Received:	11 th July 2016		

Concern has been raised on the grounds that the application is outside core hours.

The application is in the West End Cumulative Impact Area, this increase in hours would only add to the public nuisance in the area.

The following conditions have been proposed;

MC38 – The supply of alcohol at the premises shall only be to a person seated taking a table meal there and for consumption by such a person as ancillary to their meal.

MC39 - The supply of alcohol shall be by waiter or waitress service only.

Update by report Author.

After a telephone call to Mr Chambers, Soho Society member, he confirmed it is usual for them to maintain their representation where an increase of hours to sell alcohol is sort. Both Mr Chambers and David Gleeson have been email confirming that the above premises is already conditioned as a restaurant, save for a small bar area.

Applicant's submission

The applicant is introducing a delivery service at the premises whereby a full meal can be ordered from the menu for home delivery. The applicant would also like the facility to sell an accompanying bottle of wine or similar alcoholic beverage with the meal and is therefore seeking to vary the premises licence to permit the consumption of alcohol both on and off the premises.

The applicant is also seeking to extend the opening hours for the sale of alcohol on Sundays in line with the rest of the week. Therefore the opening hours will be 08:00 hours and closing at 00:00 hours on Sunday. The sales of alcohol will be from 10:00 hours to 23:30 hours on Sunday. The application is not looking to extend its closing hours for Sunday, this remains the same.

The request is made to extend the hours of the sale of alcohol to 10:00 hours is due to the premises providing a very substantial breakfast menu and are frequented by a large percentage of tourists in the area and therefore we would like to provide alcohol in line with the rest of the week. Please note these premises operate with a restaurant condition except for the hatched area in the bar.

We have discussed this extension of hours with Ian Watson, Senior Environmental Health Officer.

All conditions applicable to the premises licence will remain in their entirety. On that basis, the applicant has not submitted a new operating schedule.

However, following pre-application consultation with PC Mike Day, Police Licensing Officer, the applicant would propose the following condition be added to the premises licence in order to further promote the licensing objectives –

‘Sales of alcohol for consumption off the premises shall be in sealed containers only and supplied with and ancillary to a takeaway meal for delivery only.’
