### 3. Representations

<b>3-A Responsible Authorities</b>	
<b>Responsible Authority:</b>	The Environmental Health Service
<b>Representative:</b>	Mr Dave Nevitt
<b>Received:</b>	4th October 2017
<p>I wish to make Representations on the following grounds: Representation is made in relation to the application, as the proposals are likely to increase Public Nuisance and may impact upon Public Safety.</p>	
<b>Responsible Authority:</b>	The Metropolitan Police Service
<b>Representative:</b>	PC Adam Deweltz
<b>Received:</b>	15 <sup>th</sup> September 2017
<p>With reference to the above, I am writing to inform you that the Metropolitan Police, as a Responsible Authority, will be making a representation against this application.</p> <p>The venue is situated within the Cumulative Impact Area. It is our belief that if granted the application would undermine the Licensing Objectives in relation to The Prevention of Crime and Disorder.</p> <p>I have been through the operating schedule and note your conditions.</p>	
<b>Responsible Authority:</b>	The Licensing Authority
<b>Representative:</b>	Mr David Sycamore
<b>Received:</b>	4th October 2017
<p>I write in relation to the application submitted for a new premises licences for Kettners Townhouse, Soho House and Cafe Boheme.</p> <p>As a responsible authority under section 13 (4) of the Licensing Act 2003 as amended under the Police and Social Responsibility Act 2011 the Licensing Authority have</p>	

considered your application in full. The Licensing Authority has concerns in relation to this application and how the premises would promote the Licensing Objectives:

- Public Nuisance
- Prevention of Crime & Disorder
- Public Safety

The premises is located within the West End Cumulative Impact Area and as such a number of policy points must be considered. The applicants will need to justify how the premises, if granted to will not add to the cumulative impact CIP1. The Licensing Authority has met with the applicant, and other relevant authorities to promote the licensing objectives and address policy concerns. The applications seek to offer a range of licensing activities and times which will replace existing licences which have not traded for 2 years.

We look forward to working with the applicant to add conditions and amend the applications where appropriate.

### 3-B Other Persons

**Received:** 4<sup>th</sup> October 2017

3:42 PM on 04 Oct 2017 I would object to any extension of hours beyond those in the previous licence. These premises are within the cumulative impact zone. This area already has problems with crime and disorder, including but not limited to antisocial behaviour associated with drug dealing/use, robbery, etc. It is a residential area, and there is noise associated with people leaving premises, pedicabs (playing music) who position themselves outside licensed premises.

I would ask that any application beyond core hours be refused.

**Received:** 3<sup>rd</sup> October 2017

I write to make a relevant representation to the above application on behalf of The Soho Society.

The Soho Society objects to this application as it is currently presented, on the grounds of prevention of public nuisance, prevention of crime and disorder and cumulative impact in the West End Cumulative Impact Area.

#### ***About The Soho Society***

The Soho Society is a charitable company limited by guarantee established in 1972. The society is a recognised amenity group and was formed to make Soho a better place to live, work or visit by preserving and enhancing the area's existing diversity of character and uses, and by improving its facilities, amenities and environment. In particular, the society supports the Westminster City Council's policies, including the cumulative impact policy, as set out in the Statement of Licensing Policy.

### **The Application**

Firstly, it is not clear from the face of the application what the changes are with respect to the current licence, it would have been helpful if the applicant had given an indication of the net effect of the application rather than interested parties having to determine this themselves, and furthermore the lack of plans on the website makes it difficult to determine layout and especially in relation to increases in capacity which is directly relevant to 'cumulative impact'.

With reference to the current premises licence issued to Soho House UK Ltd on 23rd January 2017, the overall effect of the new application is as follows,

- increase in hours for sale of alcohol by 30mins to 01-30
- addition of live music to 01.30

There is no mention of the restaurant capacity.

Issues of concern relate to the extension of hours.

