Responsible Authority:	Licensing Authority
Representative:	Karyn Abbott
Received:	19 June 2019

Dear Sirs

I write in relation to the application submitted for a new premises licence for Basement & Ground Floor, 47 Greek Street, London.

As a responsible authority under section 13 (4) of the Licensing Act 2003 as amended under the Police and Social Responsibility Act 2011, the Licensing Authority have considered your application in full. The Licensing Authority has concerns in relation to this application and how the premises would promote the four Licensing Objectives:

- Public Nuisance
- Prevention of Crime & Disorder
- Public Safety
- Protection of children from harm

The application seeks the following:

- **Recorded Music – Indoors**

Monday to Sunday 12:00 to 23:30

- **Supply of Alcohol On Premises**

Monday to Sunday 12:00 to 23:30

- **Opening Hours to Public**

Monday to Sunday 12:00 to 23:30

The premises is located within the West End Cumulative Impact Area and as such various policy points must be considered, namely CIP1, HRS1, PB2 and RNT2 (if certain proposals are agreed).

At present, the operating hours applied for licensable activities currently fall outside of Westminster's core hours. For premises for the supply of alcohol for consumption on the premises, we request that the applicant reduce the terminal hour on Sunday's to be in line with Westminster's Core hours;

- Supply of Alcohol On Premises

Sunday 12:00 to 22:30

In your operating schedule you have stated that you intend to allow a 60 minute drinking up time after the end of the sale of alcohol. Please could you advise me of how you intend this to work when the opening times of the premises are exactly the same as the hours for licensable activities.

The current hours of operation do not include the provision for Late Night Refreshment which permits hot food and drink after 23:00. Could you therefore clarify whether you intend to operate the premises by selling alcohol with no hot food or hot drink after 23:00. Please note that if you were to add late night refreshment a new application would have to be submitted. Alternatively you could reduce the hours for licensable activities to 23:00.

You have described the operation of the premises as a café in your application, however you applied for the Sale of Retail of Alcohol on the premises with no ancillary nature to the way in which alcohol is served at the premises. As such the application must be considered under the Council's Policy PB2 which states that it is the Licensing Authority's policy to refuse applications in the Cumulative Impact Areas other than applications to vary hours within the Core Hours under Policy HRS1.

Paragraph 2.5.23 of the Council's Statement of Licensing Policy states that it is of particular concern in Cumulative Impact Area where there had been a growth in the number of premises that primarily serve alcohol, resulting in or adding to cumulative impact. On the basis, the Licensing Authority considers that the grant of variations or new licences for pubs and bars in the cumulative impact area should be limited to exceptional circumstances.

Your operating schedule does not provide any specific restrictions to the way in which alcohol is sold or consumed at the premises. The Licensing Authority would encourage the applicant to provide information as to the proposed operation specifically with how the alcohol will be served (i.e. by waiter/waitress service) on the premises.

To mitigate some of the concerns raised in this representation you are encouraged to add the following Model Conditions which will go some way to help to reduce the impact in the cumulative impact area.

MC 38 – The supply of alcohol at the premises shall only be to a person seated taking a table meal there and for consumption by such a person as ancillary to their meal.

MC 39 - The supply of alcohol shall be by waiter or waitress service only.

MC 66 - The premises shall only operate as a restaurant

- (i) in which customers are shown to their table,
- (ii) where the supply of alcohol is by waiter or waitress service only,
- (iii) which provide food in the form of substantial table meals that are prepared on the premises and are served and consumed at the table using non disposable crockery,
- (iv) which do not provide any take away service of food or drink for immediate consumption,
- (v) which do not provide any take away service of food or drink after 23.00, and
- (vi) where alcohol shall not be sold or supplied, otherwise than for consumption by persons who are seated in the premises and bona fide taking substantial table meals there, and provided always that the consumption of alcohol by such persons is ancillary to taking such meals.

Notwithstanding this condition customers are permitted to take from the premises part consumed and resealed bottles of wine supplied ancillary to their meal.

