Responsible Authority:	Metropolitan Police Service (withdrawn)
Representative:	PC Toby Janes
Received:	13 January 2018

I am writing to inform you that the Metropolitan Police, as a Responsible Authority, make a representation against the above application.

It is our belief that if granted the application would undermine the Licensing objectives in relation to the prevention of crime and disorder. A number of conditions have been provided in support of the application, these are being considered but do not fully address the concerns of the Police.

The venue is situated in the West End cumulative impact area, a locality where there is traditionally high crime and disorder. We are concerned that this application will cause further policing problems in an already demanding area.

Following the withdrawal of off sales and proposed conditions, the Metropolitan Police Service have withdrawn their representation.

Responsible Authority:	Licensing Authority
Representative:	Ms Shannon Pring
Received:	15 January 2018

As a responsible authority under section 13 (4) of the Licensing Act 2003 as amended under the Police and Social Responsibility Act 2011 the Licensing Authority have considered your application in full. The Licensing Authority has concerns in relation to this application and how the premises would promote the Licensing Objectives:

- Public Nuisance
- Prevention of Crime & Disorder
- Public Safety

The premises is located within the West End Cumulative Impact and as such a number of policy points must be considered.

The premises currently falls within PB2 and as such please be aware that it is the Licensing Authorities policy to refuse applications in the cumulative impact areas. Additionally, paragraph 2.5.23 of the council policy states that the 'grant of new licences for pubs or bars in the Cumulative Impact Area should be limited to exceptional circumstances'. The list of examples of what may be considered an exceptional circumstance can be found at paragraphs 2.4.2 – 2.4.13 of the Council's Statement of Licensing Policy.

Furthermore, this is an application for a new premises licence within the cumulative impact area and as such the applicant must demonstrate how the additional people will not add to cumulative impact within the cumulative impact area.

Finally, we would be grateful if you could clarify what is intended by your proposed condition '*No alcohol shall be taken from the premises*' as I note that you have applied for both on and off sales of alcohol.

Please accept this as a formal objection and we look forward to receiving further submissions as soon as possible.

2-B Other Persons

Received: 6 January 2018

This is a retail unit situated right at the very residential end of Carnaby Street in a stress area and an alcohol licence would be wholly inappropriate and change the nature of the offer, street and area.

I wish to object on the grounds of:

- the prevention of crime and disorder
- the prevention of public nuisance
- public safety

An alcohol licence at an otherwise retail outlet will undoubtedly exacerbate the issues we are seeing around anti-social behaviour and crime and disorder. It is also, I feel a public safety issue on the basis that it is at the very end of the street, just as it is about to turn onto a very residential street. It will surely add to public nuisance and negatively impose upon the amenity of local residents.

I would urge the Committee to reject this application.

Received: 9 January 2018

I refer the panel to paragraphs of the Council's Licensing Policy- 2.4.17 to 2.4.21 and question whether this application as it stands complies with it and, if so, demonstrates no addition to cumulative impact.

I object to this licence on the grounds of Danger to Children and Public Nuisance.

Sweaty Betty is a Sports shop promoting a health, fitness and well being lifestyle.

The cafe is sufficient and a licence is against the ethics of a healthy lifestyle which the Sweaty Betty promotes and advocates. The shop attracts families, children and young adults and for it to promote alcohol is at odds with its own ethos.

Furthermore the application does not state the number of clients nor that food is mandatory with all alcohol.

It is astonishing that drinking without food could be allowed on a busy street like Carnaby.

Carnaby is all about fashion. Times change but if Carnaby is to become an alcohol street tourists from all over the world will stop coming to enjoy the wonderful history it holds in the world of fashion and photography and instead come for an alcohol buzz.

Hopefully these matters can be resolved by consultation without the need for a hearing.

Children will be among the clients visiting the shop and will witness day time drinking and the possible results. Like most cities, London is a place where families unfamiliar with the city, need to stay alert.

I would also be concerned that even if Sweaty Betty only served alcohol to their customers the tenant at that address could change and we could end up with a pub and drinkers inside and out and all the inevitable rowdiness that would ensue.

I think that we have enough licensed premises in the immediate vicinity.

I trust that my comments will influence your decision re this application.