There are private homes in nearby buildings, and residents in the surrounding area already subject to noise and general nuisance every night of the week. Greek Street / Old Compton Street is at the heart of Soho's late night economy with numerous restaurants, bars and entertainment establishments, the area is densely populated at night with people drinking on the street creating loud levels of noise, disturbance and anti social behaviour this is compounded by pedicabs parked outside premises playing amplified music adding to the noise nuisance. Over the past few years Soho has seen a significant increase in crime and disorder and particularly drug dealing and drug taking on the streets. The Greek Street intersection with Romilly Street is the favoured position for drug dealers to loiter and sell drugs, these and the surrounding streets is at the centre of criminal activity which is attracted by the night time economy and high numbers of intoxicated people. The proposed extended terminal hour will fail to promote the licensing objectives and therefore we feel it is necessary to keep to the current licensed operating hours and conditions with no increase in capacity.

### **Licensing policy**

This area has been identified by the Westminster City Council (2.4.1 of the Statement of Licensing Policy, as amended) as under stress because the cumulative effect of the concentration of late night and drink led premises and night cafes has led to serious problems of disorder and/or public nuisance affecting residents, visitors and other businesses.

The policies in relation to the stress areas are directed at the global and cumulative effects of licences on the area as a whole (2.4.5 of the policy). The policies are intended to be strict and will only be overridden in genuinely exceptional circumstances (2.4.2 of the policy). The growth in the entertainment industry in Soho has led to a marked deterioration in the quality of life and well-being of local residents and it has jeopardised the sustainability of the community. Soho has a substantial residential community and many of these residents suffer from problems such as, but not limited to, high levels of noise nuisance, problems

with waste, urinating and defecating in the streets, threats to public safety, anti-social behaviour, crime and disorder and the change in character of historic areas.

For the reasons I have set out, we believe that the application, if granted in its present form, would fail to promote the licensing objectives of prevention of public nuisance, prevention of crime and disorder, and cumulative impact in the West End Cumulative Impact Area. I respectfully urge the Licensing Sub-Committee to reject this application.

Please let me know if any proposals are made to amend the application.

This has resulted in a set of floor plans for each premises which are acceptable to EH, District Surveyor, and London Fire Brigade.</p> <p>The applicant wishes to make applications for <u>New Premises Licenses</u> and <u>Variations</u> to replace current and existing Licenses:</p> <p><b>Café Boheme – <u>variation</u> as we are only tidying up the conditions                  SKB – demise is slightly changed so it will need to be a <u>new application</u>                  Kettners and Soho House – <u>new applications</u></b></p>		

From an EH perspective, this is an opportunity to improve the physical build and internal arrangements of each of the premises and to bring the public safety arrangements up to modern standards. It is also an opportunity for better regulation as more up to date Model Conditions are brought to bear and existing Licences are tidied up.

The applicant will submit the recently agreed floor plans for each premises and a number of proposed Conditions for each Licence application.

It will be for the applicant to show that there will be no increase in Cumulative Impact in the West End CIA. In this regard, it is noted that the current Licences already allow for many licensable activities to take place well beyond the Core Hours as defined in the City Council's Licensing Policy. It will be for the applicant to explain in detail to the Licensing Committee the comparison between the existing permitted hours and what is sought by way of New Applications or Variations.

The applicant has submitted a list of Proposed Conditions for each of the premises and these are broadly acceptable to EH. Some of the existing conditions have been repeated in the proposals and some new Model Conditions have been added. It should be noted that the Police are likely to seek additional conditions, for example for age verification. Again, this will be the subject of discussion at the Committee Hearing.

**THE APPLICATIONS WILL BE ADJUDICATED AT A HEARING OF THE LICENSING SUB COMMITTEE THE APPLICATION WILL BE DETERMINED IN RELATION TO THE CITY COUNCIL'S LICENSING POLICIES AND IT WILL BE FOR THE APPLICANT TO SHOW HOW THE LICENSING OBJECTIVES WILL BE PROMOTED.**

Please note that any advice given will not guarantee that your application will be granted by the Licensing Service and the Environmental Health Consultation Team may still choose to make a representation to the application submitted.
