Good Evening

In preparation for the Committee hearing on the 10<sup>th</sup> September 2020, the Metropolitan Police have been in a position to further examine the evidence relating to our representation under the Crime & Disorder objective and core hours policy.

In doing so, we have found that although there has been an association of crime with the venue, and its locality, on each of the occasions we have investigated there is no real culpability of the venue.

It is further noted that this application has been objected to by the Local Authority under core hours policy. We are fully supportive of this being brought before committee for determination. However as this is already in motion feel there is no requirement to duplicate Westminster City Councils Objection.

As such We the Metropolitan Police Withdraw our representation.

Best Regards
