Representative:	Ms Daisy Gadd
Received:	11 June 2018
<p>I write in relation to the application submitted for a New Premises Licence for Ground Floor, 101 Charing Cross Road.</p> <p>As a responsible authority under section 13 (4) of the Licensing Act 2003 as amended under the Police and Social Responsibility Act 2011 the Licensing Authority have considered your application in full. The Licensing Authority has concerns in relation to this application and how the premises would promote the Licensing Objectives:</p> <ul style="list-style-type: none">• Public Nuisance• Public Safety• Prevention of Crime & Disorder• Protection of Children from Harm <p>The application seeks to licence the following activity:</p> <ul style="list-style-type: none">• Late night refreshment (both): Monday to Sunday: 23:00 to 05:00 <p>The premises is located within the West End Cumulative Impact Area and as such a number of policy points must be considered, namely CIP1, HRS1 and FFP2.</p> <p>Paragraph 2.5.18 of the Council's Statement of Licensing Policy 2016 states that "Fast food premises which are open after 23:00 can attract large groups of customers, many of whom have been consuming alcohol in pubs, bars, or night clubs sometimes some distance away". In respect of policy FFP2, it is the Licensing Authority's policy to refuse applications in the Cumulative Impact Areas unless they are applications to vary hours within the Core Hours under Policy HRS1. Therefore, as stated in paragraph 2.5.20 of the policy, "the Licensing Authority considers that the grant of variations or new licences for fast food premises in the Cumulative Impact Areas should be limited to exceptional circumstances." Examples of what may be considered an exception to policy can be found at paragraphs 2.4.3 to 2.4.13 of the Westminster Statement of Licensing Policy 2016.</p> <p>Further discussions will be held with the applicant prior to the hearing and any further submissions will be forwarded on for Members information.</p> <p>Please accept this as a formal representation.</p>	
Responsible Authority:	Environmental Health Service
Representative:	Mrs Sally Fabbricatore
Received:	29 June 2018
<p>I refer to the application for a new Premises Licence for the above premises.</p>	

The premises are situated in the West End Cumulative Impact Area as stated in City of Westminster's Statement of Licensing Policy.

This representation is based on the Operating Schedule and the submitted plans, ground floor titled with the address.

The applicant is seeking the following on the **ground floor**:

1. To allow Late Night Refreshment both 'indoors and outdoors' Monday-Sunday 23:00-05:00 hours.

I wish to make the following representation in relation to the above application:

1. The provision of Late Night Refreshment may cause an increase in Public Nuisance in the cumulative impact area.

The applicant has proposed conditions within the operating schedule which are being considered. Further conditions may be proposed by Environmental Health in order to help prevent Public Nuisance and protect Public Safety.

Clarification is required regarding the WC provision for customers. A WC is shown on the plan however the access to this is not clear.

The granting of the new Premises Licence as presented would have the likely effect of causing an increase in Public Nuisance in the cumulative impact area and may impact on Public Safety.

Responsible Authority:	Metropolitan Police Service
Representative:	Caroline Cockshull
Received:	11 June 2018

With reference to the above, I am writing to inform you that the Metropolitan Police, as a Responsible Authority, will be making a representation against this application.

The venue is situated within the Cumulative Impact Area. It is our belief that if granted the application would undermine the Licensing Objectives in relation to The Prevention of Crime and Disorder.

2-B Other Persons	
Name:	Covent Garden Community Association
Address and/or Residents Association:	42 Earlham Street Covent Garden London WC2H 9LA
Received:	24 June 2018

This representation is being made by the Covent Garden Community Association (CGCA). The CGCA is recognised by both Camden and Westminster as the Amenity Society for the Covent Garden area (defined as the area bounded by High Holborn, New Oxford Street, Charing Cross Road, St. Martin's Place, Northumberland Avenue, Victoria Embankment, Lancaster Place, Aldwych and Kingsway) and so represents the interests of those who live and work in this area.

The CGCA's Licensing Sub-committee is authorised by the Association to make Representations on any Licensing Applications which the Subcommittee believes may have an effect on local residents or other members of the community through likely impact on one or more of the Licensing Objectives. This authorisation was last renewed at a meeting of the Executive Committee of the CGCA on 5th December 2017.

