REFERENCE 19/040777/EHCT

BEING DEALT WITH BY Anil Drayan

TELEPHONE EXT. 1774

DATE 25 October 2019

THE CAVENDISH, 35 NEW CAVENDISH STREET, LONDON, W1G 9TR

I refer to the application for variation of the Premises Licence, 19/05531/LIPCHT, for the above premises.

Further to the Environmental Health memo dated 22 August 2019.

A premises history check of Environmental Health records shows one nuisance complaint entry in the last 2 years:

Date and time: Wednesday 27.06.2018, 21:06 hours

Nature of complaint: *Caller reporting loud noise coming from outside The Cavendish bar which he thinks has now been turned into a sports bar, the noise is loud screaming and lots of people, he describes this as being located on the corner of New Cavendish Street. 2nd caller also makes same complaint.*

Action by Noise Team:

- Visited 27.06.2018, 21:54 - Witnessed 60 people outside the Pub and noise.
- Visited 28.06.2018, 21:24 - Same again tonight. Referred to Licensing

I also made a walk-by visit to the area one morning at about 10am and this showed rubbish from the premises placed out for collection on the pavement. It was unclear how long it had been there but its location contributed to the narrowing of the path for pedestrians.

Environmental Health and the applicant have therefore agreed the following additional conditions:

- 1. There shall be no sales of alcohol for consumption off the premises before 10:00 Monday to Saturday and 12:00 on Sunday's.**
- 2. All waste shall be properly presented and placed out for collection no earlier than 30 minutes before the scheduled collection times**

3. *The premises licence holder shall ensure that any patrons drinking and/or smoking outside the premises do so in an orderly manner and are supervised by staff so as to ensure that there is no public nuisance or obstruction of the public highway.*

FOR INFORMATION - Note the Council's waste collection times for the street are:

- Monday to Sunday : 07:00 - 09:00 and 19:00 - 21:00

Although conditions have been agreed with the applicant Environmental Health will first want to be party to any discussions held at LSC before deciding if representations should be withdrawn.
