**2-B Other Persons****Received:** 07 April 2018

1:46 PM on 07 Apr 2018 Claridges Hotel has a long track record of disregarding the interests of neighbours. Construction works are regularly carried out at night and on Sundays, in violation of the Noise Abatement laws. The application states that the outside bar / garden will be open 24 hours a day, which is unacceptable. They claim to have "robust" controls in place to ensure no disruption to neighbours, which is clearly not the case; I have reported them numerous times for the construction works on Sundays and at night, and each time the management of Claridges feigns ignorance.

Westminster has taken no action against Claridges for repeated violations of the noise abatement laws, so I have no confidence that Claridges will limit the noise from an outside bar area. This will be a source of significant noise and disruption and will constitute a private nuisance that interferes with my legal right to enjoyment of my residential property. The law recognizes that landowners, or those in rightful possession of land, have the right to the unimpaired condition of the property and to reasonable comfort and convenience in its occupation.

The extent and duration of the disturbance will be daily, and continue into the night. There is no Social value in Claridge's proposal; it is purely to maximise profits of the hotel's bar. Given Claridge's track record of disregard for the Noise Abatement laws, there is no credibility to their claim of "robust" controls for mitigating or preventing the harm. The locality is next to and across from residential properties and is not suitable for the proposed use as an outside bar.

### 3. Policy & Guidance
