Dear Mrs Loesch

Thank you for your reply.

The conditions you have suggested below I'm afraid do not directly correspond with the issues that you have raised in your representation.

Whilst our client is unable to agree to your proposed conditions for this reason, please be assured that it is in the process of drawing up a Service Management Plan which will ensure the premises will be operated in a sympathetic manner to the area in which it is located.

If we can address any further queries, please do let us know.

Kind regards

Holly McColgan

Dear Holly McColgan,

Could the following be added to the Conditions:

No movement of goods outside the premises between 9pm and 8am.

No waste & recycling collections between 9pm and 8am, other than WCC services.

Amend Condition 11 to clarify that it applies to noise or vibration made outside the premises as well as coming from inside.

With regards,

Vivienne Loesch
