2. Representations

2-A Responsible Authorities	
Responsible Authority:	Licensing Authority
Representative:	Karyn Abbott
Received:	10 August 2020

I write in relation to the application submitted for a variation of the premises licence for Units G2 and 1.4 to 1.6, Kingly Court, London, W1B 5PW

As a responsible authority under section 13 (4) of the Licensing Act 2003 as amended under the Police and Social Responsibility Act 2011, the Licensing Authority have considered your application in full. The Licensing Authority has concerns in relation to this application and how the premises would promote the four Licensing Objectives:

- Public Nuisance
- Prevention of Crime & Disorder
- Public Safety
- Protection of children from harm

The application seeks the following variations:

Suspend restaurant conditions during Covid period as defined in Business and Planning Act 2020 while continuing to promote the licensing objectives. Add new condition to the premises licence as follows “Condition 19 to be suspended until 31 September 2021 save that substantial food shall be available throughout the premises at all times.”

Condition 19. The premises (including the external seating area) shall only operate as a restaurant (i) in which customers are shown to their table, (ii) which provide food in the form of substantial table meals that are prepared on the premises and are served and consumed at the table using non disposable crockery, (iii) which do not provide any take away service of food or drink for immediate consumption, and (iv) where intoxicating liquor shall not be sold, supplied, or consumed on the premises otherwise than to persons who are seated in the premises and bona fide taking substantial table meals and provided always that the consumption of intoxicating liquor by such persons is ancillary to taking such meals.

All other conditions to remain so there will be no vertical drinking and all patrons seated and served at tables as at present.

The premises is located within the West End Cumulative Impact Area and as such various policy points must be considered, namely HSR1, CIP1, RNT2 and PB2.

The Licensing Authority has concerns over the proposed suspension of condition 19 as the suspension of this condition means there is no ancillary nature to the Sale of Alcohol which in turn the application would fall into Westminster’s PB2 policy which states paragraph 2.5.23 the Licensing Authority considers that the grant of variations for pubs and bars in the Cumulative Impact Areas should be limited to exceptional circumstances.

Condition 19. The premises (including the external seating area) shall only operate as a restaurant (i) in which customers are shown to their table, (ii) which provide food in the form of substantial table meals that are prepared on the premises and are served and consumed at the table using non disposable crockery, (iii) which do not provide any take away service of food or drink for immediate consumption, and (iv) where intoxicating liquor shall not be sold, supplied,

or consumed on the premises otherwise than to persons who are seated in the premises and bona fide taking substantial table meals and provided always that the consumption of intoxicating liquor by such persons is ancillary to taking such meals.

The Licensing Authority would encourage the applicant to consider model condition 38 and 39 below so the restaurant goes in some way to remain within Westminster's RNT2 policy.

1. Only up until the 30th September 2021, the supply of alcohol at the premises (including the external seating area) shall only be to a person seated taking a table meal there and for consumption by such a person as ancillary to their meal.
2. Only up until the 30th September 2021, the supply of alcohol at the premises (including the external seating area) shall be by waiter or waitress service only.

The Licensing Authority would like confirmation whether the applicant is agreeable to the above proposed conditions to be able to assess any further relevant policy considerations.

The Licensing Authority encourages the applicant to provide further submissions as to how the variation of this licence will not add to cumulative impact in the West End cumulative impact area, in accordance with policy CIP1.

The Licensing Authority looks forward to receiving further submissions from the applicant in due course.

Please accept this as a formal representation.

2-A Responsible Authorities

Responsible Authority:	Metropolitan Police Service
Representative:	Bryan Lewis
Received:	18 August 2020 (withdrawn 25 August 2020)

With reference to the above application, I am writing to inform you that the Metropolitan Police, as a Responsible Authority, is objecting to this application as it is our belief that if granted this application would undermine the Licensing Objectives.

The venue is located in the West End Cumulative Impact Area, a locality where there is traditionally high levels of crime and disorder. We have concerns that this application will cause further policing problems in an already demanding area.

I would like to propose the following condition:

1. There shall be no vertical drinking allowed on the premises.
Permanently amend (12) to current wording
2. The premises shall install and maintain a comprehensive CCTV system as per the minimum requirements of the Westminster Police Licensing Team. All entry and exit points will be covered enabling frontal identification of every person entering in any light condition. The CCTV system shall continually record whilst the premises is open for licensable activities and during all times when customers remain on the premises and will include the external area immediately outside the premises entrance. All recordings shall be stored for a minimum period of 31 days with date and time stamping. Viewing of recordings shall be made available immediately upon the request of Police or authorised officer throughout the entire 31-day period.

