## 2. Representations

2-A Responsible Authorities	
<b>Responsible Authority:</b>	Environmental Health Consultation Team
<b>Representative:</b>	Ms Nicola Curtis
<b>Received:</b>	16 <sup>th</sup> February 2017
<p><b>The premises are located within the West End Cumulative Impact Area as defined within the City of Westminster Statement of Licensing Policy.</b></p> <p>The applicant has submitted the following plans for the premises:</p> <ul style="list-style-type: none"> <li>◆ Licensing Plans: drawing number 21996-L01, Dated January 2017</li> </ul> <p>This representation is based on the plans and Operating Schedule submitted.</p>	

The applicant is seeking the following variations:

1. To change the layout of the premises in accordance with the submitted plans; this includes the addition of the first floor of the premises to the licensed area, and removal of the licensed area from the basement.
2. To extend the terminal hour to 0100 Monday to Sunday for licensable activities namely Regulated Entertainment, Late Night Refreshment and the Supply of Alcohol both 'on' and 'off' the premises.
3. To add, amend and remove conditions from the existing licence.

I wish to make the following representations in relation to the above application:

1. Any alterations to the premises are required to be inspected by the Council's Environmental Health Service to confirm that they are satisfied that the premises are suitable, in relation to addressing the licensing objectives of Public Safety and Prevention of Public Nuisance.
2. The applicant sought pre-application advice prior to making this application. Within my report I advised that although this proposal is technically against Policy CIP1, this premises already benefits from hours longer than core hours, and policy RNT2 recognises that appropriately conditioned restaurants have little association with crime and disorder or public nuisance up until 0100 hours. Appropriate conditions have been proposed by the applicant.
3. The applicant sought pre-application advice prior to making this application. The changes to the conditions are in accordance with this advice, with one exception as detailed below:

Within my pre-application report I advised the applicant that to address Public Nuisance and Public Safety concerns a 'works' condition as detailed below should be included in an application:

*The variation of this premises licence to include the (state the works requested and plans reference) will have no effect until the premises have been assessed as satisfactory by the Environmental Health Consultation Team at which time this condition shall be removed from this licence by the licensing authority.*

Although all other conditions were amended or included as suggested, this key condition was omitted, I believe in error. If the applicant were to amend the operating schedule to include this condition, this would help address my concerns.

The granting of the variation where representation is made, as currently presented, would have the likely effect of causing an increase of Public Nuisance in the West End Cumulative Impact Area and may impact upon Public Safety.

***Following the agreement of conditions Environmental Health have since withdrawn their representation.***

<b>Responsible Authority:</b>	Metropolitan Police Service
<b>Representative:</b>	PC Michael Day
<b>Received:</b>	22 <sup>nd</sup> February 2017

With reference to the above application, I am writing to inform you that the Metropolitan Police, as a responsible authority, are making a representation. It is our belief that if granted the application would undermine the Licensing Objectives.

The venue is situated within the West End Cumulative Impact Area, a locality where this is traditionally high crime and disorder but I believe this application may cause further policing problems in the area.

