The sale of alcohol must be ancillary to the use of the premises for music and dancing and/or substantial refreshment

13. Delete and replace conditions 30, 31 and 32 with

The premises may remain open for the sale of alcohol, regulated entertainment and the provision of late night refreshment from the terminal hour for those activities on New Year's Eve through to the commencement time for those activities on New Year's Day

Following consideration of the application and how it may affect the Licensing Objectives and meeting the requirements of the Council's Statement of Licensing Policy I wish to make the following representations:

1. Extending the terminal hours for the performance of dance; performance of live music and sale by retail of alcohol by 30 minutes on Monday to Wednesday may have the likely effect of causing an increase in Public Nuisance within the area
2. Extending the terminal hours for the performance of dance by 1 hour; performance of live music by 1 hour; late night refreshment by 1 hour and sale by retail of alcohol 1 hour 30 minutes on Thursday to Saturday may have the likely effect of causing an increase in Public Nuisance and may affect Public Safety within the area
3. Increasing the capacity in the basement floor by 20 persons may have the likely effect of causing an increase in Public Nuisance and may affect Public Safety

within the area

4. 4 – 13 No representation

Our records show that between June 2018 and October 2018, six public nuisance complaints associated with your premises were made by residents. On one of the six occasions, a council officer, assessing from within a complainant's home, was satisfied that the volume of music emanating from the premises amounted to a statutory nuisance. The fine details of the complaints shall be discussed further.

It is my view that, given the complaint history of the premises, there is insufficient information to address the concerns of Environmental Health and the granting of this application as presented would have the likely effect of causing an increase in Public Nuisance and may affect Public Safety within the area.

The applicant is asked to contact the undersigned to arrange a site visit/meeting to discuss the proposed changes and its wider implication on the licensing objectives of Public Nuisance and Public Safety.

A summary of the noise complaints in respect of the premises between June 2018 and October 2018 appears at appendix 4

With reference to the above, I am writing to inform you that the Metropolitan Police, as a Responsible Authority, will be making a representation against this application.

It is our belief that if granted the application would undermine the Licensing Objectives in relation to The Prevention of Crime and Disorder.

Following discussions with the applicant, the Metropolitan Police withdrew their representation on 20 March 2019.

I object as an immediate neighbour directly affected by the premise's noise which is at

present already clearly audible within my flat both day- and night-time. On top of that a large number of customers gather in front of the premise blocking the path and creating additional nuisance.

I am distraught to hear of the application to extend the licence of this premises, especially given the nuisance having been caused since the nightclub opened after the summer. We have made countless calls to the council at midnight, resulting in them often only calling back in the middle of the night. Many of us are working professionals within the neighbouring building who are getting their few hours of sleep terribly interrupted by music pulsating the whole side of the building, up to the top floors.

Before granting any extension I would plead with the officer to visit my apartment on ANY night of the week after 10.30pm and take some noise readings before deciding to extend.

I am 30-years old, I am not an old grumpy neighbour. I have been to Bagetelle before, but the can of worms that has been opened by Westminster to allow this premises to operate on this street, with so few restrictions has transformed the street for the worse. We now have illegally-operating valet parking, people peeing on doorsteps, shouting and screaming on the street whilst people are smoking outside.

I write to make a relevant representation in my individual capacity as a resident of [REDACTED] [REDACTED] and on behalf of [REDACTED], objecting to the grant of an application to vary the premises licence for 34 Dover Street.

I note that the application seeks to extend the hours permitted for licensable activities and for the premises to be open to the public, and seeks to amend/delete a number of conditions.

This is of great concern to myself and my family. The number of premises operating late in the evening has increased in recent years, to the extent that late night licensed premises have cumulatively given rise to serious problems of crime, disorder and nuisance. Local residents have to bear the brunt of this.

The premises licence under which is currently operated is already well in excess of the City Council's 'core hours' policy HRS1.

I do not accept that the additional conditions proposed by the applicant mitigate the impact of the proposed extension of hours. I therefore object to the application on the basis that the likely effect of the application if granted will be to harm the licensing objectives of 'prevention of public nuisance'; 'prevention of crime and disorder'; 'public safety'; and 'protection of children from harm.'

The application will also increase the negative cumulative impact of late night licensed premises in the area.

Residents of Berkeley Street and Dover Street have been plagued in recent years by a huge increase in noise, nuisance, anti-social behaviour and other problems, caused by the number of late night licensed premises within a small area.

