<p>With reference to the above application, I am writing to inform you that the Metropolitan Police, as a Responsible Authority, are <b>objecting</b> to this application as it is our belief that if granted, the application would undermine the Licensing Objectives.</p> <p>The venue is situated in the West End Cumulative Impact Zone, a locality where there is traditionally high crime and disorder and we have concerns that this application will cause further policing problems in an already demanding area.</p> <p>There is insufficient detail within the operating schedule to promote the Licensing Objectives and it is for the applicant to prove that this application will not add to the cumulative impact problems already experienced in this area.</p> <p><b>Following agreement of additional conditions, the Metropolitan Police withdrew their representation on 22 October 2021</b></p>

<p>Dear Mr Warren Symonds</p> <p>I write in relation to the application (<b>21/07752/LIPN</b>) submitted for a new Premises Licence for:</p>	

## **Gravity House, 65 - 66 Frith Street, London W1D 3JR**

As a responsible authority under section 13 (4) of the Licensing Act 2003 as amended under the Police and Social Responsibility Act 2011 the Licensing Authority have considered your application in full. The Licensing Authority has concerns in relation to this application and how the premises would promote the Licensing Objectives:

- Prevention of Public Nuisance
- Prevention of Crime & Disorder
- Public Safety
- Protection of children from harm

This application seeks to permit the following licensable activities:

1. Supply of alcohol for consumption on the premises:  
Monday – Friday: 14:00 – 23:00 hours

The premises are located within the West End Cumulative Impact Area and as such policy points CIP1, and PB1 must be considered.

### **Cumulative Impact Policy CIP1 states:**

- A. It is the Licensing Authority's policy to refuse applications within the West End Cumulative Impact Zone for: pubs and bars, fast food premises, and music and dancing and similar entertainment, other than applications to:
  1. Vary the hours within Core Hours under Policy HRS1, and/or
  2. Vary the licence to reduce the overall capacity of the premises.
- C. Applications for other premises types within the West End Cumulative Impact Zones will be subject to other policies within this statement and must demonstrate that they will not add to cumulative impact.
- D. For the purposes of this policy the premises types referred to in Clause A are defined within the relevant premises use policies within this statement.

### **Public Houses and Bars Policy PB1 states:**

- B. It is the Licensing Authority's policy to refuse applications within the West End Cumulative Impact Zone other than:
  1. Applications to vary the existing licence hours within the council's Core Hours Policy HRS1.
  2. Applications that seek to vary the existing licence so as to reduce the overall capacity of the premises.

D. For the purposes of this policy a Public House or Bar is defined as a premises, or part of a premises that's primary use is the sale or supply of alcohol for consumption on those premises and/or for consumption off the premises for consumption outside the venue.

The Licensing Authority note the applicant has stated "This is a private establishment so alcohol will not be sold to the general public. All access to this site will be invite only. The site is manned by security 24/7"

Please clarify how the proposed events will be managed; is the security personnel SIA licenced? and what is the minimum number of security personnel present at all times? What is the capacity of the premises?

Furthermore, there will be a street level bar as stated in the application; the Licensing Authority are concerned that this premises does not become a vertical drinking establishment. Therefore, we propose the following model conditions:

MC86 "The licensable activities authorised by this licence and provided at the premises shall be

ancillary to the main function of the premises as offices”

MC45 “No advertisements of any kind (including placard, poster, sticker, flyer, picture, letter, sign or other mark) that advertises or promotes the establishment, its premises, or any of its events, facilities, goods or services shall be inscribed or affixed upon the surface of the highway, or upon any building, structure, works, street furniture, tree, or any other property, or be distributed to the public”.

The Licensing Authority’s policies, in relation to the Cumulative Impact Areas, are directed at the global and cumulative effects of licences on the area as a whole. The Licensing Authority encourages the applicant to provide further submissions as to how the premises will not add to cumulative impact in the Cumulative Impact Zone, as per policy CIP1 and PB1. For ease please find attached a copy of the Council’s Statement of Licensing Policy.

Subject to any further submissions, it will be for Licensing Sub-Committee Members to determine this application, given its location within the West End Cumulative Impact zone and the proposed style of operation.

The Licensing Authority looks forward to receiving further submissions from the applicant in due course.

Please accept this as a formal representation

### 3. Policy & Guidance

The following policies within the City Of Westminster Statement of Licensing Policy apply:

<b>Policy CIP1 applies</b>	<p>A. It is the Licensing Authority’s policy to refuse applications within the West End Cumulative Impact Zone for: pubs and bars, fast food premises, and music and dancing and similar entertainment, other than applications to:</p> <ol style="list-style-type: none"><li>1. Vary the hours within Core Hours under Policy HRS1, and/or</li><li>2. Vary the licence to reduce the overall capacity of the premises.</li></ol> <p>C. Applications for other premises types within the West End Cumulative Impact Zones will be subject to other policies within this statement and must demonstrate that they will not add to cumulative impact.</p> <p>D. For the purposes of this policy the premises types referred to in Clause A are defined within the relevant premises use policies within this statement.</p>
<b>Policy HRS1 applies</b>	<p>A. Applications within the core hours set out below in this policy will generally be granted for the relevant premises uses, subject to not being contrary to other policies in the Statement of Licensing Policy.</p> <p>B. Applications for hours outside the core hours set out in Clause C will be considered on their merits, subject to other relevant policies, and with particular regard to the following:</p> <ol style="list-style-type: none"><li>1. The demonstration of compliance in the requirements of policies CD1, PS1, PN1 and CH1 associated with the likelihood of the effect of the grant of a licence for later or earlier hours on crime and disorder, public safety, public nuisance and the protection of children from harm.</li><li>2. If the application is located within a Special Consideration Zone they have demonstrated that they have taken account of the issues identified in that area and provided adequate mitigation.</li><li>3. Whether there is residential accommodation in the proximity of the premises that would likely be adversely affected by premises</li></ol>

	<p>being open or carrying out operations at the hours proposed.</p> <p>4. The proposed hours of the licensable activities and when customers will be permitted to remain on the premises.</p> <p>5. The proposed hours when any music, including incidental music, will be played.</p> <p>6. The hours when customers will be allowed to take food or drink outside the premises or be within open areas which form part of the premises.</p> <p>7. The existing hours of licensable activities and the past operation of the premises (if any) and hours of licensable premises in the vicinity.</p> <p>8. Whether customers and staff have adequate access to public transport when arriving at and leaving the premises, especially at night.</p> <p>9. The capacity of the premises.</p> <p>10. The type of use, recognising that some venues are more likely to impact the licensing objectives than others; for example, pubs and bars are higher risk than theatres, cinemas and other cultural and sporting venues due to the nature of the operation.</p> <p>11. The Licensing Authority will take into account the active measures proposed for a 'winding down' period including arrangements for people to be collected from the premises to travel home safely.</p> <p>12. Conditions on hours may be attached that require that the supply of alcohol for consumption on the premises ceases a suitable period of time before customers are required to leave the premises.</p> <p>13. The council, acting as the Licensing Authority, may reduce hours if, after review, it is necessary to impose conditions specifying shorter hours in order to promote the licensing objectives.</p> <p>14. Specific days for non-standard hours should be identified and justified as part of the application to allow responsible authorities and interested parties to evaluate the impact that these licensable activities may have, and to plan accordingly. The consideration of applications for later hours for Bank Holiday Mondays will take into account that later hours are generally granted for preceding Sundays and that the next day is a working day. Non-specific days are expected to be covered by Temporary Event Notices or variation applications.</p> <p>C. For the purpose of Clauses A and B above, the Core Hours for applications for each premises use type as defined within this policy are:</p> <p>6. Pubs and bars, Fast Food and Music and Dance venues Monday to Thursday: 10am to 11.30pm.  Friday and Saturday: 10am to Midnight.  Sunday: Midday to 10.30pm.  Sundays immediately prior to a bank holiday: Midday to Midnight.</p>
<p><b>Policy PB1(B) applies</b></p>	<p>B. It is the Licensing Authority's policy to refuse applications within the West End Cumulative Impact Zone other than:</p> <p>1. Applications to vary the existing licence hours within the council's Core Hours Policy HRS1.</p> <p>2. Applications that seek to vary the existing licence so as to reduce the overall capacity of the premises.</p> <p>C. The applications referred to in Clause B1 and B2 will generally be granted subject to:</p> <p>1. The application meeting the requirements of policies CD1, PS1, PN1 and CH1, and/or,</p> <p>2. The operation of any delivery services for alcohol and/or late night</p>

	<p>refreshment meeting the council's Ancillary Delivery of Alcohol and/or Late-Night Refreshment Policy DEL1.</p> <p>3. The application and operation of the venue continuing to meet the definition of a Public House or Bar in Clause D.</p> <p>D. For the purposes of this policy a Public House or Bar is defined as a premises, or part of a premises that's primary use is the sale or supply of alcohol for consumption on those premises and/or for consumption off the premises for consumption outside the venue.</p>
