1. Application

1-A Applicant and premises			
Application Type:	New Premises Licence, Licensing Act 2003		
Application received date:	26 June 2019		
Applicant:	United Restaurant Group Limited		
Premises:	United Chip		
Premises address:	19A Rupert Street London W1D 6DF	Ward:	St James's
		Cumulative Impact Area:	West End
Premises description:	According to the application form the premises will trade as a fish and chip restaurant.		
Premises licence history:	The premises have previously held a premises licence, licence number 16/08280/LIPDPS. A copy of this licence appears at appendix 2		
Applicant submissions:	<p>United Restaurant Group are excited to be bringing their United Chip concept to the very heart of London.</p> <p>At United Chip, they believe fish and chips too often just simply isn't good enough; greasy fish, soggy chips and poorly prepared sides. They have put the passion back in to this great institution and are proud to stay true to the roots of the chippy, nothing fancy here (apart from, perhaps, the soft-shell crab burger), its good honest, good-value food.</p> <p>The fish is sustainably line caught and delivered to the restaurant fresh, coated in flour & our secret recipe 40ft beer batter, before frying it in sunflower oil; a healthy neutral oil that lets the batter do the talking, and gives a good clean taste.</p> <p>A premises licence is being sought to allow the premise to sell alcohol to compliment this traditional British fare, where the consumption is on the premises.</p> <p>Located on the ground floor opening up onto Rupert Street, the unit in Trocadero has previously benefitted from a Premises Licence (formerly a Yo-Sushi restaurant) and as such this application is seeking to replicate / replace that licence.</p> <p>Waste disposal falls under the governance of the building owners and the premises licence holder will operate within these existing established management systems.</p> <p>This application seeks to fall within the core hours for Westminster which are slightly less than the hours of the former/existing Premises Licence.</p> <p>A strong set of conditions is offered with this application and while we are aware it falls within the West End CIP area, we do not feel that the granting of this Premises Licence will undermine the Licensing Objectives; were the hours applied for and conditions offered to be applied.</p>

2. Representations

2-A Responsible Authorities	
Responsible Authority:	Environmental Health Service
Representative:	Maxwell Owusu Koduah
Received:	17 July 2019

I refer to the application for a new Premises Licence for the above-mentioned premises. These premises is located within the West End Cumulative Impact area. I have considered the information that you have provided within and accompanying this application. I have also considered the application in line with the relevant policies within the Councils Statement of Licensing Policy dated January 2016.

The applicant is seeking the following licensable activities

1. The provision of Late-Night Refreshment "Indoors" at the following times:

Friday to Saturday: 23:00 to 00:00 hours

Bank Holidays – On any day preceding a Bank Holiday the hours for Licensable Activities

at the premises will reflect those for Saturdays.

2. The supply of alcohol for consumption "On" the premises at the following times:

Monday to Thursday: 11:00 to 23:00 hours

Friday to Saturday: 11:00 to 23:30 hours

Sunday: 12:00 to 22:00 hours

Bank Holidays – On any day preceding a Bank Holiday the hours for Licensable Activities at the premises will reflect those for Saturdays

Following consideration of the application and how it may affect the Licensing Objectives meeting the requirements of the Council's Statement of Licensing Policy I wish to make following representation:

1. The provision of late-night refreshment and the hours requested may have the likely effect of increasing Public Nuisance and impact on Public Safety within the West End Cumulative Impact area
2. The hours requested to supply alcohol may have the likely effect of increasing Public Nuisance and impact on Public Safety within the West End Cumulative Impact area

The applicant has provided conditions in support of the application. These are being considered but they do not fully address the concerns of Environmental Health. Additional conditions may be proposed.

It is my view that there is insufficient information to address the concerns of Environmental Health and the granting of this application as presented would have the likely effect of causing an increase in Public Nuisance and may affect Public Safety within the area

The applicant is asked to contact the undersigned to arrange a site visit to assess the premises to ensure the premises is satisfactory and following this, additional conditions may be recommended by Environmental Health to support the licensing objectives Prevention of Public Nuisance and Public Safety

Responsible Authority:	Metropolitan Police Service
Representative:	Adam Deweltz
Received:	15 July 2019 (withdrawn 7 August 2019)

With reference to the above, I am writing to inform you that the Metropolitan Police, as a Responsible Authority, are making a representation against this application.

The venue is situated within the Cumulative Impact Area. It is our belief that if granted the application would undermine the Licensing Objectives in relation to The Prevention of Crime and Disorder.

I have been through the operating schedule and note the conditions contained. I would just like a few conditions tweaked if possible to bring them in line with City of Westminster model conditions.

Your proposed conditions:

Point 4

The premises shall install and maintain a comprehensive CCTV system as per the minimum requirements of the Westminster Police Licensing Team. All entry and exit points will be covered enabling frontal identification of every person entering in any light condition. The CCTV system shall continually record whilst the premises is open for licensable activities and during all

*times when customers remain on the premises. All recordings shall be stored for a minimum period of 31 days with date and time stamping. Viewing of recordings shall be made available immediately upon the request of Police or authorised officer throughout the **entire** 31 day period.*

Point 9

I am content with your Restaurant condition, however, I would like the following point added: *The Premises shall operate as a restaurant which do not provide any take away service of food or drink for **immediate consumption**.*

Customers are still allowed to take food away, but food must be closed up. This prevents people loitering on the street immediately outside the front of the premises eating their food causing a public nuisance.

All other conditions, I am happy with. If these minor points can be agreed to, I will be in a position to withdraw my representation.

