3. Application

- 3.1 On 2nd February 2017 Number Fourteen (Management) Limited applied to vary the sexual entertainment venue premises licence to:

- The application is to extend the hours for relevant entertainment Monday to Saturday 17.00 to 06.00 hours, Sunday 17.00 to 03.00 hours and Sunday before a Bank Holiday 17.00 to 06.00 hours.

A copy of the application is attached as **Appendix A1**

- The applicant has requested to add a further restriction to the capacity breakdown within the premises (currently condition 24 on the SEV licence). The existing condition state:

“The maximum number of persons accommodated at any one time (excluding staff) shall not exceed the following:

- a) Capacity of 250 (customers) until 2.00am

The amendment to the above condition is as follows:

The maximum number of persons accommodated at any one time (excluding staff) shall not exceed the following:

4. Objections

- 4.1 Objections have been received from The Environmental Health Service, the Licensing Authority and the Metropolitan Police have submitted objections to the application.
- 4.2 On 2nd March the Environmental Health Service submitted an objection to the application stating that the premises are located within the West End Stress Area and Westminster Core Commercial Activity Zone.

The extension of hours would be inappropriate having regard to the layout, character or condition of the premises.

- 4.3 On the 3rd March 2017 The Licensing Authority submitted an objection to the application stating that under Paragraph 10 subsection (15) of the Local Government (Miscellaneous Provisions) Act 1982 Part II The Licensing Service consider it appropriate to make an objection in relation to this application on the grounds that if granted it will not promote the licensing objectives of the prevention of crime and disorder, public safety, the prevention of public nuisance and the improvement in the character and function of the city, or areas of it.
- 4.4 On 16th February 2017 Westminster Licensing Police submitted an objection to the application on the grounds of Prevention of Crime and Disorder and Public Nuisance.

The applicant is seeking to extend the hours of operation of this venue which is in the West End Cumulative Impact Zone without offering any new conditions to promote the licensing objectives.

A more detailed objection shall be forthcoming.

8. Policy Considerations**8.1 Character of the relevant locality – LO1**

The premises is situated on the North side of Leicester Square. There is one other Sexual Entertainment Venue (the Hippodrome Casino) within 100 meters of the premises, although this is primarily a gambling establishment and the Relevant

Entertainment is limited to burlesque performances. There is also one church within 100 metres of the premises, Notre Dame de France Roman Catholic Church.

8.2 Use of premises in the vicinity – LO2

The area has a mixture of residential and commercial premises predominantly commercial with residential properties above them. A map showing the residential density and premises within the vicinity is attached to this report as Appendix .

8.3 Layout, character or condition of the venue – LO3

The main entrance of the premises is situated on Leicester Square.

8.4 Hours – HR1

The variation seeks to further depart beyond those hours set out in Policy HR1. However, the policy states that where a premises is licensed under the Licensing Act 2003 for hours beyond the 'core hours', the council will have regard to those hours and generally grant a SEV licence to the hours authorised for other licensable activities, subject to the provision of a winding down period if appropriate.

8.5 As stated at paragraph 7.1 of this report, the current LA03 premises licence permits licensable activities from Sunday to Wednesday 20:00 to 03:00, Thursday to Saturday 20:00 to 06:00 and on Sunday 20:00 to 06:00.

8.6 However, as stated at paragraph 7.2 of this report, the applicants have submitted a variation of the premises licence under the Licensing Act 2003 in conjunction with this application. If granted, the proposed hours for licensable activities will be Monday to Saturday 17:00 to 06:00, Sunday 17:00 to 03:00 and Sundays before bank Holidays 17:00 to 06:00

9. **Legal Implications**

9.1 The Licensing Committee using its powers above may determine to:

- (a) Vary the licence as applied for.
- (b) Vary the licence subject to any modifications to any part of the application and imposition of any additional conditions or restrictions as they think fit, or
- (c) Refuse the application.

9.2 Before refusing to vary the licence, the Licensing Authority shall give the applicant an opportunity to appear before it and of being heard by the Committee.

