IN THE WESTMINSTER CITY HALL

And

**IN THE MATTER OF AN APPLICATION FOR A NEW PREMISES LICENCE ON
BEHALF OF BURGER & LOBSTER RESTAURANT GROUP LTD**

SKELETON ARGUMENT

1. Burger & Lobster Restaurant Group Ltd ['B&L'] applies for a new premises licence pursuant to section 17 Licensing Act 2003 ['LA 03'] for premises at 10 Wardour Street, W1D 6QF ['the premises']. As the Committee would expect and may know already, B&L is an experienced, specialist, and extremely successful operator with a proven track record in central London and high profile areas outside London, including venues in cumulative impact areas and in the immediate vicinity of residential accommodation. This document does not address the detail of the application, but focuses on the policy issues engaged by it.

The Application

2. The premises are part of the W Hotel and are currently licensed under the licence held by W Leicester Square Ltd (15/101063/LIPVM) for the Hotel.
3. Relevant features of the existing licence include the following:
 - Opening hours 24 hours
 - Capacity 130 (restaurant, ground floor)
 140 (restaurant, mezzanine)
 - Sale of alcohol to persons seated at tables and ancillary to table meals except:
 - (a) to persons in the holding bar area, maximum of 50 persons, and no new entry to this after 02:00hrs; and/or
 - (b) to hotel residents and up to 5 guests per resident; and/or
 - (c) to persons attending a pre-booked private or corporate function.
 - Regulated entertainment between midnight and 06:00 only for pre-booked private functions
 - LNR 23:00hrs-05:00hrs
 - The premises must be laid out as a restaurant, saving where there is a pre-booked function or where the premises operate privately
4. To the best of the applicant's knowledge, there is no evidence that the licensing objectives have been undermined by the present operation. No such issues have been brought to its attention by the existing licensee or any responsible authority.

5. Relevant features of the proposed new licence include the following:

- Opening hours 08:00hrs-01:00hrs
- Capacity 130 (restaurant, ground floor)
 140 (restaurant, mezzanine)
- Sale of alcohol 08:00hrs-01:00hrs
- Sale of alcohol restricted to persons seated at tables and ancillary to table meals except:
 - (a) to persons in the holding bar area, maximum of 50 persons; and/or
 - (b) to persons attending a pre-booked private or corporate function.¹
- No regulated entertainment
- LNR 23:00hrs-01:00hrs
- The premises must be laid out as a restaurant, saving where there is a pre-booked function or where the premises operate privately

6. It follows that the proposal is:

- (i) To operate primarily, and to the same extent as permitted by the existing licence, as a restaurant;
- (ii) To operate with identical capacities as those currently permitted;
- (iii) To operate more restricted hours than are presently permitted;
- (iv) To offer more restricted licensable activity than is presently permitted.

Policy

7. A number of the policies set out in Westminster City Council's Statement of Licensing Policy apply to the application, including in particular:

- a. HRS1 (§§2.3.1-2.3.15)
- b. CIP1, CIP2 (§2.4.1-2.4.30).

8. According, the application will be granted only where the case can properly be considered exceptional.

9. Such a finding is unlikely unless the circumstances said to be exceptional '*are directed at the underlying reasons for having the policy*': R (A3D2 Limited t/a Novus Leisure) v Westminster Magistrates' Court, Westminster City Council [2011] EWHC 1045 (Admin) §57. That case involved an application for a new premises licence for a new 6 storey nightclub in Glasshouse

¹ Hotel guests are catered for via the proposed off-sales condition.

Street). The same policies were engaged as in the present case. The applicant proposed, in the event that the application was granted, to surrender 3 existing licences: for premises known as 'Cheers', 'Jewel', and 'Velvet.' Cheers was not trading and was imminently to be physically demolished. The new application was for longer hours than those permitted at either Jewel or Velvet. This proposal, in particular the surrender of the Cheers premises licence, was relied upon as exceptional, so as to entitle WCC to make an exception to its policy. WCC rejected that contention, as did the District Judge on appeal and the High Court when the District Judge's conclusions were challenged. The High Court emphasised that:

'§59 ... The Cheers licence was extant, but the application was for premises elsewhere. Crucially the Cheers premises were closed and, at the time of the application, ear-marked for demolition. The judge sensibly concluded that the surrender of a redundant premises licence relating to such premises, premises which by the time of the [appeal] hearing were demolished as planned, could not of itself be capable of rendering the application with respect to [the new premises] exceptional in policy terms.

'§60 None of this is inconsistent with the legislation. The Licensing Act 2003 establishes a clear link between a premises licence and the particular premises to which it relates. When premises close because they are about to be demolished, the premises licence is effectively a dead letter. The licence may be extant because the holder continues to pay the fee, but the licence is of no practical use because the premises to which it relates cannot be used. In my view, the surrender of a premises licence in these circumstances cannot, under the Act, promote the licensing objectives with regard to an application for a new premises licence in respect of other premises situated elsewhere.'

10. The principal causes of cumulative impact are described in WCC's policy in Appendix 14, p137. Supporting evidence and data are set out in Appendices 12 and 13.

Submissions

11. The context of the present application is an existing, ongoing, effective premises licence, for the premises in question, which is more permissive than the application requests, and which has not, in operation, undermined the licensing objectives. The case is properly and fairly characterised as exceptional.
12. Features of the proposed premises licence which are directly relevant to the causes of cumulative impact identified by WCC in its Policy are:
 - (a) The primary restaurant function of the premises, which characteristic is reflected in the proposed (and existing) conditions.
 - (b) The low capacity figures.
 - (c) The connection with the W Hotel, through which a significant proportion of business is likely to be generated. Hotel guests will not require onward transport and are unlikely to contribute to pedestrian footfall.
 - (d) The characteristics of the premises, including the design, offering, layout, and management quality.
13. The applicant will accept a condition that the premises licence, if granted, will not be transferred to or traded by any legal or natural person saving B&L and/or any genuine successor/ancillary company.