The Soho Society objects to this application as it is currently presented, on the grounds of prevention of public nuisance, prevention of crime and disorder and cumulative impact in the West End Cumulative Impact Area.

About The Soho Society

The Soho Society is a charitable company limited by guarantee established in 1972. The society is a recognised amenity group and was formed to make Soho a better place to live, work or visit by preserving and enhancing the area's existing diversity of character and uses, and by improving its facilities, amenities and environment. In particular, the society supports the Westminster City Council's policies, including the cumulative impact policy, as set out in the Statement of Licensing Policy 2016.

Application summary

The application seeks to sell alcohol on the first floor of this retail premises, which is situated on the corner of Carnaby and Beak Streets.

Hours of operation

The premises appear to be open from 08.00-20.00 seven days per week, and seek a licence to sell alcohol from 10.00-20.00, Monday-Saturday, and 12.00-20.00 on Sundays. There is a private residential block immediately across Beak Street (accessed from Upper John Street), with other residences further along Beak Street and in the streets that lead off it. Residents in nearby buildings and in the surrounding area are subject to noise and general nuisance every night – and most days -of the week. We also note with concern another retail premises applying for an alcohol licence in possibly the most saturated part of the West End Cumulative Impact Area and hope this worrying trend will cease.

Licensing policy

This area has been identified by the Westminster City Council (2.4.1 of the Statement of

Licensing Policy, as amended) as under stress because the cumulative effect of the concentration of late night and drink led premises and night cafes has led to serious problems of disorder and/or public nuisance affecting residents, visitors and other businesses.

The policies in relation to the stress areas are directed at the global and cumulative effects of licences on the area as a whole (2.4.5 of the policy). The policies are intended to be strict and will only be overridden in genuinely exceptional circumstances (2.4.2 of the policy). The growth in the entertainment industry in Soho has led to a marked deterioration in the quality of life and well-being of local residents and it has jeopardised the sustainability of the community. Soho has a substantial residential community and many of these residents suffer from problems such as, but not limited to, high levels of noise nuisance, problems with waste, urinating and defecating in the streets, threats to public safety, anti-social behaviour, crime and disorder and the change in character of historic areas.

For the reasons I have set out, we believe that the application, if granted in its present form, would fail to promote the licensing objectives of prevention of public nuisance, prevention of crime and disorder, and cumulative impact in the West End Cumulative Impact Area. I respectfully urge the Licensing Sub-Committee to reject this application.

Following a meeting with the applicant, the following representations have been withdrawn:

I wish to object on the grounds that it is completely inappropriate for this type of family friendly premises to be selling alcohol. This would set a terrible precedent for every other Carnaby Street retailer to convert to selling alcohol and destroy the character of this street famous for fashion. There are more licensed premises in this small area of

London than almost anywhere in the world, the last thing we need is more of them.

I'm terribly distressed that this establishment is proposing to sell alcohol (whether both for consumption on or off premises and I understand without necessarily a meal). As a resident in this stress area we are already dealing with the consequences of drinking and within the hours of operation it will only result in people who have already drunk to go on to drink more at other establishments at later hours. Can we also please keep this venue free where people with children can go where alcohol is not served.

3. Policy & Guidance

The following policies within the City Of Westminster Statement of Licensing Policy apply:

Policy CIA1 applies:	<p>(i) It is the Licensing Authority's policy to refuse applications in the Cumulative Impact Areas for: pubs and bars, fast food premises, and premises offering facilities for music and dancing; other than applications to vary hours within the Core Hours under Policy HRS1.</p> <p>(ii) Applications for other licensable activities in the Cumulative Impact Areas will be subject to other policies, and must demonstrate that they will not add to cumulative impact in the Cumulative Impact Areas.</p>

Policy PB2 applies:	<p>It is the Licensing Authority's policy to refuse applications in the Cumulative Impact Areas other than applications to vary hours within the Core Hours under Policy HRS1.</p>

4. Equality Implications

The Council in its capacity as Licensing Authority has a duty to have regard to its public sector equality duty under section 149 of the Equality Act 2010. In summary, section 149 provides that a Public Authority must, in the exercise of its functions, have due regard to the need to:
