2. Representations

2-A Responsible Authorities	
Responsible Authority:	Licensing Authority
Representative:	Angela Seaward
Received:	25 June 2020
<p>I write in relation to the application submitted for a new premises licence for 58 St Martin's Lane, London, WC2N 4EA</p> <p>As a responsible authority under section 13 (4) of the Licensing Act 2003 as amended under the Police and Social Responsibility Act 2011, the Licensing Authority have considered your application in full. The Licensing Authority has concerns in relation to this application and how the premises would promote the four Licensing Objectives:</p> <ul style="list-style-type: none">• Public Nuisance• Prevention of Crime & Disorder• Public Safety• Protection of children from harm <p>The application seeks the following:</p> <ul style="list-style-type: none">• Films & Recorded Music Monday to Saturday 10:00 to 01:00 Sunday 12:00 to 00:00• Late Night Refreshment Monday to Saturday 23:00 to 01:00 Sunday 23:00 to 00:00• Supply of Alcohol On Premises Monday to Saturday 10:00 to 01:00 Sunday 12:00 to 00:00• Opening Hours to Public Monday to Saturday 10:00 to 01:30 Sunday 12:00 to 00:30 <p>The premises is located within the West End Cumulative Impact Area and as such various policy points must be considered, namely CIP1, HRS1 and PB2.</p> <p>At present, the operating hours applied for licensable activities currently fall outside of Westminster's core hours. Paragraph 2.3.2 states that Policy HRS1 is not a policy to refuse applications for hours longer than the core hours and consideration will in all cases be given to the individual merits of an application. Where a proposal is made to operate outside these core hours each application will be considered on its merits against the criteria as set out in paragraph (ii) that applications for hours outside the core hours set out below in this policy will be considered on their merits, subject to other policies stated within the Westminster licensing policy.</p> <p>Supply of Alcohol On the Premises Monday to Thursday 10:00 to 23:30 Friday to Saturday 10:00 to 00:00</p>	

Sunday 12:00 to 22:30

Other Licensable activities

Monday to Thursday 09:00 to 23:30

Friday to Saturday 09:00 to 00:00

Sunday: 09:00 to 22:30

It is the intention to generally grant licences or variations to licences where the hours when customers are permitted to be on the premises are within the 'core hours' as set out in Policy HRS1, therefore the licensing authority would encourage the applicant too consider reducing the licensable activities to be within these hours.

The premises intends to operate as a Lounge wine bar and with no ancillary use so will be considered under policy PB2. It is the Licensing Authority's policy to refuse applications in the Cumulative Impact Areas other than applications to vary hours within the Core Hours under Policy HRS1. Paragraph 2.5.23 advises that the licensing authority considers the grant of variations and new licences for pubs and bars in the cumulative impact area should be limited to exceptional circumstances.

The licensing authority notes the proposed condition 18 which states 'On the first floor, the Service of alcohol shall only be by waiter/waitress service'. paragraph 1.3 advises that the council wishes to discourage drunkenness and to encourage the provision of more seating in premises which serve alcohol for people to sit and enjoy a drink and order food by table service, in place of open bar space which caters for high volume vertical drinking. Therefore the licensing authority encourages the applicant to provide further submissions on how they intend to operate the ground floor and detail how their operation is exception to a policy that is to refuse.

Currently the premises benefits from a premises licence number 19/07667/LIPDPS, the licensing authority encourage the applicant to consider model condition 62, which reads;

- No licensable activities shall take place at the premises until premises licence 19/07667/LIPDPS (or such other number subsequently issued for the premises) has been surrendered [and is incapable of resurrection].

Currently the current premises licence is within Westminster's core hours for the ground floor and therefore the licensing authority encourage the applicant to provide further submission on how the increase to hours will not be contrary to policy.

The Licensing Authority looks forward to receiving further submissions from the applicant in due course and it will be for the Licensing Sub-Committee to determine whether the applicant has demonstrated any exceptional circumstances that would allow to depart from policy.

Please accept this as a formal representation.

Following consideration of the application and how it may affect the Licensing Objectives and meeting the requirements of the Council’s Statement of Licensing Policy I wish to make the following representation:

The hours requested to exhibit films may have the likely effect of causing an increase in Public Nuisance within the West End Cumulative Impact area

The hours requested to play recorded music may cause an increase in Public Nuisance within the West End Cumulative Impact area

The provision of late-night refreshment and the hours requested may have the likely effect of causing an increase in Public Nuisance may affect Public Safety within the West End Cumulative Impact area

The supply of alcohol and the hours requested to supply alcohol may have the likely effect of causing an increase in Public Nuisance may affect Public Safety within the West End Cumulative Impact area

It is my view that there is insufficient information to address the concerns of Environmental Health and the granting of this application as presented would have the likely effect of causing an increase in Public Nuisance and may affect Public Safety within the area

Applicant is asked to contact the undersigned for further discussion and following this, additional conditions may be recommended by Environmental Health to support the licensing objectives Prevention of Public Nuisance and Public Safety

Please contact me if you wish to discuss this further.

Representative:	PC Brian Hunter
Received:	16 June 2020

I am in receipt of the above application and its attached operating schedule of proposed conditions, We the Metropolitan Police as a responsible authority are making a representation against it

The venue is situated within the Cumulative Impact Area. It is our believe that if granted the application would undermine the Licensing Objectives in relation to the prevention of crime and disorder.

The hours requested are outside policy, and some of the conditions proposed are not the model conditions, for clarity I have listed below the conditions we would like placed onto the premises Licence should it be granted, should these be agreed I may be in a position to withdraw my representation.

- The premises shall install and maintain a comprehensive CCTV system as per the minimum requirements of the Westminster Police Licensing Team. All entry and exit points will be covered enabling frontal identification of every person entering in any light condition. The CCTV system shall continually record whilst the premises is open for licensable activities and during all times when customers remain on the premises. All recordings shall be stored for a minimum period of 31 days with date and time stamping. Viewing of recordings shall be made available immediately upon the request of Police or authorised officer throughout the entire 31 day period.
- A staff member from the premises who is conversant with the operation of the CCTV system shall be on the premises at all times when the premises is open. This staff member must be able to provide a Police or authorised council officer copies of recent CCTV images or data with the absolute minimum of delay when requested.
- A Challenge 25 proof of age scheme shall be operated at the premises where the only acceptable forms of identification are recognised photographic identification cards, such as a driving licence, passport or proof of age card with the PASS Hologram.
- An incident log shall be kept at the premises, and made available on request to an authorised officer of the City Council or the Police. It must be completed within 24 hours of the incident and will record the following:
 - (a) all crimes reported to the venue
 - (b) all ejections of patrons
 - (c) any complaints received concerning crime and disorder
 - (d) any incidents of disorder
 - (e) all seizures of drugs or offensive weapons
 - (f) any faults in the CCTV system, searching equipment or scanning equipment
 - (g) any refusal of the sale of alcohol
 - (h) any visit by a relevant authority or emergency service.
- There shall be a minimum of (2) SIA licensed door supervisors after 9pm until 30 mins past close on Thursday, Friday and Saturday. At all other times the management must complete a written risk assessment to be kept at the venue and made available on request of Police or authorised officials from Westminster City Council.
- All staff engaged outside the entrance to the premises, or supervising or controlling queues, shall wear high visibility yellow jackets or vests.

I look forward to your response in due course.

Following agreement of additional conditions, the Metropolitan Police withdrew their representation on 14 July 2020

The [REDACTED] objects to this application as it will add to public nuisance because for the later hours.

This is a new application which would have the effect of extending the licence of these premises so that the sale of alcohol is permitted to 01:00 Monday to Saturday and 00:00 on Sunday with the premises closing 30 minutes later. It also permits recorded music, films and LNR to the same times.

The current licence for the premises allows the sale of alcohol to core hours on the ground floor and basement and 00:00 on the 1st floor except Sundays, which is 23:30.

The existing Licence is a converted pre-LA2003 licence and doesn't include Model Conditions. The applicant has proposed 27 model conditions to be included in the Licence.

The [REDACTED] view that if this licence is granted as applied for then it will add to Public Nuisance and Crime and Disorder both directly and by adding to the issues already present in the Cumulative Impact Special Policy Area.

The Applicant has previously applied for these hours for the 1st floor of the premises only. The [REDACTED] view was that with some additional conditions this would be acceptable as the number of customers is limited and the sale would be by table service to seated customers only with a last entry time of midnight. However the Licensing Committee refused the application. The applicant is now asking that the **whole premises** is able to operate to this time and that whilst they offer a seated customer condition on the 1st floor no such condition is offered in the remainder of the premises.

The ground floor and basement of this premise is a pub operating under a converted pub licence. There is no requirement that customers are seated. The sale of alcohol is for consumption on and off the premises. Alcohol does not need to be ancillary to food and there is no requirement for door supervision other than one proposed to apply only on Thursday to Saturday nights, even though the whole premises is proposed to be able to remain open until 01:30 on all other nights of the week. We do not believe that a pub can be expected to operate until 01:30 without having an impact on residents in the vicinity through the generation of public nuisance.

With regard to the first floor our view is, as before, the extended hours are acceptable with a few additional conditions to those offered in the application:

Last entry to the 1st floor should be 00:00

There should be no external queue for entry after 17:00

For the ground floor our view is that the request to extend the time beyond Core Hours is not acceptable. Whilst we recognise that the applicant is an experienced and well regarded operator of the premises this alone is not sufficient to justify this substantial extension to the hours for the sale of alcohol.

If despite this the Licensing Panel is inclined to grant some or all of the requested additional period for the ground floor and basement we would ask for the following conditions to be included on the Licence.

1. No off-sales are permitted after 23:00
2. After 23:00 customers are only permitted to go outside to smoke and may not take drinks with them.
3. After 23:30 alcohol may only be sold for consumption by seated customers
4. The licence only has effect whilst the premises are trading as "'olde-worlde" style Victorian tavern with welcoming publicans and friendly waiters and waitresses unspoilt by modernity." - *This is description given in the previous application.*

We wish to be clear that our position remains that the extension of hours on the ground floor should be refused. We are offering these additional conditions as a way of mitigating some, but not all, of the impact of any extension of hours on the ground floor, should the panel be minded to grant this.

We hope that this representation is clear and ask that you advise us well in advance of any meeting at which this application will be discussed.

I object to the proposal to extend the opening hours beyond the current permitted hours which conform to the Council's very welcome "core hours" policy. It took a long time to establish that policy which has made a great difference to improve the lives of local residents.

Large number of local residents.

I have been surprised (during the clapping and banging on pans on previous Thursdays to express support and gratitude to NHS workers) by the large number of residents now living in [REDACTED]. [REDACTED] I had not realised just how much residential accommodation there has been developed during recent years. [REDACTED] Charing Cross Mansions stretch through from Charing Cross Road along both sides of Cecil Court (and also along St. Martin's Court in the case of Charing Cross Mansions). Flats face immediately opposite Mr. Fogg's Tavern. There are residents in Goodwin's Court and Talbot House and above the Salisbury public house and above offices on both sides of St. Martin's Lane and in New Row. [REDACTED]

Existing problems tolerable but change would be unacceptable.

Mr.Fogg's Tavern is generally a well-run public house. One incident about a year ago there was a very noisy disco with a DJ who used many vulgar swear words which were audible in my flat. Fortunately this only happened once. However, their smoking policy Condition 19, apparently permits smokers to take their drinks into the street when they leave the premises to smoke. The behaviour of smoker/drinkers can be noisy and boisterous. So long as the present opening hours are maintained I can live with the disturbance knowing it will not last long and I can get some sleep.

Likely early morning disturbance as customers leave the premises.

Condition 19 in the application Dispersal can only control behaviour in the immediate vicinity of

the premises. It cannot control boisterous (and anti-social) behaviour as people walk to all night buses in Charing Cross and to late night tube trains at Leicester Square. The proposed condition on restricting delivery hours is most welcome - if it is enforced.

Any breach of current policy control will have a "domino" effect.

My fear is that if the "core hours" are breached in this application then other licensed premises (of which there are several in St. Martin's Lane and surrounding streets) will make similar applications and it would be commercially unfair to deny them. Allow one extension and the whole "core hours" policy will be finished.

Attempt to compensate for commercial difficulties following pandemic.

I expect that many businesses are in difficulties following the restrictions in trade during the covid-19 virus pandemic. It was inevitable that they would wish to extend their trading hours to compensate for recent loss of profits. I am sympathetic to their problems but the current proposal is not acceptable. A temporary permission for tables and chairs outside the premises might be acceptable but the pavements outside Mr. Fogg's are too narrow and motorised street traffic is busy at all times.

A final plea to maintain the current control.

Balancing the interests of local businesses and local residents is a difficult choice for the licensing authorities. The "core hours" policy was courageous and made a welcome difference. I hope that the present situation will be preserved.

I support extending the hours for Mr. Phoggs Tavern for recorded music and films and the sale of alcohol / refreshments, BUT only until 12 midnight on Sundays through Thursday evenings (1am is okay for Fridays and Saturdays).

St. Martins Lane and New Row have numerous residents [REDACTED]. The noise from people departing the tavern at 1am will impact residents as sounds echo between the tall buildings. As a city dweller, we expect a degree of noise but would like to limit this during the week where people have to work the next day.

3. Policy & Guidance

The following policies within the City Of Westminster Statement of Licensing Policy apply:

Policy HRS1 applies	<p>(i) Applications for hours within the core hours set out below in this policy will generally be granted, subject to not being contrary to other policies in the Statement of Licensing Policy.</p> <p>(ii) Applications for hours outside the core hours set out below in this policy will be considered on their merits, subject to other relevant policies.</p> <p>For premises for the supply of alcohol for consumption on the premises: Monday to Thursday: 10:00 to 23:30 Friday and Saturday: 10:00 to midnight Sundays immediately prior to Bank Holidays: Midday to midnight Other Sundays: Midday to 22:30</p> <p>For premises for the supply of alcohol for consumption off the premises: Monday to Saturday: 08:00 to 23:00 Sundays: 10:00 to 22:30</p> <p>For premises for the provision of other licensable activities: Monday to Thursday: 09:00 to 23.30 Friday and Saturday: 09:00 to midnight Sundays immediately prior to Bank Holidays: 09:00 to midnight Other Sundays: 09:00 to 22:30</p>
Policy PB2 applies	<p>It is the Licensing Authority's policy to refuse applications in the Cumulative Impact Areas other than applications to vary hours within the Core Hours under Policy HRS1.</p>

DISPERSAL POLICY

This Dispersal Policy has been implemented to assist in the promotion of the four licensing objectives, in particular crime and disorder, public nuisance and public safety. This document is subject to change from time to time as it is a working best practices document that may change through discussions with interested parties and more specifically with our neighbours.

1. Management are aware of the potential for neighbourhood noise and disturbance at the time that customers leave at closing time. Management have agreed to implement a written dispersal policy to move customers from the premises and the immediate vicinity in such a way so as to cause minimum disturbance or nuisance to neighbours. Every effort will be made to minimise any potential nuisance and it will be the responsibility of all members of staff to support this policy.

Winding-down Period

2. Management have put into place an effective "wind-down" procedure in order to facilitate prompt closure of the premises and orderly dispersal pattern by customers.
3. At closing additional staff are directed to work in the customer areas near the front entrance. Customers are informed that the premises are about to close and are directed towards the nearest exit.
4. Given the style of the business there is a gradual departure of customers and the premises are frequently not at capacity at closing time.
5. Internal lighting levels will be increased during the last 30 minutes of trading.
6. The winding down period outlined above ensures that customers disperse gradually prior to cessation of trade.
7. We are proud of our building and the area we work in. We will endeavour to keep the area clean and attractive for our patrons and our neighbours. This means dealing with debris outside our frontage that may have nothing to do with us but in the interests of maintaining good standards in the area we will still clear it up.

Door Supervisors

8. When applicable, door supervisors shall be maintained until the premises are

closed and shall be in position early enough in the evening to ensure that procedures for promoting public safety and preventing public nuisance are effective

9. Mr Fogg's Taverns registered Butlers who are SIA registered are to assist in the dispersal of customers.
10. Mr Fogg's Butlers are trained to know:-
 - (a) where the nearest mode of public transport is
 - (b) details of taxis and a number is available at the reception
 - (c) general local knowledge so that if customers decide to move on the door staff can help them with directions.
11. Mr Fogg's Butlers are assigned key roles and these are split between supervising the dispersal and general control of the vicinity.
12. They are easily identifiable in striking uniforms and before each night there will be a team briefing to allocate the roles.
13. There is an end of night team meeting to discuss any ways that the premises may improve the dispersal of patrons and any actions points are added into each supervisors job cards.
14. They will be trained to direct customers on departure to transport links away from local residents.

Notices

15. Notices shall be displayed at customer exits and in prominent positions requesting that patrons respect the needs of local residents and leave the premises and area quietly.
16. All employees are given appropriate instructions and training to encourage customers to leave the premises and the area quietly.

Incident Reports

17. All incidents of crime or disorder or nuisance are to be reported by the designated premises supervisor or responsible member of staff.
18. The licence holder shall ensure that the details of all complaints are recorded in an occurrence book.
19. When required, Mr Fogg's staff shall be in place at the exits to wish customers farewell and ask them to leave quietly and shall answer any questions regarding transport availability.
20. Mr Fogg's do not tolerate departing customers congregating outside of the premises.

21. Mr Fogg's Butlers should at all times be aware of activity outside of the premises and endeavour by their presence to minimise bad behaviour. They should be aware of potential areas of difficulty (nearby residences) and provide a presence in those places to minimise potential problems.

22. Whilst carrying out their legitimate duties outside of the premises all staff are trained not to behave in a manner likely to disturb the neighbourhood, conversation and laughter must be quiet and any communication is usually digital through an earpiece

OUTDOOR MANAGEMENT AND SMOKING POLICY

This smoking policy has been created to assist in promoting the four licensing objectives. This smoking policy can be changed from time to time following best practice improvements and any recommendations that are approved by Mr Fogg's Tavern. All members of staff must make sure that they are familiar with the terms of this policy.

1. Smoking is not permitted within any part of Mr Fogg's Tavern.
2. Customers who are from within the premises and wish to smoke should be directed to the agreed designated smoking area. This area is to be known as the designated smoking area for the premises.
3. The door attendant(s)/door supervisor(s) or daytime staff on duty shall be in charge of monitoring the designated smoking area and any external area in general.
4. After 11pm, If the designated area is full, a member of staff should ask the customer to wait within the premises until a space becomes available.
5. The smoking area should be cleaned regularly, and ashtrays emptied.
6. Customers should be reminded to respect our neighbours and to keep conversations to a minimum.
7. The door attendant(s)/door supervisor(s) on duty shall keep a log of any person causing any disturbance or nuisance whether or not that person is a customer.
8. The door attendant(s)/door supervisor(s) on duty shall assist in trying to keep any noise disturbances/incidents from the designated smoking area as well as in the immediate vicinity of the premises to a minimum.