The premises for which this application is being made are situated on Charing Cross Road. There are significant amounts of residential property on the East side of this part of Charing Cross Road, including Trentishoe Mansions which is about 25m from the premises and which is within the CGCA's area. A map showing residential accommodation in the vicinity is attached. This is not complete as we are not aware of the location of residents in Soho, to the West of Charing Cross Road.

Current Situation

The premises currently operate as "Cafeteria" providing both sit down and takeaway hot food. The premises have no licence for Late Night Refreshment, having applied for one in 2006 (06/04293/LIPN) which was refused and therefore ceases selling hot food at 23:00.

Proposed Licence

This is an application for a New Licence for Late Night Refreshment which would allow the premises to sell hot food for consumption on and off the premises until 05:00 on all days of the week. There is no proposal to serve alcohol and the application states that no alcohol will be allowed on the premises.

CGCA's View

The CGCA's view is that allowing the premises to operate as an LNR venue after 23:00 will harm the Licensing Objectives of the Prevention of Public Nuisance and Crime and Disorder. This is because fast food style operations, of which this is one, are very likely to attract people who have been drinking and will retain them within the Cumulative Impact Area, giving rise to an increase in public order and anti-social behaviour as well as adding to noise levels in the surrounding area.

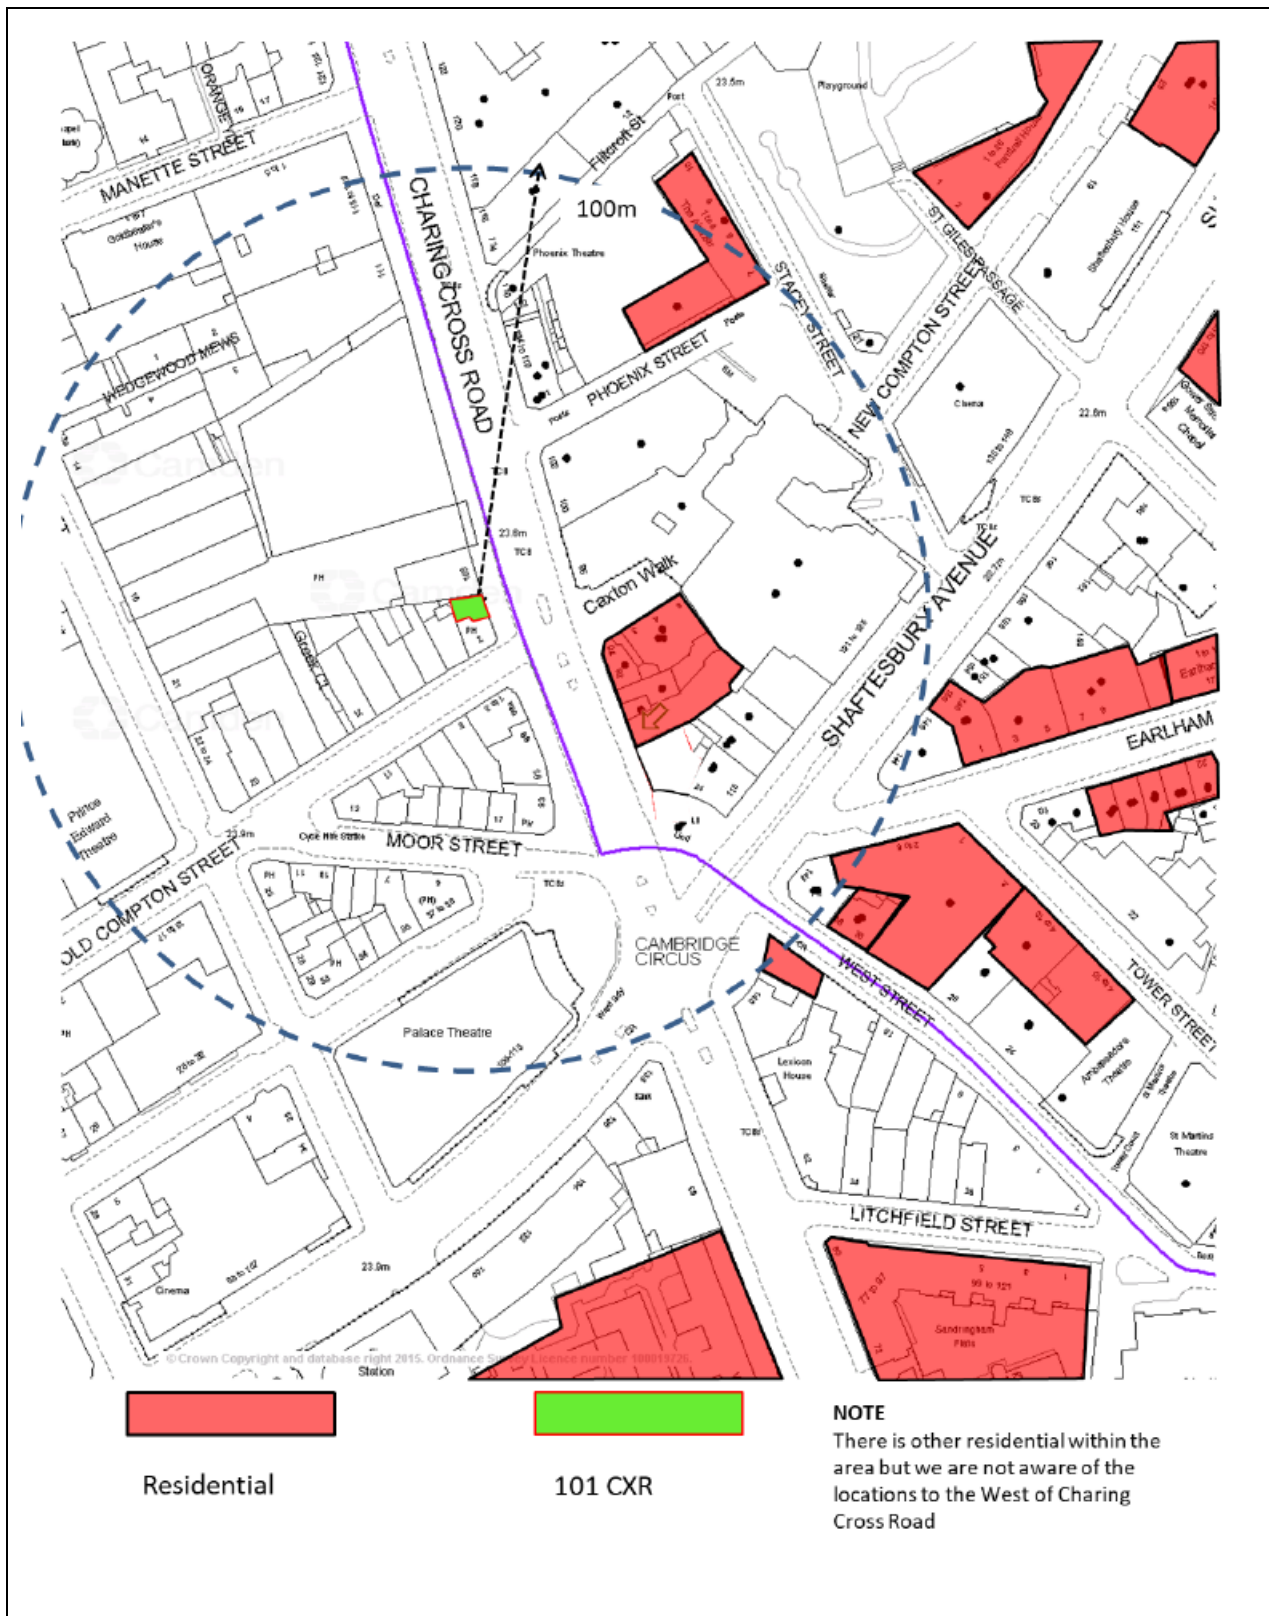

We note that Policy CIP1 states that:

(i) It is the Licensing Authority's policy to refuse applications in the Cumulative Impact Areas for: pubs and bars, fast food premises, and premises offering facilities for music and dancing; other than applications to vary hours within the Core Hours under Policy.

We submit that this application falls within the fast food definition as it is not a traditional restaurant style use and the type of food on offer (fish and chips, kebabs and pizzas) is "fast food". It is also food which lends itself to take-away style eating. There is nothing within the application which would support this being exceptional in any way and we believe that it should therefore be refused.

Given the nature of this part of Charing Cross Road, which remains busy after 23:00, we believe that it **might** be possible to grant a limited extension but **only** to the hours within Policy HRS1.

However we believe that the consumption of food should be restricted to **on the premises only**.