9.3 In considering this application, the Committee shall have regard to any observations submitted to it by the Chief Officer of Police and any objections that have been received in writing within the 28 day consultation period under para 10(18) to Schedule 3.

9.4 Should the Licensing Sub-Committee determine to refuse the application for the variation of the licence, the applicant may appeal to the Magistrates' Court within 21 days beginning with the date on which the applicant is notified of the refusal of his application.

10. Human Rights Act and Equality Implications

- 10.1 In making a decision consideration will need to be given to the applicant's rights under the European Convention on Human Rights. The right to peaceful enjoyment of possessions (Article 1 of the First Protocol) and freedom of expression (Article 10) may be relevant. The Home Office Guidance suggests that "local authorities would be well advised to consider whether any interference with the applicant's rights under Article 10 or Article 1, Protocol 1 of the European Convention on Human Rights is necessary and proportionate for the prevention of disorder or crime, for the protection of health or morals or for the protection of the rights and freedoms of others, or in the case of Article 1, Protocol 1, can be justified in the general interest".
- 10.2 The Council in its capacity as Licensing Authority has a duty to ensure that all applications for SEV's are dealt with in accordance with its public sector equality duty under section 149 of the Equality Act 2010 ("The 2010 Act"). In summary section 149 provides: -
- (1) "A public Authority must, in the exercise of its functions, have **due regard** to the need to:
 - (a) eliminate discrimination harassment, victimisation and any other conduct that is prohibited by or under this Act
 - (b) advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it.
 - (c) foster good relations between persons who share a relevant protected characteristics and persons who do not share it.
 - (2) A person who is not a public authority but who exercises public functions must in the exercise of those functions, have due regard to the matters mentioned in subsection (1)....."
- 10.3 Accordingly, section 149 (7) of the 2010 Act defines the relevant protected characteristics as age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex, and sexual orientation.
- 10.4 This duty places an obligation on the Committee to ensure that the need to promote equality is taken into consideration with, regard to every aspect of its decision making, this will include the circumstances of each individual application, the findings, of fact one the application has been considered, including the taking into account of any objection and response the applicant may choose to make.

To whom it may concern,

My name is Terry Price and I am writing this letter in support of the club named 14 LSQ for their application for a variation of the Premises Licence and SEV, 14 LSQ is located at 14 Leicester Square, London WC2H 7NG

-SEV reference is 17/01156/LISEVV
-PL reference is 17/01159/LIPV

We have no objections to 14LSQ's application. There have been no concerns raised with its day to day trading. There is always a friendly, welcoming presence out front with the added support of security within our local area.

It is not unknown that security issues with previous venues trading in our area in the past, however, there has been a significant improvement on this since 14LSQ has become a part of the community. Safety in our area is of the utmost importance and ensuring all businesses have a positive influence on this. I am happy to say that 14 LSQ has had a positive impact on that and also secured a safety not just within its venue but as part of the community as well.

Since opening 14 LSQ has become a very established part of our community, we will endeavour to continue our growing relationship and support

Yours sincerely,

T PRICE,

22nd February 2017

Dear Sir/Madam,

I am the CEO of the Hippodrome Casino and I write this letter for the club named 14LSQ located at 14 Leicester Square, London WC2H 7NG, in support of their application for a variation of the Premises Licence and SEV

-SEV reference is 17/01156/LISEVV

-PL reference is 17/01159/LIPV

I have visited the club on a couple of occasions and was very impressed with the quality of the operation. It was clear to me how professionally run 14 LSQ was.

Their General Manager told me they were going to apply for longer opening hours, and asked me to write to you with my views on their proposal to change the opening hours to last admissions at 4am and closing the bar/club at 6 am (with the opening time of 5pm).

When they make this application, I will be very happy to support it.

I have observed their operation and its impact on the area since it opened 13 months ago and can confirm my views are wholly positive.

