<p>I object to the extending of the license/opening time by an extra 30 minutes as since opening there is so much more increased congestion and noise [REDACTED] [REDACTED] And the extra time given for the consumption of alcohol on the premises will just create more nuisance to myself and the other residents [REDACTED] and surrounding area.</p> <p>It is always a relief when they close at their current time of 10.30pm Mon-Sunday and the outside noise level drops dramatically [REDACTED] [REDACTED]</p> <p>Therefore I object strongly to an extension of yet another 30 minutes to an already available long hours of opening.</p> <p>From Friday-Sunday the noise level with their outside seating at present is extremely disturbing when it gets later and people get louder and that's before they are then aloud due the the easing of the COVID-19 restrictions to have customers sitting inside drinking longer than is currently aloud on their present license. An extra half hour onto the license would just amplify the situation in my opinion.</p>

<p>I'm concerned by this application for extension on two levels. Firstly, the extension will result in people leaving the premises later and so causing noise disturbance later (I am not interested in hearing any arguments about the business countering this with signage asking patrons to consider neighbours, as this is weak mitigation for patrons who may have been drinking until midnight). Secondly, on principle, I believe residents should be protected from licensing creep by a standard refusal to accept half hour extension requests that come within two years of an earlier submission for trading conditions. Don't allow applications that disingenuously submit reasonable hours that are easily passed which are simply a mechanism for extending by increments that relies on local residents not having the awareness or ability to object to these increases by stealth.</p> <p>Additionally, as a vegetarian, I object to the powerful fried chicken smell that comes from this establishment. I accept the right to trade of the business but would like to limit their hours so that I may open my windows in summer for as much as I am currently able to.</p> <p><b>Following the withdrawal of the extension of hours for Late Night refreshment and the opening hours, the interested party withdrew their representation on 01 August 2021.</b></p>

<p>The premises already generate too much noise because they don't control the people gathering on the door consuming the food as take away. Extending the opening hours until 00:30 would utterly disturb the rest of the neighbours</p>			

### 3. Policy & Guidance

The following policies within the City Of Westminster Statement of Licensing Policy apply:	
<b>Policy CIP1 applies</b>	<p>A. It is the Licensing Authority's policy to refuse applications within the West End Cumulative Impact Zone for: pubs and bars, fast food premises, and music and dancing and similar entertainment, other than applications to:</p> <ol style="list-style-type: none"> <li>1. Vary the hours within Core Hours under Policy HRS1, and/or</li> <li>2. Vary the licence to reduce the overall capacity of the premises.</li> </ol> <p>C. Applications for other premises types within the West End Cumulative Impact Zones will be subject to other policies within this statement and must demonstrate that they will not add to cumulative impact.</p> <p>D. For the purposes of this policy the premises types referred to in Clause A are defined within the relevant premises use policies within this statement.</p>
<b>Policy HRS1 applies</b>	<p>A. Applications within the core hours set out below in this policy will generally be granted for the relevant premises uses, subject to not being contrary to other policies in the Statement of Licensing Policy.</p> <p>B. Applications for hours outside the core hours set out in Clause C will be considered on their merits, subject to other relevant policies, and with particular regard to the following:</p> <ol style="list-style-type: none"> <li>1. The demonstration of compliance in the requirements of policies CD1, PS1, PN1 and CH1 associated with the likelihood of the effect of the grant of a licence for later or earlier hours on crime and disorder, public safety, public nuisance and the protection of children from harm.</li> <li>2. If the application is located within a Special Consideration Zone they have demonstrated that they have taken account of the issues identified in that area and provided adequate mitigation.</li> <li>3. Whether there is residential accommodation in the proximity of the premises that would likely be adversely affected by premises being open or carrying out operations at the hours proposed.</li> <li>4. The proposed hours of the licensable activities and when customers will be permitted to remain on the premises.</li> <li>5. The proposed hours when any music, including incidental music, will be played.</li> <li>6. The hours when customers will be allowed to take food or drink outside the premises or be within open areas which form part of the premises.</li> <li>7. The existing hours of licensable activities and the past operation of the premises (if any) and hours of licensable premises in the vicinity.</li> <li>8. Whether customers and staff have adequate access to public transport when arriving at and leaving the premises, especially at</li> </ol>

	<p>night.</p> <p>9. The capacity of the premises.</p> <p>10. The type of use, recognising that some venues are more likely to impact the licensing objectives than others; for example, pubs and bars are higher risk than theatres, cinemas and other cultural and sporting venues due to the nature of the operation.</p> <p>11. The Licensing Authority will take into account the active measures proposed for a 'winding down' period including arrangements for people to be collected from the premises to travel home safely.</p> <p>12. Conditions on hours may be attached that require that the supply of alcohol for consumption on the premises ceases a suitable period of time before customers are required to leave the premises.</p> <p>13. The council, acting as the Licensing Authority, may reduce hours if, after review, it is necessary to impose conditions specifying shorter hours in order to promote the licensing objectives.</p> <p>14. Specific days for non-standard hours should be identified and justified as part of the application to allow responsible authorities and interested parties to evaluate the impact that these licensable activities may have, and to plan accordingly. The consideration of applications for later hours for Bank Holiday Mondays will take into account that later hours are generally granted for preceding Sundays and that the next day is a working day. Non-specific days are expected to be covered by Temporary Event Notices or variation applications.</p> <p>C. For the purpose of Clauses A and B above, the Core Hours for applications for each premises use type as defined within this policy are:</p> <p>1. <b>Casinos:</b> Up to 24 hours a day whilst casino gaming is permitted by a premises licence under the Gambling Act 2005.</p> <p>2. <b>Cinemas, Cultural Venues and Live Sporting Premises:</b> Monday to Sunday: 9am to 12am</p> <p>3. <b>Hotels:</b> Monday to Thursday: 9am to 11.30pm.
