character of historic areas. For the reasons I have set out, we believe that the application, if granted in its present form, would fail to promote the licensing objectives of prevention of public nuisance and prevention of crime and disorder. I respectfully urge the Licensing Sub-Committee to reject this application.

Please let me know if any proposals are made to amend the application; particularly in respect of the hours sought or any further conditions proposed.

### 3. Policy & Guidance

The following policies within the City Of Westminster Statement of Licensing Policy apply:	
<b>Policy RNT2 applies</b>	Applications will be granted subject to other policies in this Statement and subject to the relevant criteria in Policies CD1, PS1, PN1 and CH1, provided it can be demonstrated that they will not add to cumulative impact in the Cumulative Impact Areas.
<b>Policy CIP1 applies</b>	(i) It is the Licensing Authority's policy to refuse applications in the Cumulative Impact Areas for: pubs and bars, fast food premises, and premises offering facilities for music and dancing; other than applications to vary hours within the Core Hours under Policy HRS1.  (ii) Applications for other licensable activities in the Cumulative Impact Areas will be subject to other policies, and must demonstrate that they will not add to cumulative impact in the Cumulative Impact Areas.