I have not experienced, or had reports of anything detrimental about the club, and have only heard positive things from my security, staff and customers. Despite their entrance being very low key, the extra overt security in the entrance is welcome, as is the CCTV coverage adding to the general feeling of security in the area. I often pass the club en route home in the early hours and have never seen an issue, but rather have been comforted by the extra activity and security from the club. It is a welcome contrast to the club that was there before.

I see their opening hours to be a positive for the square with their security enhancing the area and would not expect longer opening hours to have any negative effects.

Your sincerely,

Dear Sir/Madam

RE: 14 Leicester Square, London WC2H 7NG- 17/01156/LISEVV and 17/01159/LIPV

I am writing this letter in support of the applications for variations for 14 LSQ (their SEV and premises licence).

As a resident in Leicester Square for the past 15 years, in my opinion 14 LSQ is now very much a part of the established responsible Leicester Square night life. It is a professionally run operation that causes no problem to us residents and it does not adversely affect the character of the area. There is no signage depicting the nature of the premises outside and the premises is extremely low key in terms of any impact in the area. There are no big queues like other clubs, there are no noise concerns and there are no crime and disorder concerns. The security men, lighting and having the operation running, in fact, provides added security and peace for the residents in the area, which is a big positive.

I am aware the premises currently trades to 6am Thursdays to Saturdays and they are seeking an extension until 6am, from 3am, Mondays to Wednesdays as part of their variations. Given the nature of their operation on Thursdays to Saturdays, which are the busier days of the week, and those days causing no issue at all for the residents, I have no concerns at all with the proposed extension of hours on Mondays to Wednesdays.

I believe the premises should be encouraged and have no objection whatsoever to 14 LSQ being granted its variations as applied for.

Dear Sir/Madam

I am writing in support of the applications for a variation of the Premises Licence and SEV
for 14LSQ located at 14 Leicester Square, London WC2H 7NH

SEV reference is 17/01156/LISEVV

PL reference is 17/01159/LIPV

I believe that 14LSQ is an entertainment club similar to the Stringfellows in St Martins Lane which attracts thousands of customers and visitors to the area. It is certainly beneficial to our night time economy. As I have met the manager and some of the ladies in the club when they helped us as volunteers at our fund raising event, I feel that it is a professionally run operation which causes no problems.

The venue is non-threatening to the public and the entrance to the club is fairly anonymous.

I understand that the club is keeping a good working relationship with the Police and the Council and I hope this letter will be taken into strong consideration for their application.

Yours faithfully

Dear Sir/Madam,

My name is Dale Perkins and I am the General Manager at Zoo Bar & Club and I write this letter for the club named 14 LSQ in support of their application for a variation located at 14 Leicester Square, London WC2H 7NG.

14 LSQ has been trading for the last 13 months and I know from my customers, my staff that it is a professionally run operation and from my own personal experiences when I have frequented the club, the atmosphere and environment of the club has always seemed very warm, welcoming and friendly. It has always had a large cross section of patrons whenever I have visited the club consisting of males and females which I would say where of a profession manner.

I find the venue completely non-threatening and you would not know what activity takes place within these premises as its very low key. It is a vast improvement on the previous Night Club that was in operation before 14 LSQ took over the building.

I strongly believe that 14 LSQ does not adversely affect the character of the local area but actually helps by supplying a need that wasn't there before.

I very much hope this letter is taken strongly into consideration in support of the application.

Yours sincerely,

Being in such close proximity we have a loose working relationship and we believe the venue has not got an effect on our custom neither positive nor negative.

The main operating hours do not affect or cause conflict with our usual trading hours, in fact they run in sync with us.

The security are always monitoring the area in front of their door and do a very good job stopping any trouble within their vicinity. Since they have traded the level of disturbances has been drastically reduced, in comparison to the nightclub that was previously in its place which caused various within the surrounding area.

