<p>[REDACTED] - since lockdown we have experienced significant more noise from the restaurant and bar as they have put tables outside in the street . We have had people throwing their rubbish in our drive , urinating and groups of staff using the area to smoke .</p> <p>There are often very noisy people hanging around after hours , leaving litter and broken glass behind them . We have also experienced lorries parked in our drive in the daytime on a regular basis</p> <p>This area is residential and an area where lots of families with young children live . Please do not extend their licensing hours , it will be intolerable for my family and the neighbourhood</p>

I am disabled, suffering from multiple sclerosis.</p> <p>I STRONGLY OPPOSE EXTENDED OPENING HOURS FOR THESE PREMISES!!</p>

<p>[REDACTED] . There is a consistent pattern to Crockers Folly's planning applications, to extend opening hours, to extend the number of table where people can sit outside the premises, and also extend the times when people can sit outside.</p> <p>It's not clear that Crockers Folly have ongoing permission to have tables and chairs on the pavement on the Cunningham Place side of the premises. This measure was brought in during the pandemic, when customers were only able to be served outside. We understood this to be a temporary measure, which would not continue when restrictions on customers being inside were lifted - which is now the case. The closest table is less than 10 metres away from a ground floor bedroom in our home.</p>			

This is a quiet residential neighbourhood, and we do not want the hours when people are drinking outside to be extended further. The new proposed time of customers leaving at 23.00 is too late for a neighbourhood of this kind. We also see no reason why opening hours should be extended on the Sundays before bank holidays until 24.00.

One other question. Crockers Folly used to have a security person monitoring the behaviour of people sitting or standing outside. This no longer seems to be the case

Wharncliffe Residents' Association object to extending the outside hours until 10.30pm because this is too late for a residential area where young families, disabled and older residents will be directly affected. Most of the flats in Elmtown Court have living rooms and bedrooms directly overlooking Crocker's Folly so cannot avoid any noise made by the customers. We also feel that this will impact the whole of Wharncliffe Gardens' Estate encouraging more traffic and people walking through the estate later in the evening.

Crocker's Folly has added more tables on Cunningham Place in the last year, increasing the number of people who can now sit outside. It is already often too noisy after 9pm in the evening especially when: there are parties; there are matches at Lords; or while people wait for taxis after leaving the restaurant/bar. There is also disturbance from regular deliveries connected to the premises in the early mornings; and in the last 2 years they have added a takeaway service further adding to the noise nuisance with motorbikes and scooters.

The impact of an extended time for outside dining and drinking will mean even fewer undisturbed hours in the night for sleeping in what should be a quiet residential area. We have also noted that Crockers' Folly has often exceeded the 9pm deadline in the last year

I object to extending the outside hours because this is too late for a residential area where there are young families and older residents who need their sleep. I personally look after my grandchildren on some school nights and as both my bedrooms directly overlook the Crocker's Folly we are affected by all noise generated from the premises.

The pub now has tables on both the Aberdeen and Cunningham Place sides, which have been added in the last year, so even more people can now sit outside. It is already noisy after 9 on some evenings particularly when there are parties; when there are matches at Lords; or while people wait for taxis. We also have regular deliveries to the pub waking us in the early morning; followed by a rubbish pickup every day for Crockers; and in the last 2 years motorbike there are takeaway pick ups have as well.

The impact of an extended time for outside dining and drinking will mean we have even fewer undisturbed hours at the night for sleeping.

<p>I hereby object to this proposal.</p> <p>Any extension of hours will further affect the peace and quiet of our residential neighbourhood specially for our children, reducing our quality of life and turning our area into a late-hour food and drinks hub.</p> <p>We do not wish to lose amenity nor have an increased risk of drunk and disorderly conduct which would surely result if drinkers consume alcohol later into the night as proposed.</p> <p>Specially in the outdoor area, we often hear loud noises already with the license hours ending at 930pm. The current licensing hours, by the way, are often being violated.</p> <p>Though the existing operating hours have proven to be a somewhat acceptable balance, there is still plenty of boisterous noise from people leaving the premises already at 10 or 11pm. After eating and drinking for hours, people are not that mindful if there is a sign 'Please leave quietly' in case they get to read it all.</p> <p>So the hours do not need be changed and certainly NOT extended or this fine balance will severely affect the amenity of the local residents.</p>

<p>As a working mother of three children living on the same street as the property in question, I already struggle with noise and crowds of people spilling in to the road after matches.</p> <p>I ask the committee to please REFUSE this application and NOT extend the hours of music, noise and operation further than they are already.</p> <p>While I like the people who work in the restaurant and do wish them success, I ask that they remember that they are in a residential area. There are no other shops or restaurants on either street that the corner venue intersects.</p> <p>We neighbours need to put our kids to bed quietly, walk our dogs without fear of being harassed by drunken revellers on the curb, and go to sleep ourselves. The current hours are a good compromise.</p> <p>Thank you so much for your consideration.</p>

<p>I am a neighbour and this is an objection to the above-mentioned application for extension of hours. I object to the proposed application for the following reasons:</p> <ul style="list-style-type: none"> - This is very residential area which is quiet, safe, orderly and clean. To have more hours of eating and drinking crowds would be detrimental to this and affect the amenity of all local residents, specially the elderly. - The Crokers Folly has been already having people eat and drink past the existing licensing hours, both inside and in the external terrace area. We the neighbours have barely tolerated that. But therefore no extensions to the existing hours should be permitted - Having more drinking crowds in our area later into the night will cause public disturbance and risk - We live very close to a cricket ground (Lord's) which attracts all-day/late-night drinkers on match days. Thousands of people from Lord's come to our residential area after drinking at the ground and cause noise, vandalism, litter and fouling. This goes on for half a year during the cricket season. It is impossible for any local resident to accept the risk of even later hours, encouraging more risk - I also object to the health and safety risk that longer hours represents: meaning more litter, broken glass, crowds of cigarette smokers, large crowds in our pavements blocking access. - Most important: No glasses or food outside (the building had a patio) after 930pm as already required by the current license. <p>NO TO EXTENSION OF HOURS FOR THIS PUB IN THE MIDDLE OF OUR NIGHBOURHOOD</p>

<p>I object to expand opening hours at Crockers Folly</p> <p>The reason being it causes stress for women who walk out and see men urinating outside there door . A risk to people walking home late at night and into antisocial behaviour including violence in street. User of the bar sitting on public property smoking and drinking including staff. There is also disrespect for the elderly who are easily disturbed by the noise which can affect there mental health.</p>

<p>As the father of two young children and working professional living one door away from the premises, I object to the extension of hours applied for.</p> <p>The current license's hours for both the internal and specially to the external terrace area have over the past couple of years proven to be an acceptable balance between noise/nuisance and commercial operation of the premises since the license was granted and the current hours fixed.</p> <p>Absolutely nothing has changed since then in the needs of local residents, our young children and the elderly for rest and quiet in such a densely residential area. Therefore the continuation of the current licensing hours is optimal.</p> <p>Any attempt to disruptively extend the well-balanced operation hours would simply increase the incidence of disorder and drunkenly boisterous behaviour, raise public safety issues and affect the environmental concerns that we have been avoiding with the current hours.</p> <p>So to preserve the existing hours unchanged achieves the best continuation for the premises within this otherwise very quiet residential area.</p>

<p>I strongly object to the extended outdoor opening hours.</p>			

This is a quiet residential estate and the excess noise, including cars, customer disturbance, as the establishment is just a few feet away including parking on the estate is unacceptable, along with as has been the case previously people sitting on walls on the estate and using the area as a toilet!
The current hours being so close this estate and other residences is perfectly adequate.
Thank you

We object to any extension of licensing hours for all of the reasons set out in the original objection in 2017. We are sympathetic to the challenges facing business owners over the last 18 months, however, we must object on grounds of public nuisance. The current restrictions strike a fair balance between the needs of residents (many of whom are working families with school age children - 8 school age children alone on the west side of Cunningham Place, and a great many in the Wharncliffe estate) and the commercial needs of Crockers. The current license has been occasionally breached - particularly when there are cricket matches on at Lords - with many customers drinking on the street and pavements - but residents put up with this as it is occasional and we want to support Crockers. However, amendments to licensing would increase this as a nuisance and likely result in this not being occasional. Further, the area on Cunningham Place, unlike Northwick Terrace, is not at all suitable for pavement licensing as there are no structures to support pedestrian traffic.