Following mediation with the applicant, the Metropolitan Police withdrew their representation on 7th August 2019

Responsible Authority:	Licensing Authority
Representative:	Angela Seaward
Received:	25 July 2019

I write in relation to the application submitted for a new premises licence for United Chip, Unit 34a, The Trocodero, 19A Rupert Street, London, W1D 6DF

As a responsible authority under section 13 (4) of the Licensing Act 2003 as amended under the Police and Social Responsibility Act 2011, the Licensing Authority has considered your application in full. The Licensing Authority has concerns in relation to this application and how the premises would promote the four Licensing Objectives:

- Public Nuisance
- Prevention of Crime & Disorder
- Public Safety
- Protection of Children from harm

The application seeks the following Licensable Activities:

Late Night Refreshment: Friday to Saturday: 23:00 – 00:00

Retail by Sale of Alcohol On the premises:
 Monday to Thursday: 11:00 – 23:00
 Friday to Saturday: 11:00 - 23:30
 Sunday: 12:00 – 22:00

Opening Hours
 Monday to Thursday: 11:00 – 23:30
 Friday to Saturday: 11:00 – 00:00
 Sunday: 12:00 – 22:30

The premises is located within the West End Cumulative Impact Area and as such various policy points must be considered, namely CIP1, HRS1, RNT2

The proposed licensable hours fall within the Westminster’s Core Hours Policy HRS1 for off-

licences as per paragraph 2.5.26

“Core hours are those set out in the policy HRS1 which will generally be granted, subject to not being contrary to other policies in the licensing statement. For off-licences these hours are 08:00 to 23:00 on Monday to Saturday, and 10:00 to 22:30 on Sundays.”

The application proposes to operate as a restaurant and the Licensing Authority acknowledges that the applicant has offered conditions that go some way in mitigating the potential adverse effects on the licensing objectives, under paragraph 2.5.3 For the purposes of this policy a restaurant is therefore defined as premises (i) in which customers are shown to their table, (ii) which provide food in the form of substantial table meals that are prepared on the premises and are served and consumed at the table using non disposable crockery, (iii) which do not provide any take away service of food or drink for immediate consumption, and (iv) where intoxicating liquor shall not be sold, supplied, or consumed on the premises otherwise than to persons who are bona fide taking substantial table meals and provided always that the consumption of intoxicating liquor by such persons is ancillary to taking such meals. The applicant has, in part, offered Westminster’s model condition 66 however in order to be fully compliant under RNT2 the Licensing Authority would proposed the full wording to read as follows;

- *The premises shall only operate as a restaurant (i) in which customers are shown to their table, (ii) where the supply of alcohol is by waiter or waitress service only, (iii) which provide food in the form of substantial table meals that are prepared on the premises and are served and consumed at the table using non disposable crockery, (iv) which do not provide any take away service of food or drink for immediate consumption, (v) which do not provide any take away service of food or drink after 23.00, and (vi) where alcohol shall not be sold or supplied, otherwise than for consumption by persons who are seated in the premises and bona fide taking substantial table meals there, and provided always that the consumption of alcohol by such persons is ancillary to taking such meals.*

Notwithstanding this condition customers are permitted to take from the premises part consumed and resealed bottles of wine supplied ancillary to their meal.

The council is particularly concerned that restaurant premises in the cumulative impact areas do not, event in part, come to operate as bars therefore should this condition not be agreed to the application can only be referred to under PB2 where it is the Licensing Authorities policy to refuse applications in the Cumulative Impact Area.

The premises currently benefits from a separate premises licence under 16/08280/LIPDPS whereby licensable activities fall within Westminster’s core hours policy. This licence has not been proposed to be surrendered as part of this new premises licence application and therefore encourage the applicant to advise if they are in a capacity to do so.

The Licensing Authority looks forward to receiving further submissions from the applicant in due course.

Please accept this as a formal representation.

Dear Angela,

Thank you for your email. Apologies for the delay in getting back to you on this matter; I'm sure you are aware that there was a delay in the application due to a cleaner removing the notice, I wanted to get everything on track before contacting you.

In respect of your point on the Model Condition, we did amend it a little, not in order to operate as a bar, but rather to deal with the issue of take-away food during the day; something the proposed licence should not seek to prevent.

We did have discussions with the police on this issue and came to an agreement which allowed them to withdraw their representation. They also brought up MC66, but agreed following further discussion that our slightly amended version did not significantly impact on the CIP.

As you will be aware we offered:

Restaurant Condition - *The premises shall operate as a restaurant (i) where the supply of alcohol is ordered at the counter and delivered by waiter or waitress service only, (ii) which provide food in the form of substantial table meals that are prepared on the premises and are served and consumed at the table using non disposable crockery, (iii) which do not provide any take away service of food or drink after 23.00, and (iv) where alcohol shall not be sold or supplied, otherwise than for consumption by persons who are seated in the premises and bona fide taking substantial table meals there, and provided always that the consumption of alcohol by such persons is ancillary to taking such meals.*

The only point we removed from MC66 was:

(iv) which do not provide any take away service of food or drink for immediate consumption,

We agreed that the business will discourage this, but that for this type of business it may occasionally occur and we would not wish to put the applicant in a position where they might inadvertently be in breach of their licence.

The two key points here are that without off-sales there will be no consumption of alcohol outside and that during the day the sale of food is not a licensable activity; so there is an argument to be made that the Premises Licence should not concern itself with this matter.

No one is going to be drinking inside and then taking food away for consumption, so we have no cross-over there and the current condition would essentially deal with that point.

The condition we proposed is robust enough to prevent the premises operating as a bar without further variation.

I mention the police simply to provide information, I do understand that you are not bound by their decision and that you make representation based on your own concerns. However I think the discussion is relevant as we are essentially making the same points to you as we did with them.

I would be more than happy to discuss this further with you, if that would be helpful.

I look forward to your comments.
