Paddington Central Customer Dispersal Management Plan

Huckster Bar & Diner

August 2019

1st August 2019

Paddington Central Management Office

Introduction

The purpose of this plan is to formally set out the method to be adopted when managing the dispersal of large numbers of customers from the Huckster Bar & Diner. The below should be considered fluid and as such we, Paddington Central (PC), reserve the right to amend, alter, change at any time.

Overview

- Huckster occupy the Eastern Unit, Ground Floor, 4 Kingdom Street.
- Huckster opening times are Monday to Sunday 08:00 to 23:00.
- Huckster are permitted under their Premises Licence to an extended opening time on New Year's Eve to 03:30hrs New Year's Day.
- Huckster has the right to apply to Westminster for a specified number of temporary event notices (TEN) which allows them to operate from their permitted hours above until a specified time. Huckster are required to engage fully with Paddington Central for all approved licensable activities in order to jointly review this plan for the management of customer dispersal.

Vehicle Management System – Friday to Sunday

The below campus set-up will be deployed Friday to Sunday, however can be deployed on other days as required.

A security officer will man the barrier from 22.00 until dispersal from Huckster has completed. Taxis are informed of the one-way system and that the collection point is to the West side of Pergola at bottom of the public right of way staircase. At no point are vehicles permitted to stop along Kingdom Street or anywhere not designated as part of this plan. No parking and limited waiting time permitted.

At the end of Kingdom Street turn left into the service ramp just before Novotel.

Paddington Central security will manually open the barrier for the duration and lower after closing and the campus is clear of arriving taxis.

Barriers should be placed across the 4KS car park entrance, between Novotel and Pergola at the line of the undercroft area.

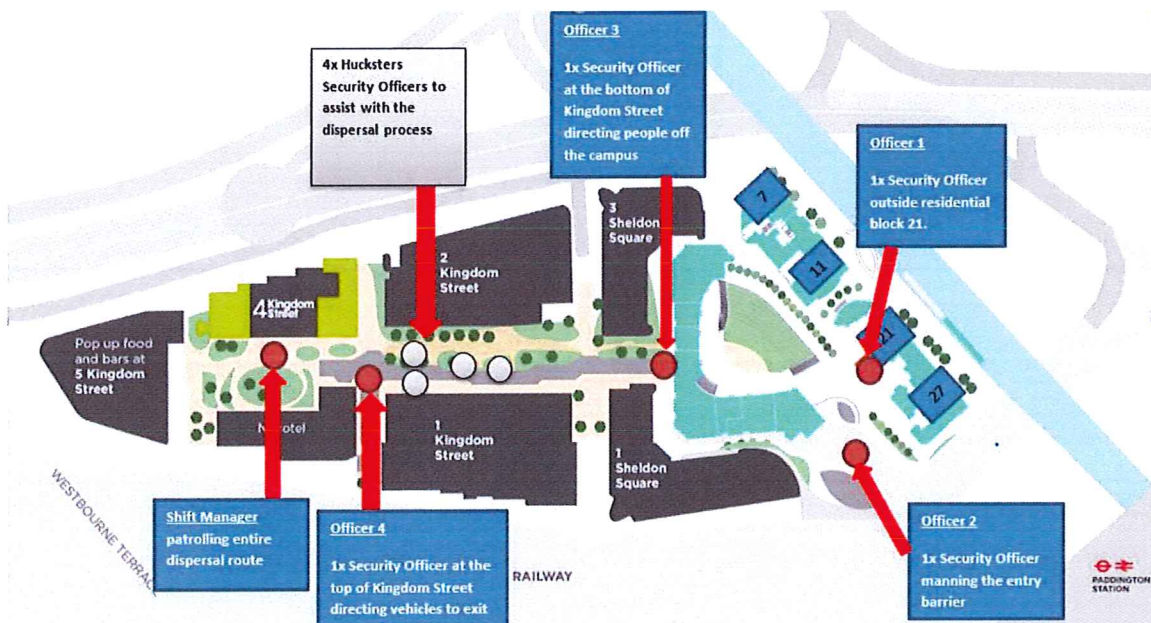

Customer Dispersal, By Foot

Huckster and Paddington Central security must work together to provide a strong guided exit to leaving customers.

4no officers are to be provided by Huckster as agreed and will operate in accordance with PC security instruction to ensure a coordinated approach.

Huckster customers are not to be permitted to gather outside. Removal of drinks from the premises is not permitted and Huckster security will ensure this.

Vehicle Management System – Late Night Event (where a TEN is in place)

Below outlines the customer exit strategy to be employed.

Barriers will be placed across the top of Kingdom Street, not obstructing the entrance to Novotel, with security deployed the length of the exit route which is the public walkway and exiting via the safe pedestrian route towards Westbourne Gardens/Royal Oak.

Customers are to be encouraged to exit quietly and quickly and will not be permitted to remain on campus once the event has ended.