If they were to open earlier in the evening, from 5pm, I see no issues as there are families in the area up to and sometimes beyond midnight, especially in the summer months and Christmas due to the offerings in the area. Another venue that they operate, Platinum Lace, has in the past, operated from 3pm and has not caused any issues or concerns as they are a responsible operator. There is no material depicting nudity or relevant entertainment visible outside the premises.

Finally, they have never flagged on any crime statistics and I have not had any negative or crime related discussions with any Police or Council representatives about this venue.

I very much hope this letter is taken strongly into consideration in support of the application.

Since opening here have been no concerns raised with its day to day trading. It is a professionally run operation that causes no problems and does not adversely affect the character of the area. There is always a friendly, welcoming presence out front with the added support of security within our local area.

It is not unknown that security issues with previous venues trading in our area in the past, however, there has been a significant improvement on this since 14LSQ has become a part of the community. Safety in our area is of the utmost importance and ensuring all business have a positive influence on this. I am happy to say that 14 LSQ has had a positive impact on that and also secured a safety not just within its venue but as part of the community as well.

Since opening 14LSQ has become a very established part of our community and we hope to continue our growing relationship and support,

Yours sincerely,

Application:

An application for a new sexual entertainment venue ('SEV') premises licence to provide striptease, pole dancing and table dancing including full nudity with opening hours of 20:00 to 03:00 hours Sunday to Wednesday and 20:00 to 06:00 on Thursday to Saturday and Sundays before Bank Holidays.

Amendments to application advised at hearing:

None.

Decision (including reasons if different from those set out in report):

The Chairman of the Sub Committee announced her intention to hear the SEV and Premises licence applications separately, as they raise different legal and policy

considerations. Mr Kolvin however made the submission that both applications be heard together, and in the absence of objection from any other party, Members of the Sub Committee agreed this approach, and decided to defer the decision making process until after the hearing had concluded. The decision and reasons of the decision would be provided to the relevant parties within 5 working days.

The Members of the Sub-Committee gave careful consideration to the application and granted the application, subject to the conditions set out below. The Sub-Committee considered that the Applicant was committed to taking the necessary measures to promote the aims and objectives of the Council's SEV policy.

The Sub-Committee noted that the Applicant had taken measures to prevent an adverse impact on the character and function of Leicester Square. Mr Kolvin and his client, Mr Warr, provided drawings which demonstrated that the only lettering on the front door of the premises would be '14 Leicester Square'. Mr Kolvin emphasized that there would be no indication that there was a SEV at the premises. There would be no images on the frontage of the venue, sexual or otherwise. The premises would not be used before 20:00 hours and when licensable activity took place after that time, the door would be kept shut except for access or egress. There would be no touting or leafleting. As with Platinum Lace, and given that these premises are smaller, there would be no queuing. There would be no drinking outside. The premises had a policy to minimise the effects of patrons and performers smoking outside. The number of customers smoking would be restricted to 5 at any one time and they would be supervised. There would be no performers on Leicester Square and if they wished to smoke, their number would be limited to 2 at any one time and they would smoke at the side (in Leicester Place), separate from customers. The performers would be fully dressed in the street and wear an overcoat. Access to the designated smoking area would be restricted to the performers, and supervised by a member of the security (as set out in the smoking policy). The SIA qualified door staff were also trained in house to reduce any potential for incidents outside the premises. SIA staff would supervise the area immediately outside the premises until at least 15 minutes after the last patron has left the premises. A significant investment of £1m had been spent on the renovation of the premises so that the building would not have an adverse impact on the locality. CCTV at the premises would be of a similarly high standard to that in Platinum Lace.

Mr Kolvin stated that there was a dispersal policy in place to limit the impact on Leicester Square. It was proposed that the capacity would be 250 customers until 02:00 hours and then reduced to 200 from 02:00 to 03:30 hours and reduced again to 100 from 03:30 hours until closing time. A record had been kept of the low numbers that were remaining at the end of the evening at Platinum Lace which demonstrated that there would not be a mass exodus of customers. There was also a proposed taxi policy in place. Staff at Koru would book taxis for customers; this service would be discounted by the premises. Staff would direct customers to the NCP car park in Newport Street where the taxis would be waiting.