Crocker's Folly is an amenity of great benefit to the neighbourhood. The owner has refurbished the wonderful interiors, and has provided a venue that replaces the pub that closed years ago. The restaurant should be able to serve customers outside during the summer months as this will increase the attraction of the place.

3.	Policy & Guidance
The following policies within the City Of Westminster Statement of Licensing Policy apply:	
Policy HRS1 applies	<p>A. Applications within the core hours set out below in this policy will generally be granted for the relevant premises uses, subject to not being contrary to other policies in the Statement of Licensing Policy.</p> <p>B. Applications for hours outside the core hours set out in Clause C will be considered on their merits, subject to other relevant policies, and with particular regard to the following:</p> <p>1. The demonstration of compliance in the requirements of policies CD1, PS1, PN1 and CH1 associated with the likelihood of the effect</p>

	<p>of the grant of a licence for later or earlier hours on crime and disorder, public safety, public nuisance and the protection of children from harm.</p> <p>2. If the application is located within a Special Consideration Zone they have demonstrated that they have taken account of the issues identified in that area and provided adequate mitigation.</p> <p>3. Whether there is residential accommodation in the proximity of the premises that would likely be adversely affected by premises being open or carrying out operations at the hours proposed.</p> <p>4. The proposed hours of the licensable activities and when customers will be permitted to remain on the premises.</p> <p>5. The proposed hours when any music, including incidental music, will be played.</p> <p>6. The hours when customers will be allowed to take food or drink outside the premises or be within open areas which form part of the premises.</p> <p>7. The existing hours of licensable activities and the past operation of the premises (if any) and hours of licensable premises in the vicinity.</p> <p>8. Whether customers and staff have adequate access to public transport when arriving at and leaving the premises, especially at night.</p> <p>9. The capacity of the premises.</p> <p>10. The type of use, recognising that some venues are more likely to impact the licensing objectives than others; for example, pubs and bars are higher risk than theatres, cinemas and other cultural and sporting venues due to the nature of the operation.</p> <p>11. The Licensing Authority will take into account the active measures proposed for a 'winding down' period including arrangements for people to be collected from the premises to travel home safely.</p> <p>12. Conditions on hours may be attached that require that the supply of alcohol for consumption on the premises ceases a suitable period of time before customers are required to leave the premises.</p> <p>13. The council, acting as the Licensing Authority, may reduce hours if, after review, it is necessary to impose conditions specifying shorter hours in order to promote the licensing objectives.</p> <p>14. Specific days for non-standard hours should be identified and justified as part of the application to allow responsible authorities and interested parties to evaluate the impact that these licensable activities may have, and to plan accordingly. The consideration of applications for later hours for Bank Holiday Mondays will take into account that later hours are generally granted for preceding Sundays and that the next day is a working day. Non-specific days are expected to be covered by Temporary Event Notices or variation applications.</p>
Policy RTN1 applies	<p>A. Applications outside the West End Cumulative Zone will generally be granted subject to:</p> <p>1. The application meeting the requirements of policies CD1, PS1, PN1 and CH1.</p> <p>2. The hours for licensable activities being within the council's Core Hours Policy HRS1.</p> <p>3. The operation of any delivery services for alcohol and/or late night refreshment meeting the council's Ancillary Delivery of Alcohol and/or Late-Night Refreshment Policy DEL1.</p> <p>4. The applicant has taken account of the Special Consideration</p>

	<p>Zones policy SCZ1 if the premises are located within a designated zone.</p> <p>5. The application and operation of the venue meet the definition of a Public House or Bar in Clause D.</p>
