2. Representations

2-A Responsible Authorities	
Responsible Authority:	The Metropolitan Police (withdrawn)
Representative:	PC Caroline Cockshull
Received:	15 th January 2018
<p>With reference to the above, I am writing to inform you that the Metropolitan Police, as a Responsible Authority, will be making a representation against this application.</p> <p>It is our belief that if granted the application would undermine the Licensing objectives in relation to the prevention of crime and disorder as there are insufficient conditions within the operating schedule.</p> <p>The venue is situated in the West End cumulative impact area, a locality where there is traditionally high crime and disorder, and we have concerns that this application will cause further policing problems in an already demanding area.</p> <p>I will be in touch shortly to discuss this application in more detail.</p> <p>Following discussions with the applicant and agreed conditions that would form part of the operating schedule, the Police have withdrawn their representation.</p>	
Responsible Authority:	The Environmental Health Service (withdrawn)
Representative:	Mr Anil Drayan
Received:	18 th January 2018
<p>I refer to application for a new premises licence for the above premises which is located within the West End Cumulative Impact Area as defined within the City of Westminster Statement of Licensing Policy.</p> <p>The applicant has submitted the following plan of the premises showing the Ground Floor and Lower Ground Floor (no reference):</p> <p>The applicant is seeking the following variations:</p> <p>Supply of Supply of Alcohol 'on' the premises Monday to Saturday from 11:00 to 22:00 hours and on a Sunday when Christmas Eve and New Year's Eve fall on this day.</p> <p>I wish to make the following representation based on the plan and Operating Sched submitted:</p>	

The hours requested and the Supply of Alcohol may have the likely effect of causing an increase in Public Nuisance in the West End Cumulative Impact Area

The applicant has offered some undertakings in the operating schedule (some of which will need to be converted into enforceable conditions) but these appear to be insufficient to be consistent with the Cumulative Impact Area policy.

It is also unclear if the premises have already been refurbished for the proposed use.

The applicant is therefore requested to arrange a site visit with the undersigned to discuss all of the above after which Environmental Health may propose additional conditions to allay its concerns.

Should you wish to discuss the matter further please do not hesitate to contact me.

Following agreed conditions between the Environmental Health Service and the applicant, they have withdrawn their representation.

2-B Other Persons

Received: 15th January 2018

I write to make a relevant representation to the above application on behalf of The Soho Society.

The Soho Society objects to this application as it is currently presented, on the grounds of prevention of public nuisance, prevention of crime and disorder and cumulative impact in the West End Cumulative Impact Area.

About The Soho Society

The Soho Society is a charitable company limited by guarantee established in 1972. The society is a recognised amenity group and was formed to make Soho a better place to live, work or visit by preserving and enhancing the area's existing diversity of character and uses, and by improving its facilities, amenities and environment. In particular, the society supports the Westminster City Council's policies, including the cumulative impact policy, as set out in the Statement of Licensing Policy 2016.

Application summary

According to the licence application (page 5), the applicant: "... would be looking to serve a small collection of champagne, cocktails and wine between the hours of 8:00 - 22:00".

Hours of operation

Page 14 of the application form states that the premises will be open from 08.00-22.30, Monday- Saturday, and page 13 states the hours applied for the sale of alcohol are 11.00-22.00, Monday-Saturday (contrary to page 5). There are private residences along both

sides of this small stretch of Bateman Street (between Dean and Frith Streets), and residents in these buildings and in the immediate area are subject to noise and general nuisance every day. This small block is bookended by two very busy public houses – The Crown and Two Chairmen, a few yards from Salon 64, and The Dog and Duck, both of whom attract a lively crowd who stand outside each premises for most of the time they are open. We also note with concern another retail premises applying for an alcohol licence (and thereby creating a new bar, with attendant cumulative impact) in the heart of the West End Cumulative Impact Area and hope this worrying trend will cease.

Licensing policy

This area has been identified by the Westminster City Council (2.4.1 of the Statement of Licensing Policy, as amended) as under stress because the cumulative effect of the concentration of late night and drink led premises and night cafes has led to serious problems of disorder and/or public nuisance affecting residents, visitors and other businesses.

The policies in relation to the stress areas are directed at the global and cumulative effects of licences on the area as a whole (2.4.5 of the policy). The policies are intended to be strict and will only be overridden in genuinely exceptional circumstances (2.4.2 of the policy). The growth in the entertainment industry in Soho has led to a marked deterioration in the quality of life and well-being of local residents and it has jeopardised the sustainability of the community. Soho has a substantial residential community and many of these residents suffer from problems such as, but not limited to, high levels of noise nuisance, problems with waste, urinating and defecating in the streets, threats to public safety, anti-social behaviour, crime and disorder and the change in character of historic areas.

For the reasons I have set out, we believe that the application, if granted in its present form, would fail to promote the licensing objectives of prevention of public nuisance, prevention of crime and disorder, and cumulative impact in the West End Cumulative Impact Area. I respectfully urge the Licensing Sub-Committee to reject this application.

Please let me know if any proposals are made to amend the application. A similar application was made for a small premises in Frith Street in 2015 and although this was granted, it was only permitted to sell alcohol until a terminal hour of 20.00. If Westminster do decide to grant this application, we presume that a similar terminal hour will be set.

3. Policy & Guidance

The following policies within the City Of Westminster Statement of Licensing Policy apply:	
Policy CIA1 applies:	(i) It is the Licensing Authority's policy to refuse applications in the Cumulative Impact Areas for: pubs and bars, fast food premises, and premises offering facilities for music and dancing; other than applications to vary hours within the Core Hours under Policy HRS1.
Policy HRS1 applies	(ii) Applications for other licensable activities in the Cumulative Impact Areas will be subject to other policies, and must demonstrate that they will not add to cumulative impact in the Cumulative Impact Areas. (i) Applications for hours within the core hours set out below in this policy will generally be granted, subject to not being contrary to other policies in the Statement of Licensing Policy. (ii) Applications for hours outside the core hours set out below in this policy will be considered on their merits, subject to other relevant policies.

4. Equality Implications

The Council in its capacity as Licensing Authority has a duty to have regard to its public sector equality duty under section 149 of the Equality Act 2010. In summary, section 149 provides that a Public Authority must, in the exercise of its functions, have due regard to the need to:

- (a) eliminate discrimination harassment, victimisation and any other conduct that is prohibited by or under this Act;
- (b) advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it; and
- (c) foster good relations between persons who share a relevant protected characteristics and persons who do not share it.

Section 149 (7) of the Equality Act 2010 defines the relevant protected characteristics as age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex, and sexual orientation.
