## 2. Representations

2-A Responsible Authorities	
<b>Responsible Authority:</b>	Metropolitan Police Service
<b>Representative:</b>	Bryan Lewis PC4161CW
<b>Received:</b>	11 October 2016
<p>With reference to the above application, I am writing to inform you that the Metropolitan Police, as a Responsible Authority, will be objecting to this application as it is our belief that if granted the application would undermine the Licensing Objectives.</p> <p>The venue is situated in the West End Cumulative Impact Area, a locality where there is traditionally high levels of crime and disorder. We have concerns that this application will cause further policing problems in an already demanding area.</p> <p>Should you provide a comprehensive list of conditions which provides reassurance to Police, we will take this into consideration when assessing your application.</p> <p>Regards,</p> <p>Bryan Lewis PC4161CW</p> <p><b>NOTE: This representation was withdrawn on 15 November 2016 following receipt and consideration of the conditions put forward by the applicant as part of their operating schedule (See Appendix 4)</b></p>	

<b>Responsible Authority:</b>	Environmental Health Consultation Team
<b>Representative:</b>	Sally Thomas
<b>Received:</b>	12 October

I wish to make the following representations in relation to the above application:

1. The Supply of Alcohol may have the likely effect of causing an increase in Public Nuisance in the cumulative impact area and may impact on Public Safety.
2. The provision of Late Night Refreshment may have the likely effect of causing an increase in Public Nuisance in the cumulative impact area.
3. The seasonal variations may have the likely effect of causing an increase in Public Nuisance in the area.

The applicant has proposed conditions within the operating schedule which are being considered. Further conditions may be proposed by Environmental Health in order to help prevent Public Nuisance and protect Public Safety.

The proposed plan shows 1 accessible WC. Referring to the British Standard 6465-1:2009 Table 10 this does not allow for a capacity of 54 persons, only 15 persons.

The granting of the new Premises Licence as presented would have the likely effect of causing an increase in Public Nuisance in the cumulative impact area and may impact on Public Safety.

**NOTE: This representation was withdrawn on 10 November 2016 following receipt and consideration of the conditions put forward by the applicant as part of their operating schedule, which included reference to the provision of toilet facilities (See Appendix 4). The Environmental Health Consultation Team advised:**

***On the basis that your proposed conditions are attached, and the capacity is agreed at 60 people excluding staff, I now withdraw my representation.***

<b>Status:</b>	Valid	<b>In support or opposed:</b>	Opposed
<b>Received:</b>	21 September 2016		
<p>In view of the problems with Licensing information this summer I make this comment on behalf of residents at Upper John Street.</p> <p>This is a new licence in the Cumulative Impact zone. Although it is for a relatively small restaurant, things have reached tipping point here and any addition to the number of licences granted could cause problems.</p> <p>However Kingly Court is now a Food Court and, other than offices, it is difficult to see how else it could be used in the current environment.</p> <p>But residents are aware that not objecting to this new licence may pre-empt this being used as a way of saying that this therefore sets the standard for future hearings.</p> <p>Residents would wish to clarify that this is not the case.</p> <p>Thank you for listening to resident opinion on this application.</p>			

<b>Name:</b>		The Soho Society	
<b>Address and/or Residents Association:</b>		55 Dean Street London W1D 6AF

<b>Received:</b>	13 October 2016		
<p>I write to make a relevant representation to the above application on behalf of The Soho Society.</p> <p>The Soho Society objects to this application as it is currently presented, on the grounds of prevention of public nuisance, prevention of crime and disorder, and cumulative impact in the West End Cumulative Impact Area.</p> <p><b>About The Soho Society</b></p> <p>The Soho Society is a charitable company limited by guarantee established in 1972. The society is a recognised amenity group and was formed to make Soho a better place to live, work or visit by preserving and enhancing the area's existing diversity of character and uses, and by improving its facilities, amenities and environment. In particular, the society supports the Westminster City Council's policies, including the cumulative impact policy, as set out in the Statement of Licensing Policy 2016.</p>

## New licensed premises in the West End Cumulative Impact Area

The proposal is for increased licensable activity in the West End Cumulative Impact Area. Sale by Retail of Alcohol On Premises licensable activity is of particular concern, with reference to Westminster City Council stress area and cumulative impact policy. Such licenses (in particular where not ancillary to food) should be prohibited. These venues destroy residential amenity over a wide area through noise nuisance as patrons disperse. It is noted the conditions for this application with reference to service with food are inadequate. It is therefore felt necessary that should this license be permitted; conditions must be applied:

**MC38** The supply of alcohol at the premises shall only be to a person seated taking a table meal there and for consumption by such a person as ancillary to their meal.

**MC39** The supply of alcohol shall be by waiter or waitress service only.

## Statement of Licensing Policy

The following are section of Westminster City Council is appropriate in this case:

2.5.3 'The council is particularly concerned that restaurant premises in the cumulative impact areas do not, even in part, come to operate as 'vertical drinking' premises where customers consume alcohol standing throughout the evening.'

## Licensing policy and cumulative impact

The Licensing Authority recognises in its Statement of Licensing Policy 2016 that Westminster has a substantial residential population and that the Council has a duty to protect it from nuisance (Policy 2.2.10).

This area has been identified by the City Council (Policy 2.4.1)) as a cumulative impact area because the cumulative effect of the concentration of late night and drink led premises and/or night cafes has led to serious problems of disorder and/or public nuisance affecting residents, visitors and other businesses. The Policy states that the extent of crime and disorder and public nuisance...arises from the number of people there late at night; a particular number of them being intoxicated, especially in the West End Cumulative Impact Area (Policy 2.4.1).

The policies in relation to the stress areas are directed at the global and cumulative effects of licences on the area as a whole (Policy 2.4.5). The policies are intended to be strict and will only be overridden in 'genuinely exceptional circumstances' (Policy 2.4.2).

The growth in the entertainment industry in Soho has led to a marked deterioration in the quality of life and well-being of local residents and it has jeopardised the sustainability of the community. Soho has a substantial residential community and many of these residents suffer from the problems identified in the 'Characteristics of Cumulative Impact Areas' (Policy Appendix 14). These include, but are not limited to, high levels of noise nuisance, problems with waste, urinating and defecating in the streets, threats to public safety, anti-social behaviour, crime and disorder and the change in character of historic areas

**Conclusion**

Para 9.37 of the s182 Guidance requires the licensing authority to determine the application with a view to promoting the licensing objectives in the overall interests of the local community.

For the reasons I have set out, we believe that the application, if granted in its present form, would fail to promote the licensing objectives of prevention of public nuisance and prevention of crime and disorder. I respectfully urge the Licensing Sub-Committee to reject this application.

Please let me know if any proposals are made to amend the application; particularly in respect of the hours sought or any further conditions proposed.

Yours faithfully,

David Gleeson,  
Licensing Chair
