2. Representations

2-A Responsible Authorities	
Responsible Authority:	Metropolitan Police Service
Representative:	PC Sandy Russell
Received:	18 th November 2016

I am writing to inform you that the Metropolitan Police, as a responsible authority, will be objecting to this application. It is our belief that if granted the application would undermine the Licensing Objectives. The premises are situated within the West End Cumulative Impact area.

The timings applied for are not conducive to Westminster Council's Licensing Policy Document. We would not be in a position to withdraw our representation due to this and feel it appropriate that the matter be left to a Sub-Committee.

Proposed Police conditions:

- The premises shall install and maintain a comprehensive CCTV system as per the minimum requirements of the Westminster Police Licensing Team. All entry and exit points will be covered enabling frontal identification of every person entering in any light condition. The CCTV system shall continually record whilst the premises is open for licensable activities and during all times when customers remain on the premises. All recordings shall be stored for a minimum period of 31 days with date and time stamping. Viewing of recordings shall be made available immediately upon the request of Police or authorised officer throughout the preceding 31 day period.
- A staff member from the premises who is conversant with the operation of the CCTV system shall be on the premises at all times when the premises is open. This staff member must be able to provide a Police or authorised council officer copies of recent CCTV images or data with the absolute minimum of delay when requested.

- Notices shall be prominently displayed at all exits requesting patrons to respect the needs of local residents and businesses and leave the area quietly.
- No advertisements of any kind (including placard, poster, sticker, flyer, picture, letter, sign or other mark) that advertises or promotes the establishment, its premises, or any of its events, facilities, goods or services

shall be inscribed or affixed upon the surface of the highway, or upon any building, structure, works, street furniture, tree, or any other property, or be distributed to the public.

- An incident log shall be kept at the premises, and made available on request to an authorised officer of the City Council or the Police, which will record the following:

- (b) all ejections of patrons
- (c) any complaints received concerning crime and disorder
- (d) any incidents of disorder
- (e) all seizures of drugs or offensive weapons
- (f) any faults in the CCTV system or searching equipment or scanning equipment
- (g) any visit by a relevant authority or emergency service.

The hours your client has applied for are outside the hours stipulated on Westminster Council's Licensing Policy. The premises are situated within the Cumulative Impact area of the West End. The decision as to what timings you are able to trade will be decided by a Licensing Sub Committee.

Please let me know whether your client is willing to agree to the above conditions in principal as this will ease proceedings during the hearing. We will be maintaining our representation due to the above, I hope you understand. If you wish to discuss, please feel free to get in touch.

Responsible Authority:	Environmental Health Consultation Team
Representative:	Miss Sally Thomas
Received:	13 th December 2016

The premises are situated in the West End Cumulative Impact Area as stated in City of Westminster's Statement of Licensing Policy.

The applicant has submitted a floor plan, titled with the address and dated 22.11.16. It is not clear from the plan what floor the unit is located on.

This representation is based on the plans and Operating Schedule submitted.

The applicant is seeking the following licensable activities:

1. The Provision of Late Night Refreshment 'indoors' on Monday to Sunday from 2300 to 0500 hours.

I wish to make the following representations in relation to the above application:

1. The Provision of Late Night Refreshment and the hours requested for this activity will have the likely effect of causing an increase in Public Nuisance in the

Cumulative Impact Area, and may impact upon Public Safety.

The applicant has proposed conditions within the operating schedule which are being considered. Further conditions may be proposed by Environmental Health in order to help prevent Public Nuisance and protect Public Safety.

The granting of the new Premises Licence as presented would have the likely effect of causing an increase in Public Nuisance in the Cumulative Impact Area and may impact on Public Safety.

Responsible Authority:	Licensing Authority

Representative:	Mr Steven Rowe

Received:	19 th December 2016
------------------	--------------------------------

I write in relation to the application submitted for a new Premises Licence for the above premises.

As a responsible authority under section 13 (4) of the Licensing Act 2003 as amended under the Police and Social Responsibility Act 2011 the Licensing Authority have considered your application in full. The Licensing Authority has concerns in relation to this application and how the premises would promote the Licensing Objectives:

- Public Nuisance
- Prevention of Crime & Disorder
- Public Safety
- Protection of Children from Harm

The application currently contains insufficient information to enable the Licensing Authority to make a suitable assessment. However, as it stands the application does contravene Westminster's Statement of Licensing Policies CIP1, HRS1 and FFP2. The application is requesting for Late Night Refreshment from 23:00 to 05:00 on each of the days Monday to Sunday. The premises is located inside the Cumulative Impact Area.

Policy CIP1 states (i) It is the Licensing Authority's policy to refuse applications in the Cumulative Impact Areas for: pubs and bars, fast food premises, and premises offering facilities for music and dancing; other than applications to vary hours within the Core Hours under Policy HRS1. However part (ii) states: Applications for other licensable activities in the Cumulative Impact Areas will be subject to other policies, and must demonstrate that they will not add to cumulative impact in the Cumulative Impact Areas.

Policy HRS1 states at paragraph 2.3.2: "It is the intention to generally grant licences where the hours when customers are permitted to be on the premises are within the 'core hours' as set out in Policy HRS1. This is not a policy to refuse applications for longer hours than the core hours and consideration will in all cases be given to the individual merits of an application. Where a proposal is made to operate outside these core hours each application will be considered on its merits against the criteria as set

out in paragraph (ii) (of Policy HRS1)”.
The current application departs from core hours:

Late Night Refreshment:

Monday to Thursday: 5 ½ hours beyond ‘core hours’

Friday to Saturday: 5 hours beyond ‘core hours’

Sunday: 6 ½ hours beyond ‘core hours’

Policy FFP2 which relates to fast food inside the Cumulative Impact Areas states ‘It is the Licensing Authority’s policy to refuse applications in the Cumulative Impact Areas, other than applications to vary hours within the Core Hours under Policy HRS1’.

3. Policy & Guidance

The following policies within the City Of Westminster Statement of Licensing Policy apply:

Policy CIP1 applies:	<p>(i) It is the Licensing Authority’s policy to refuse applications in the Cumulative Impact Areas for: pubs and bars, fast food premises, and premises offering facilities for music and dancing; other than applications to vary hours within the Core Hours under Policy HRS1.</p> <p>(ii) Applications for other licensable activities in the Cumulative Impact Areas will be subject to other policies, and must demonstrate that they will not add to cumulative impact in the Cumulative Impact Areas.</p>
Policy HRS1 applies:	<p>(i) Applications for hours within the core hours set out below in this policy will generally be granted, subject to not being contrary to other policies in the Statement of Licensing Policy.</p> <p>(ii) Applications for hours outside the core hours set out below in this policy will be considered on their merits, subject to other relevant policies.</p>
Policy FFP2 applies:	<p>It is the Licensing Authority’s policy to refuse applications in the Cumulative Impact Areas, other than applications to vary hours within the Core Hours under Policy HRS1.</p>