The licensing authority will be aware that this view is shared by others in the area. Indeed, a report has been produced by an independent consultant following a study of the evening and night time economy in parts of Mayfair and its impact on the statutory 'licensing

objectives'. The document can be accessed here:
https://www.westminster.gov.uk/sites/www.westminster.gov.uk/files/mayfair_evening_and_night-time_economy_behaviour_study.pdf

The extension of hours proposed would run directly contrary to this, and would act as an unfortunate precedent for the area.

I will provide more detail on my specific concerns in due course

I would like to make a representation in respect of the variation application for 34 Dover Street (ref: 19/02160/LIPV). I object on grounds of prevention of public nuisance and crime and disorder.

I'll be represented by Richard Brown for this objection.

<p>Please accept this email protesting /registering my discomfort on the proposals forward by the shared tenancy we have in the form of a massive restaurant- under and over me, adjoining the two buildings known as 33 dover and ? Berkeley Street.</p> <p>I live on the top floor and LEAVING aside all tenants experiencing more and more noise at night while trying to get to sleep in order to get to work refreshed . The summer is already unbearable with the windows open.</p> <p>I am now experiencing occasional infiltrating smells.</p> <p>Having had my skylight broken (and replaced) and ceiling come down on more than one occasion, newly appearing cracks in my wall , a blocked sky light (which wasn't presented until after the fact) I absolutely will refuse to have another one blocking my light well</p> <p>The owner spent who knows how much waiting for years until they got bullied whoever into giving permission for the monstrosity over my head. Its horrible to live below such a structure. Obviously food smell is unacceptable.</p> <p>When the oven is turning on the noise can be super loud - I am not sure how often this happens as I am mostly at work so the only times I hear it is on the weekends. It can sound like a siren and last longer than a minute - guessing if a buyer came through during that time there would be no sale.</p> <p>There are far too many late opening places. From what I read they are asking to not have to have music in order to serve alcohol until 1 am on a work night. Lovely. The place got permission to be a sophisticated piano bar. Something one doesn't associate with loud and unruly. And they want 2 am on a Thursday - also a work night - way too late</p> <p>The change from music and dancing etc - to OR substantial refreshment is a joke. All is does is take away the music factor. And they want 50% more people in there? Exactly WHAT ARE THEY PLANNING ON DOING? TURNING IT INTO A RAVE?</p> <p>Catering to people who only want to drink is not on. This is still an area where 5000 residents live. We do not need or want another bar - -</p> <p>Nor do we want an extra 50% capacity. I have been told they want to change the dover street side to add tables outside and a separate restaurant /bar. From the incredibly expensive FAILING upmarket nice restaurant and are scrambling to try and justify the huge outlay and very little return. It's not right to alter what was originally acceptable. Downgrading the property and everything around it. Someone needs to start saying no to turning what was a nice area in almost 24 hour party area.</p> <p>I have lived in Dover street since 2010 and on Hay Hill the next street over for the 14 years prior. I also own and operate a company in Mayfair and have since 2001. Please keep me informed as best you can. I am aware of the changes that have been made - some we fought but as always end up losing as who can compete with mega millionaires who can afford to fight and to wait.</p>

Officer notes: 09/06/18 at 20:10 by dstewart

Customer says premises plays loud music - gets worse as night progresses. Agreed to visit around 2300 as requested.

Visited at 23.50. VLM clearly audible from the premises in customers bedroom. Music very bassy in nature and was identical to the music emanating from Bagatelle. Attended Bagatelle and spoke to General Manager - [REDACTED]. Advised of the complaint. Premises is operated by Bagatelle London Dover Street Ltd. Emailed Sharif as follows: Sharif

Please accept this email as confirmation that during my visit at 2350 on 9th June 2018 to a complainant's home, I found the volume of music emanating from Bagatelle (particularly the bass) to be excessive and a statutory nuisance in the customer's home.

I would ask that within 7 days you provide proposals to remedy the situation. You should consider the best practicable means to resolve the problem and provide me with an accurate timescale for the proposed works. If I do not receive your proposals within 7 days from the date of this email (or if your proposals are unsatisfactory), I will serve a noise nuisance abatement notice under Section 80 of the Environmental Protection Act 1990. If however your proposals are satisfactory and meet best

practicable means and the timescale for their implementation is satisfactory, I may elect not to serve an abatement notice.

In any event I would ask that you take immediate steps to control the level of music to prevent nuisance being caused to neighbours.

I await your response.

Regards