### 3. Policy & Guidance

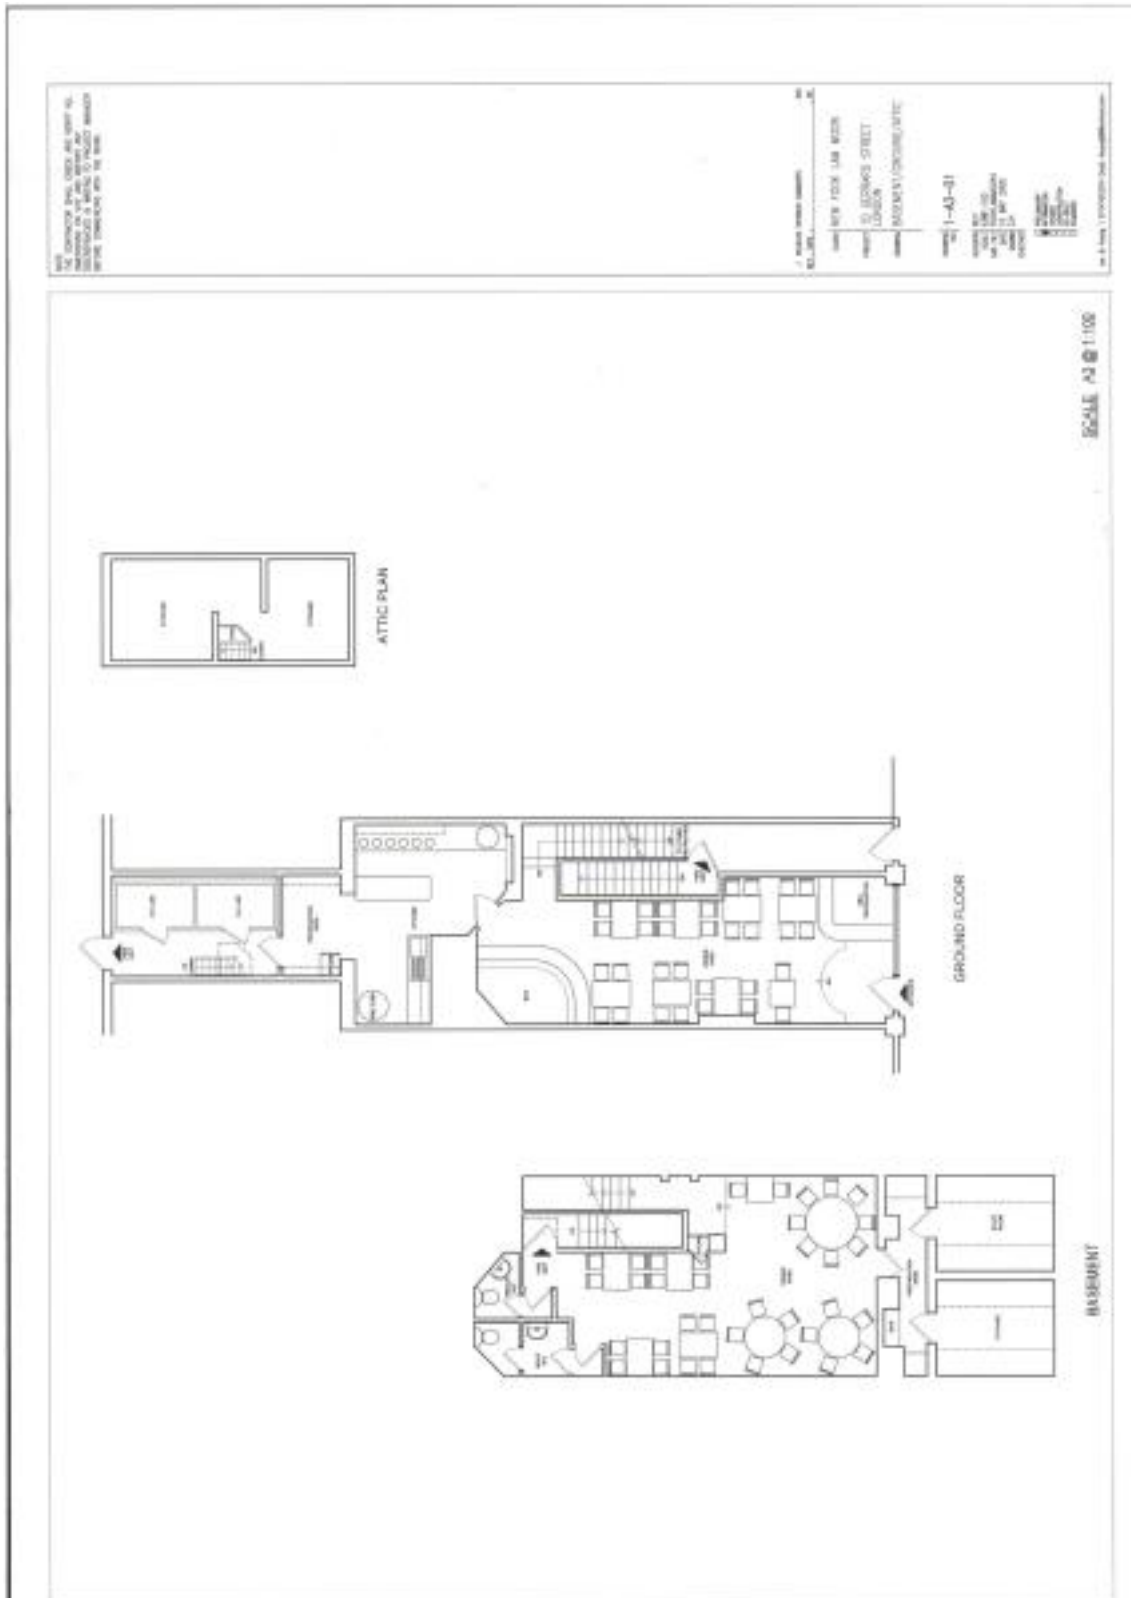

The following policies within the City Of Westminster Statement of Licensing Policy apply:	
<b>Policy CIA1 applies</b>	<p>(i) It is the Licensing Authority's policy to refuse applications in the Cumulative Impact Areas for: pubs and bars, fast food premises, and premises offering facilities for music and dancing; other than applications to vary hours within the Core Hours under Policy HRS1.</p> <p>(ii) Applications for other licensable activities in the Cumulative Impact Areas will be subject to other policies, and must demonstrate that they will not add to cumulative impact in the Cumulative Impact Areas.</p>
<b>Policy HRS1 applies:</b>	<p>(i) Applications for hours within the core hours set out below in this policy will generally be granted, subject to not being contrary to other policies in the Statement of Licensing Policy.</p> <p>(ii) Applications for hours outside the core hours set out below in this policy will be considered on their merits, subject to other relevant policies.</p>

Dear Sirs

**Application to Vary a Premises Licence  
10 Gerrard Street London 17/01070/LIPV**

We refer to our client's application and the Licensing Sub-Committee hearing scheduled 4 April 2017. We would be grateful for Member's consideration of this letter before the hearing.

The application is submitted in accordance with recent planning consent and pre application advice reference 16/11510/PREAPM. As a result, the Environmental Health Consultation Team have withdrawn their representation. Only representations from the Police and Licensing Authority remain.

The application was submitted in conjunction with a minor variation application submitted in respect of 12 Macclesfield Street. Our client is the freehold owner of both premises.

The applications involve:

- The reduction in licensable area in respect of 12 Macclesfield Street, which has an existing premises licence authorising licensable activities until 01:00hrs. The effect is a reduction of capacity of 40 persons.
- A reconfiguration of the licensable areas in 10 Gerrard Street resulting in an increase in capacity of approximately 34 persons and an extension in hours to 01:00hrs.
- **The net reduction in capacity of 6 persons in the Cumulative Impact Area.**
- The **addition of updated model licence** conditions to both licences (including MC38 and MC39).

Yours faithfully

**Thomas & Thomas-Partners LLP**

There are no capacity figures on either licence, save for a restriction of 40 persons on the 2<sup>nd</sup> floor of 12 Macclesfield Street.