Following agreement of the above conditions the Metropolitan Police Service withdrew their representation on 25 August 2020

We write to make a relevant representation to the above application on behalf of [REDACTED]

[REDACTED] objects to this application as it is currently presented, on the grounds of prevention of crime and disorder, prevention of public nuisance, public safety and cumulative impact in the West End Cumulative Impact Area.

Application summary

Premises variation; to vary the existing premises licence,

- Suspend restaurant conditions during the COVID period as defined in the Business and Planning Act 2020 while continuing to promote the licensing objectives.
- A new condition to the premises licence as follows, condition 19 to be suspended until 30 September 2021 save that substantial food shall be available throughout the premises at all times.
- All other conditions to remain so there will be no vertical drinking, and all patrons shall be seated and served at tables as at present.

Current licence

Sale of alcohol: Mon - Thurs: 10:00 - 23:30. Fri - Sat: 10:00 - 00:00. Sun: 12:00 - 22:30

Opening hours: Mon - Thurs: 07:00 - 23:30. Fri - Sat: 07:00 - 00:00. Sun: 07:00 - 22:30

Capacity: 50 outside courtyard, 30 ground floor, 100 1st floor. Total = 180

The application

We object to this application on the following grounds,

- **Removal of restaurant conditions;** the applicant seeks to remove the existing condition 19 whereby the premises including the outdoor seating shall only operate as a restaurant, and the new proposed condition would allow patrons to purchase alcoholic drinks without food thereby creating a new indoor and outdoor bar in the West End Cumulative Impact Area which is contrary to policy as set out in the Statement of Licensing Policy 2016. (See Statement of Licensing Policy below). These are large premises with a capacity of 180, and this application, if successful, would permit the restaurant to transform into a drinking venue.
- **Promoting the Licensing Objectives;** the application aims to suspend the restaurant conditions whilst continuing to promote the licensing objectives. However, the applicant has

failed to provide further details on how these will be promoted in the light of the operation selling more alcohol without the consumption of food.

- **Soho evening and night time economy;** Soho is a small area bordered by Oxford St, Regent Street, Shaftesbury Avenue and Charing Cross Road and it has **39 bars, 46 pubs, 29 clubs and 226 restaurants** all of which are licensed to sell alcohol with terminal hours ranging from 23:00 - 06:00. The area is already saturated with drink led establishments and in our view the creation of a new bar cannot be justified and will add to cumulative impact, crime and disorder and public nuisance.
- **Residents;** already suffer from late night noise, disturbance, anti-social behaviour and high levels of crime and disorder from the existing number of licensed premises in Soho. This application will add to existing disorder and disturbance and fail to promote the Licensing Objectives.
- **Business and Planning Act 2020 - COVID;** we note the application states it is until 30th September 2021 as defined under the Act (off-sales and pavement licences) but this is the latest in a series of applications to increase the alcohol on offer in Soho and we are concerned this trend will continue as a result of the effect of COVID on the hospitality industry. Whilst we acknowledge the difficulties for restaurants, bars, pubs, cinemas and theatres, we also maintain our position that there needs to be a balance between the evening / late night economy and residential amenity. We consider this balance has for some time been in favour of evening / late night premises which in turn has led to a deterioration and reduction in residential amenity.

Statement of Licensing Policy 2016

The application if successful will create a new bar in the West End Cumulative Impact Area which is contrary to the following policies,

a) Policy HRS1 - Hours; applications for hours outside of the core hours set out below in this policy will be considered on their merits, subject to other relevant policies and with particular regard to the following:

b) Policy CIP1 - Special policy on cumulative impact in Cumulative Impact Areas; it is the Licensing Authority's policy to refuse applications in the Cumulative Impact Areas for: pubs and bars, fast food premises, and premises offering facilities for music and dancing; other than applications to vary hours within the Core Hours under Policy HRS1. ***The Licensing Authority considers that the grant of variations or new licences for pubs and bars in the Cumulative Impact Areas should be limited to exceptional circumstances (our emphasis).***

c) Policy PB2 - Pubs and Bars in the Cumulative Impact Areas; it is the Licensing Authority's policy to refuse applications in the Cumulative Impact Areas other than applications to vary hours within the Core Hours under Policy HRS1.