MC 86- The licensable activities authorised by this licence and provided at the premises shall be ancillary to the main function of Y&s Foods Ltd (Gaza Café), Basement and Ground Floor, 47 Greek Street, London, W1D 4EE as a Café.

For clarity the Licensing Authority would like confirmation whether you would like to reduce the hours of operation for licensable activities to 23:00 or whether you would like to add late night refreshment by submitting a new application.

If you were to agree the conditions and the proposals above your application would fall more in line with the Councils restaurant policy RNT2 rather than the bar policy PB2.

I look forward to receiving your submissions.

Please accept this as a formal representation.

Further correspondence with the Licensing Authority following a site visit on 27 June 2019

Thank you for meeting Angela and myself on Tuesday. After viewing the premises and discussing the proposed operation of the premises, the Licensing Authority are of the understanding that the premises will operate as a Café style operation, rather than a restaurant. You advised the Licensing Authority that the premises intend to sell alcoholic slushies and bottled beers to be purchased with food. You also advised that there will be no waiter/waitress service, but that alcohol will only be consumed in a seated capacity.

Considering all the points discussed at the site visit, the Licensing Authority are satisfied that policies PB2 and RNT2 are no longer relevant to the application.

As your premises will be operating as a Café, paragraph 2.4.17 of the Council's Statement of Licensing Policy 2016 states that "the council receives applications for a range of premises wishing to sell alcohol which are neither pub, bars or restaurants. These premises may be cafes with a significant food offer but without a requirement that alcohol is ancillary to food."

Paragraph 2.4.18 of the policy also states that "Café premises are subject to other policies and must demonstrate that they will not add to cumulative impact in the cumulative impact area".

At the site visit it was also discussed that the operation of the premises would mean that the applicant would not be able to comply with the provisions of model condition 66 (the Council's full restaurant condition) as there is no intention to show customers to their tables and there will be no waiter/waitress service.

As a result, the Licensing Authority would like to encourage the applicant to consider the below model condition as an alternative to MC66:

MC 38 – The supply of alcohol at the premises shall only be to a person seated taking a table meal there and for consumption by such a person as ancillary to their meal.

As discussed it would be beneficial if the terminal hour be reduced to 20:00hrs as you are currently operating as Cafe. As stated above the premises must demonstrate it will not add to cumulative impact in the cumulative impact area. The Licensing Authority encourage this reduction in the terminal hour, which will bring your application in line with paragraph 2.4.21 of the policy which states;

The council therefore considers that where applications for licenses to sell alcohol for consumption on the premises are made and (i) are appropriately conditioned so that the consumption of alcohol is not, and cannot become, a significant part of the operation of the premises and is regulated to promote responsible drinking; (ii) where the character of the premises is such that its customers are not likely to be involved in sustained or heavy drinking at later hours; and (iii) when the sale of alcohol is not permitted beyond 20.00 hours; then permitting the sale of alcohol for consumption on the premises is unlikely to add to cumulative impact in the cumulative impact area.

- **Recorded Music – Indoors – Non-Regulated**
Monday to Sunday 12:00 to 20:00
- **Supply of Alcohol On Premises**
Monday to Sunday 12:00 to 20:00
- **Opening Hours to Public**
Monday to Sunday 12:00 to 20:00

As mentioned at our meeting the Licensing Authority endeavour to support local businesses and encourage the below model condition be considered so the operating of your premises is bespoke to your business model.

MC 86- The licensable activities authorised by this licence and provided at the premises shall be ancillary to the main function of Y&s Foods Ltd (Gaza Café), Basement and Ground Floor, [47 Greek Street, London, W1D 4EE](#) as a Café/Restaurant.

As previously stated, the Licensing Authority are content that this application does not fall under policies RNT2 and PB2. However, there are still the various policy considerations mentioned previously in paragraphs 2.4.17-2.4.18 and policy CIP1 which requires the applicant to demonstrate that they will not add to cumulative impact in the cumulative impact area.

Please discuss this further with your manager and advise on how you will be going forward.
