The notice must be given by the 'premises user' (usually the event organiser responsible for all aspects of the event).

- 1.2 Permitted temporary events are events that take place in any premises, open space or temporary structure. The event must consist of one or more licensable activities; and the premises must be used over a period of no longer than 168 hours, with no more than 499 people In attendance.
- 1.3 Licensable activities include the sale by retail of alcohol; the provision of regulated entertainment and the provision of late night refreshment (hot food or drink supplied between 11pm and 5am).
- 1.4 The premises user must send two copies of the temporary event notice to the Council, one copy to the environmental health department and one copy to the police leaving at least 10 clear working days before the event is due to begin. The Council must acknowledge receipt of the temporary event notice by the next working day.

2. NOTICE OF OBJECTION BY POLICE/ENVIRONMENTAL HEALTH

2.1 If the Police/ Environmental Health are satisfied that the event would undermine one or more of the licensing objectives, they must give a notice of objection stating their reasons as to why an objective would be undermined to the Council and premises user within 3 working days of receipt of the notice.

3. HEARING PROCEDURE FOLLOWING NOTICE OF OBJECTION BY POLICE/ENVIRONMENTAL HEALTH

- 3.1 The Sub-Committee is being asked to consider the notice of objection and hear any oral evidence given by or on behalf of the premises user and the Police/Environmental Health.
- 3.2 The Sub-Committee must consider whether to give a counter notice to the temporary event notice given by the premises user if it considers it necessary for the promotion of the licensing objectives.
- 3.3 The Council must convene a hearing to consider the notice of objection and give at least two day's notice to the premises user and the police.
- 3.4 The Sub-Committee must either reject the notice of objection to allow the event to take place, or issue a counter notice to prevent the event from taking place, or where or, after hearing the objections, allow the notice but attach relevant conditions from the premises licence. Please note not all premises will hold a premises licence.

3.5 The Council must, where it decides not to give a counter notice, give the premises user and the Police/Environmental Health a notice of the decision at least 24 hours before the beginning of the event period specified in the temporary event notice.

3.6 Where the Council decides to give a counter notice, it must give the premises user the counter notice and the reasons for its decision; and a copy of the counter notice and the reason for its decision to the police, at least 24 hours before the beginning of the event period specified in the temporary event notice.

5.1 The Westminster Statement of Licensing Policy for applications relating to premises and personal licences and temporary event notices made under the Licensing Act 2003 was determined for a three-year period commencing 7 January 2011. This contains no specific policy for Temporary Event Notices but urges longer periods of notice to be given for events which involve the use of the streets or necessitate the special management of traffic and services.
