## 1. Background Information

- 1.1 Ward budgets were established under the City Council's Neighbourhood Programme agreed by the Cabinet in November 2007.
- 1.2 The programme enables ward members to fund projects in the local area which benefit residents of that area and/or meet local priorities.
- 1.3 £46,000 is provided to each ward in each financial year of a 4-year electoral cycle. Monies not spent in year roll-over to the next until the end of the cycle.
- 1.4 Budget provision for the financial years 2018 to 2022 equates to £184,000 per ward
- 1.5 All decisions on projects to be funded are made by the ward members from the wards concerned, to support their local priorities.

## 2. Proposed Projects

- 2.1 £14,000.00 will enable One Westminster to support residents of Harrow Road and Maida Vale affected by recent flooding. The organisation has launched a fundraising appeal as many residents in these wards are not insured due to living in poverty or on very low incomes. The funding will be used to contribute to running an emergency response grant scheme to which residents can apply for support. Approximately 130 Maida Vale and 70 Harrow Road households will benefit from this support.

Grants will be capped at £200 per home and anyone seeking funding will have to prove they are a Westminster resident in an affected area, and evidence that they have lost items and suffered damage not covered by insurance. One Westminster hope to help up to 200 Westminster residents affected by the floods:

130 Households Maida Vale  
70 Households Harrow Road