Name:	The Soho Society
Address and/or Residents Association:	St Anne's Tower 55 Dean Street London W1D 6AF
Received:	28 June 2018

I write to make a relevant representation to the above application on behalf of The Soho

Society.

The Soho Society objects to this application as it is currently presented, on the grounds of prevention of public nuisance, prevention of crime and disorder and cumulative impact in the West End Cumulative Impact Area.

Application summary

The applicant seeks to extend the terminal hour for provision of Late Night Refreshment from the currently licensed 23.00 hours to 05.00 hours, seven nights per week.

The premises operate as a cafeteria selling hot food until 23.00 hours for consumption on or off the premises. They currently have no licence for Late Night Refreshment as their last application was refused in 2006 (06/04293/LIPN). They are located on the edge of Soho, nevertheless in a very active part of the West End Cumulative Impact Area, where noise levels already breach WHO, EU and Government guidelines. Given the residential concentration surrounding these premises, we are concerned that the applicant seeks a terminal operating hour each day that seriously contravenes Westminster's accepted core hours. Within 100 metres of the premises, the west (Soho) side of Charing Cross Road has residential accommodation just around the corner on Old Compton Street, as well as above Foyles Bookshop on Charing Cross Road, and more being constructed further along the road towards Manette Street, north of the premises. (The CGCA have supplied a map with their representation detailing residential accommodation on the east side of Charing Cross Road.) Whilst the premises are not licensed to sell alcohol, and the application explicitly states that no alcohol will be allowed on the premises, we consider that granting a licence for them to provide Late Night Refreshment from 23.00 until 05.00 every night of the week will aggravate public nuisance and possibly encourage crime and disorder in the immediate area.

Late night fast food operations attract people who have been drinking, retaining them in the West End Cumulative Impact Area rather than leaving them to disperse, thus leading to increased disorder, noise levels and general antisocial behaviour. We understand that the Soho Safer Neighbourhood Ward Panel has identified this particular stretch of Charing Cross Road as an active location for late-night recreational drug dealing and use, with the attendant impact of criminal and antisocial behaviour.

Licensing policy

We note that Licensing Policy CIP1 states: (i) It is the Licensing Authority's policy to refuse applications in the Cumulative Impact Areas for: pubs and bars, fast food premises, and premises offering facilities for music and dancing; other than applications to vary hours within the Core Hours under Policy. As the premises self-defines as a "...café serving fish and chips, kebabs and pizzas" on the application, we believe it to be a fast food premises and see no reason why it should be considered exceptional to Policy.

This area has been identified by the Westminster City Council (2.4.1 of the Statement of Licensing Policy, as amended) as under stress because the cumulative effect of the concentration of late night and drink led premises and night cafes has led to serious problems of disorder and/or public nuisance affecting residents, visitors and other businesses.

The policies in relation to the stress areas are directed at the global and cumulative effects of licences on the area as a whole (2.4.5 of the policy). The policies are intended to be strict and will only be overridden in genuinely exceptional circumstances (2.4.2 of the policy). The growth in the entertainment industry in Soho has led to a marked deterioration in the quality of life and well-being of local residents and it has jeopardised the sustainability of the community.

Soho has a substantial residential community and many of these residents suffer from problems such as, but not limited to, high levels of noise nuisance, problems with waste, urinating and defecating in the streets, threats to public safety, anti-social behaviour, crime and disorder and the change in character of historic areas.

For the reasons I have set out, we believe that the application, if granted in its present form, would fail to promote the licensing objectives of prevention of public nuisance, prevention of crime and disorder, and cumulative impact in the West End Cumulative Impact Area.

Given the nature of the premises, the hours sought, and late-night activity in the immediate environment, we respectfully urge the committee to refuse this application. Please let us know if any proposals are made to amend the application.

Resident representation 1

Received:	25 June 2018
------------------	--------------

I am chair of the Soho Safer Neighbourhood Ward Panel, and I am also a resident of Soho. I would object to the granting of this late night refreshment licence on the grounds of prevention of public nuisance, prevention of crime and disorder and cumulative impact in the West End Cumulative Impact Area.

Also the application to serve food and refreshment until 5 am seven nights a week is way outside core hours.

It is also in an area which currently has a high level of drug dealing, drug abuse and associated antisocial behaviour.

I would ask that you refuse this application.