The Sub-Committee fully appreciated the point made by Mr Matthias, representing the Licensing Service, that Leicester Square was an iconic location. However, Members did not accept that granting the application would be inappropriate or would change the character of the locality given the low impact of what was proposed at

Koru. Mr Matthias referred to the implementation of the Leicester Square Action Plan and its aspiration for the area to be more family friendly and welcoming. There was for instance, al-fresco dining at Bella Italia directly opposite, cinemas, restaurants and hotels in the Square catering for all generations, and was a popular family and tourist destination. He submitted that this aspiration had been achieved, with the Council completing a £15M re-development of the Square. It was not appropriate having regard to the feel and character of the Square, its new image, the use of premises in the vicinity, for a SEV to be opened here. The venue was also within 50 yards from the church of Notre Dame de France. The Sub-Committee noted and accepted Mr Kolvin's comment that there was a mix of business uses in Leicester Square, with a day time and night time economy. There were some family uses such as M&Ms, the cinema or Haagen Dazs combining with betting offices, casinos and a burlesque licence in The Hippodrome. With the Applicant having taken steps so that the operation at Koru would not be viewed by young people or those coming or going from the Notre Dame de France church and as it would not open until 20:00 hours, it was not considered that in granting this application the Action Plan would be significantly impaired.

The Sub-Committee accepted Mr Kolvin's point that Metra had had a far greater adverse impact on Leicester Square than Koru was likely to have. The Sub-Committee noted Mr Kolvin's reference to 2.1.9 of the Council's SEV policy that 'the council appreciates that premises providing sexual entertainment have generally been well managed and operated, and that operators have built up valuable knowledge and experience under the licensing regimes which have operated in Westminster'. Evidence from Chief Inspector Adrian Studd to the Culture, Media and Sport Select Committee had been that there was no evidence of crime and disorder at SEV and that they were well run with high staff to customer ratios and the clientele did not drink excessively.

A key element of Mr Kolvin's submissions was that Mr Warr and the proposed management for Koru were also responsible for operating Platinum Lace in Coventry Street. Mr Kolvin stated that Platinum Lace was in keeping with Chief Inspector Studd's perception of SEVs with no evidence of crime and disorder or complaints since it had opened in 2010, no reported complaints or incidents at the premises and the Police had written to the Applicant to confirm that it was well run. He added that there would be a high staff to customer ratio at Koru and the ratio would further increase when the proposed capacity reduced after 02:00 hours. The clientele tended to be between 35 and 55 and did not drink excessively.

Mr Matthias received instructions during the hearing from officers for the Licensing Service that contested Mr Kolvin's point that there were no issues whatsoever at Platinum Lace. Mr Matthias suggested that licensing inspectors believed that the venue was linked to touting and prostitution. The Sub-Committee took advice from the Legal Adviser, Ms Bhela as the evidence had not been supplied to the relevant parties prior to the hearing. Mr Kolvin objected to the point being taken further when he had had no opportunity to prepare a response to it. Following a brief adjournment, the Chairman advised that, under the Hearing Regulations, the evidence was inadmissible, given that it had not been provided prior to the hearing and the Applicant's objection. It would have been fair and reasonable to expect such allegations to have been set out in the papers provided. Mr Warr stated that the

allegations were untrue.

Mr Matthias also made the point that the Applicant Company, Simowa Limited, had only been incorporated on 20 February 2013 and had no track record. The share register had indicated that there were two issued shares which had not been paid for. The Applicant's Representatives responded to the points raised by Mr Matthias. Ms Tricker stated that no indication had been given at pre-meetings with officers that there were any issues or doubts whatsoever about the involvement of Platinum Lace management in these premises. She also had evidence of the share certificates. Platinum Lace Trading had an agreement for the lease and Mr Warr was the owner of both Platinum Lace and Koru. The Sub-Committee took the view that whilst the name of the Applicant company for the Koru venue may have been different to that of Platinum Lace, it had been the same owner and many of the members of the management team were the same.

