10 FUTURE POLICY PLAN

Policing

11 NOTICE OF MOTION

- 11.1 The Minority Party had selected for debate the notice of motion as set out on the agenda. The notice of motion was moved by Councillor Nafsika Butler-Thalassis and seconded by Councillor Matt Noble.

- 11.2 The Majority Party had submitted an amendment to the notice of motion as set out on the order paper.

- 11.3 Councillor Matt Noble raised a point of order that in the Minority party's opinion the proposed amendment to their motion constituted a breach of the Council's standing orders, namely SO 13 paragraph (5)(c), and should therefore be rejected. Having taken advice from the Chief Executive and the Director of Law, the Lord Mayor determined that the amendment was within the law and in compliance with the Council's Constitution and therefore rejected the request.

- 11.4 Councillor Iain Bott moved and it was seconded by Councillor Matthew Green that the notice of motion be amended, as follows:

Remove from “the gridlock” in the first paragraph to “it also believes” in the final paragraph then delete “that, if achievable, such a vote would be open to 16-18 year olds and to residents who are EU citizens”.

Then add:

“And recognises the contribution of the thousands of friends and neighbours who are citizens from other European Union countries who live in Westminster.

The Council believes that EU nationals who live in Westminster deserve assurances over their future in the UK in order to feel certain that Westminster can remain their long-term home.

The Council recognises the proactive work already undertaken to engage with EU citizens and to provide them with practical support in the run-up to Brexit.

The Council notes the importance of providing funding to the service run by Citizens Advice to support EU nationals living in Westminster with guidance in person, online and by telephone and resolves to request that the Cabinet continues funding this service beyond Brexit.

The Council welcomes the high level of participation by Westminster’s EU citizens at a series of seminars organised by the Council in co-operation with the Home Office which have proved successful in providing opportunities for EU citizens to ask questions and to discuss their concerns.

The Council resolves to remain committed to Westminster’s EU residents, they are an essential part of our community. We shall to continue to offer them support to ensure that EU citizens feel that Westminster continues to be their home both now and after the UK has left the European Union.”

- 11.5 Following debate, to which Councillor Nafsika Butler-Thalassis replied, the Lord Mayor put the amendment moved by Councillor Bott and seconded by Councillor Green to the vote and on a show of hands declared the amendment **CARRIED**.
- 11.6 The Lord Mayor then put the substantive motion to the vote and on a show of hands declared the substantive motion **CARRIED**.
