### 1. Executive Summary

- 1.1 This report provides an overview of the approach to the development of the Bi-Borough Integrated Care Partnership.

### 2. Key Matters for the Board

- 2.1 The Health and Wellbeing Board are invited to note the update and contribute to the discussion points.

### 3. Background

- 3.1 This report is the follow-up to the new NHS regional structure and briefing on the white paper and local ICP update report to the health and wellbeing board in March 2021.

- 3.2 In accordance with the emphasis in the White Paper on “place”, it is the intention to progress Integrated Care Partnerships (ICPs) across the bi-borough area with local NHS partners, including primary, community (CLCH), mental health (CNWL) and voluntary sector partners.
- 3.3 The ICPs for both boroughs had recommenced their integration efforts with the establishment of a “Leadership Quartet” – which included Local Authority, Primary Care, Community Health and Mental Health.
- 3.4 These developments are bringing together a bi-borough framework and helping to address local needs and development at the Borough and Neighbourhood level.

#### **4. Options / Considerations**

- 4.1 The Health and Wellbeing Board is asked to review the approach taken to date and consider how the bi-borough Integrated Care Partnerships (ICPs) can work together to deliver the national and local health and wellbeing priorities in an innovative and agile manner.

#### **5. Legal Implications**