**Advice is sought regarding the following proposals:**

- Change the layouts of each of the two premises.
- Add the first floor of 10 Gerrard Street to the licensed area, and remove the licensed area from the basement level. A capacity of 70 persons is proposed on each of the ground and first floors, making 140 persons in total.
- Remove the 2<sup>nd</sup> floor from the licensed area at 12 Macclesfield Street, and introduce capacities of 40 persons on the ground floor and 60 persons on the first floor, making 100 persons in total.
- Extend the terminal hour for licensable activities at 10 Gerrard Street to 0100 Monday to Sunday.

The applicant has calculated that the above proposals would, given the current lack of fixed capacities on the two licences, lead to a reduction of at least 6 persons from the West End Cumulative Impact Area:

- *plus 70 on 10 Gerrard Street first floor*
- *minus 36 in 10 Gerrard Street basement (based on current layout)*
- *minus 40 on 12 Macclesfield Street second floor*
- *equals a reduction of 6 persons in the West End cumulative impact area.*

Plans (dated January 2017, drawing numbers 21996-L01 (10 Gerrard Street) and 22511-L01 (12 Macclesfield Street) have been submitted with the pre-application request. **Technical advice has been issued by the District Surveyor separately from this report.**

**10 Gerrard Street (06/09119/WCCMAP)**

The premises are located within the West End Cumulative Impact Area (CIA) and therefore **WCC Policies HRS1, CIP1 and RNT2 apply.**

Currently these premises (and those at 12 Macclesfield Street) could potentially attract an unspecified and unrestricted number of people to the West End CIA. This proposal will limit by condition the number of people coming to the two premises to no more than 240 persons overall. This goes towards addressing cumulative impact concerns.

The proposal also seeks to increase the terminal hour at 10 Gerrard Street to 0100 hours for all licensable activities. Although this is technically against Policy CIP1, this premises already benefits from hours longer than core hours, and policy RNT2 recognises that appropriately conditioned restaurants have little association with crime and disorder or public nuisance up until 0100 hours.

**The proposal to vary the layout, add the first floor of 10 Gerrard Street to the licensed area, and remove the licensed area from the basement level, add capacity figures, and extend the terminal hour for licensable activities to 0100 Monday to Sunday should be submitted as a full variation with the recommended removal, addition and variation of conditions as detailed below:**

**Amend Licence Condition 4**

**Add New Conditions:**