By creating a new bar the applicant needs to demonstrate how they will not add to cumulative impact in the CIA area and present a case for exceptional circumstances. We are in no doubt this application will add to cumulative impact and fail to promote the licensing objectives as described below.

The Licensing Objectives

In relation to the licensing objectives our concerns are as follows.

Prevention of crime and disorder - CD1

Under this Policy the criteria applied is, *'whether the premises make or will make a significant contribution to levels of crime and disorder, and whether the operating schedule is based on an adequate risk assessment, undertaken by the applicant, of the likelihood of crime and disorder occurring as a result of the grant of the application.* Under 'Considerations, (1) the levels of

crime and disorder in and around the venue; and the proposals contained in the operating schedule. Below we highlight the existing high levels of crime and disorder in Soho.

Criminal activity is associated with the evening and night economy, the high number of venues and large number of people on the streets results in high levels of serious crime. In Soho the majority of robberies take place late at night. People are targeted as they leave late night venues which is evidenced by the crime figure. Figures for Soho highlight a huge increase in robberies, * 111 robberies took place within the four-month period from Nov - Feb 2017/18, for the same period in 2018/19 the figure was 266 an increase of 140%. Figures for theft from person occurring throughout the day and night also shows a similar increase 401 for the same period in 2017/18 to 1,028 in 2018/19, a significant increase of 156%. (*Source; Police UK data).

We have provided evidence of the high levels of crime in Soho and believe if the application is granted it will contribute to the existing levels of crime and disorder, and therefore should be refused.

Prevention of public nuisance - Policy PN1

Under this Policy the criteria applied states, *'the potential for nuisance associated with the style, characteristics and activities of the business to be carried on at the premises and the potential steps which could be taken to reduce the risk of a nuisance occurring. This will particularly apply in areas of residential accommodation and where there is residential accommodation in the proximity of the premises.'*

Residents already suffer from anti-social behaviour in the form of street fouling, noise disturbance from patrons leaving premises and the noise from taxis and pedicabs playing loud music at night. The nature and characteristics of a bar is associated with an increase in nuisance, the addition of another bar in the CIA will have a detrimental impact on residential amenity.

Public Safety - PS1

Under this objective the applicant needs to *'... demonstrate that the public will be safe within and in the vicinity of the premises,'* and goes on to state *'Crime, disorder and antisocial behaviour inside and in the vicinity of licensed premises may threaten public safety and affect perceptions of public safety.'* Drunk and highly intoxicated people on the streets late at night are very vulnerable requiring support and to prevent them from becoming victims of crime. To help people who become vulnerable on a night out Westminster City Council with the LGBT foundation has established the Soho Angels. As the Committee will know, these are group of volunteers who work on Friday and Saturday nights between 10pm and 5am helping vulnerable or distressed people on a night out. They work with St. John Ambulance who provide medical assistance at an eight-bedded night hub in St. Anne's Church on Dean Street. In their first year of operation they helped over 1,200 people, with medical assistance being given to 230 cases of which 80 were classed as serious incidents, and 40 crimes were reported. This is further evidence of the impact of the high number of late night uses and large numbers of people out on the streets such that a dedicated team of volunteers is required to help the vulnerable, keeping them safe from harm.

Licensing Policy - Cumulative Impact

This area has been identified by the Westminster City Council (2.4.1 of the Statement of Licensing Policy, as amended) as under stress because the cumulative effect of the concentration of late night and drink led premises and night cafes has led to serious problems of disorder and/or public nuisance affecting residents, visitors and other businesses.

The policies in relation to the stress areas are directed at the global and cumulative effects of licences on the area as a whole (2.4.5 of the policy). The policies are intended to be strict and will only be overridden in genuinely exceptional circumstances (2.4.2 of the policy). The growth in the entertainment industry in Soho has led to a marked deterioration in the quality of life and

well-being of local residents and it has jeopardised the sustainability of the community. Soho has a substantial residential community and many of these residents suffer from problems such as, but not limited to, high levels of noise nuisance, problems with waste, urinating and defecating in the streets, threats to public safety, anti-social behaviour, crime and disorder and the change in character of historic areas.

The application proposes to add an additional bar to the existing 39 other alcohol led uses in Soho, any increase in the number of people on the streets at night will add to cumulative impact in the West End CIA.

Conclusion

In our view there is no exception to policy, we therefore respectfully request this application is rejected.