Mr Watson for Environmental Health informed Members that the evidence he had available to him was that Platinum Lace had very little impact on the locality. There had been no incidents or complaints since Platinum Lace had been granted a SEV licence. Environmental Health's representation had been maintained in particular due to the hours being beyond the Council's Core Hours policy. Mr Watson advised that there was no change to the licensed area. There were more private cubicles or booths with CCTV there. There was a VIP seating area like Platinum Lace and the proposed maximum capacity of 250 was now proposed rather than the 300 originally applied for. The capacity would reduce to 100 during the later hours of trading.

The Sub-Committee noted that the Police had no objections to the previous extension of hours at Platinum Lace which was permitted to open until 06:00 hours. PC Russell stated the Police did however have concerns in respect of the application at Leicester Square as there were higher crime figures in Leicester Square than Coventry Street. She was requesting a terminal hour of 01:00, consistent with the licence there at present. However, she commented that if the Members of the Sub-Committee were minded to grant beyond 01:00 hours then this should be considerably beyond 03:00 hours as this was when the nightclubs tended to close and patrons dispersed into the Stress Area. Mr Rankin and PC Russell made a similar point to Mr Matthias that Leicester Square was more of a destination than Coventry Street which was a thoroughfare. PC Russell also added that a SEV was more likely to be noticed in Leicester Square, a destination area. There were approximately twice as many crimes a year in Leicester Square (1000) as there were in Coventry Street (500). Mr Rankin and PC Russell referred to casinos being tightly regulated like SEV and yet there was more crime in relation to The Hippodrome Casino in Leicester Square than around the Golden Nugget in Shaftesbury Avenue. The Sub-Committee noted that there was a bar at The Hippodrome unlike the Golden Nugget. The Police had concerns about people remaining in the West End Stress Area and becoming victims of crime and it was questioned whether staff would be able to lead customers to waiting taxis in Newport Street car park if customers were leaving simultaneously.

Mr Rankin in his submission on behalf of the Police emphasized that Leicester Square and Coventry Street were entirely separate and distinct. He put forward a similar case to Mr Matthias that the Metra licence was inoperative. Members,

however, believed that it was likely, as was suggested by Mr Warr who now owned the premises, that if Koru did not become a SEV, it was likely to have to operate as a nightclub as Metra had been with a licence until 01:00 hours. Mr Warr commented that a terminal hour of 01:00 hours for a SEV was not financially viable as the performers would work elsewhere due to the limited hours available for employment. There were limited options for a basement premises including a lack of interest from restaurant chains. The frontage was 16 metres. Members of the Sub-Committee considered that just because the Metra nightclub licence was not currently being operated, it was not the case that it could not be operated in the future with a capacity on the licence of 400. It was also the case that whilst the Police had found that there were higher crime levels in Leicester Square than in Coventry Street, no evidence was provided to the Sub-Committee that could demonstrate that Koru in Leicester Square would generate crime or undermine the licensing objective on the prevention of crime and disorder. The evidence received to date by the Council showed that there were not significant levels of crime and disorder at sex entertainment venues, nor were there significant issues in respect of public nuisance.

The Sub-Committee also gave careful consideration to a point made by Mr Matthias and Mr Rankin that the application if granted would cause a precedent and damage the Council's SEV policy. Mr Matthias stated that it was not the case that just because Platinum Lace had been granted it should therefore also result in Koru being granted. Members took the view that the application did not create a precedent as each application would be considered on its merits. There was a recognised zone of Core CAZ North where the Council had decided that SEVs could be located and this included Leicester Square. The policy permitted a maximum of 25 of these premises in Core CAZ North. Under the Local Government (Miscellaneous Provisions Act) 1982 the licence would remain in force for a year so that in the event that the premises did not comply with and promote the policy aims and objectives the licence would be looked at again in twelve months' time.

This decision should be read in conjunction with the decision for the premises licence taken today.