Customer Dispersal, By Foot

Security - General

- CCTV cameras are to be fully utilised for monitoring from main control the entire dispersal route.
- Supported by officers on the ground security should observe closely the behaviours of customers with a view to pre-empting any issues.
- Security personnel are not to place themselves at risk at any time and will call the police to respond to any display(s) of anti-social behaviour.
- Security are to actively monitor for any inappropriate behaviour that might include the misuse of illegal substances, leaving premises with drinks for consumption on campus. Any observations are to be reported to control and escalated through the usual channels for address.
- Security should engage where possible with onsite venue management.
- Communication is enabled via use of a PC issue radio as part of the partnership working to avoid issues.
- Additional to PC security we also employ the services of a general purpose dog and handler.

General

- Huckster will at all times operate to the conditions of their Premises Licence as issued by the City of Westminster. *Attached as Appendix A.*
- Huckster will comply with the terms as set out within their Licence to Use Outside Seating Area. *Attached as Appendix B.*
- Huckster will not deviate from this plan without prior permission from Paddington Central.
- It has been agreed that Paddington Central will be notified of all events taking place within their premises, events defined as a promoted event designed to draw in high numbers of customers and therefore will require security planning for the management off campus, such as implementation of this plan.

Environmental Health object to this TEN as it is likely to undermine the licensing objective of Prevention of Public Nuisance.

The premises were recently served a S.80 Notice under the Environmental Protection Act 1993 as a result of causing nuisance.

Insufficient undertakings have been offered with the TEN to prevent this from recurring.

Concern is also raised on Public Safety grounds as the Premises Licence, 18/00027/LIPN, quoted in the TEN still has the following works condition:

No licensable activities shall take place at the premises until the premises has been assessed as satisfactory by the Environmental Health Consultation Team at which time this condition shall be removed from the Licence by the licensing authority.

APPENDIX D

ADDITIONAL INFORMATION FOR TEMPORARY EVENT NOTICES

1. TEMPORARY EVENT NOTICE PROCEDURE

- 1.1 Under s.100 (1) of the Licensing Act 2003 certain temporary events, which include licensable activities, are permitted under the Act if they are notified to the Council and the Police/Environmental Health by giving a 'Temporary Event Notice'. The notice must be given by the 'premises user' (usually the event organiser responsible for all aspects of the event).
- 1.2 Permitted temporary events are events that take place in any premises, open space or temporary structure. The event must consist of one or more licensable activities; and the premises must be used over a period of no longer than 168 hours, with no more than 499 people in attendance.
- 1.3 Licensable activities include the sale by retail of alcohol; the provision of regulated entertainment and the provision of late night refreshment (hot food or drink supplied between 11pm and 5am).
- 1.4 The premises user must send two copies of the temporary event notice to the Council, one copy to the environmental health department and one copy to the police leaving at least 10 clear working days before the event is due to begin. The Council must acknowledge receipt of the temporary event notice by the next working day.

2. NOTICE OF OBJECTION BY POLICE/ENVIRONMENTAL HEALTH

- 2.1 If the Police/ Environmental Health are satisfied that the event would undermine one or more of the licensing objectives, they must give a notice of objection stating their reasons as to why an objective would be undermined to the Council and premises user within 3 working days of receipt of the notice.

3. HEARING PROCEDURE FOLLOWING NOTICE OF OBJECTION BY POLICE/ENVIRONMENTAL HEALTH

- 3.1 The Sub-Committee is being asked to consider the notice of objection and hear any oral evidence given by or on behalf of the premises user and the Police/Environmental Health.
- 3.2 The Sub-Committee must consider whether to give a counter notice to the temporary event notice given by the premises user if it considers it necessary for the promotion of the licensing objectives.
- 3.3 The Council must convene a hearing to consider the notice of objection and give at least two day's notice to the premises user and the police.
- 3.4 The Sub-Committee must either reject the notice of objection to allow the event to take place, or issue a counter notice to prevent the event from taking place, or where or, after hearing the objections, allow the notice but attach relevant conditions from the premises licence. Please note not all premises will hold a premises licence.

- 3.5 The Council must, where it decides not to give a counter notice, give the premises user and the Police/Environmental Health a notice of the decision at least 24 hours before the beginning of the event period specified in the temporary event notice.
- 3.6 Where the Council decides to give a counter notice, it must give the premises user the counter notice and the reasons for its decision; and a copy of the counter notice and the reason for its decision to the police, at least 24 hours before the beginning of the event period specified in the temporary event notice.

4. APPEAL

- 4.1 Schedule 5, Part 3 of the Licensing Act 2003 provides a right of appeal to the premises user against the giving of a counter notice, and a right of appeal to the chief officer of Police/Environmental Health where the Council decides not to give a counter notice. Such an appeal must be commenced within 21 days beginning with the day on which the appellant was notified by the Licensing Authority of the decision appealed against.
- 4.2 No appeal may be brought later than five working days before the day on which the event period specified in the temporary event notice begins.

5. POLICY CONSIDERATIONS

- 5.1 The Westminster Statement of Licensing Policy for applications relating to premises and personal licences and temporary event notices made under the Licensing Act 2003 was determined for a three-year period commencing 7 January 2011. This contains no specific policy for Temporary Event Notices but urges longer periods of notice to be given for events which involve the use of the streets or necessitate the special management of traffic and services.
