## 2. Representations

2-A Responsible Authorities	
<b>Responsible Authority:</b>	The Licensing Authority
<b>Representative:</b>	Kevin Jackaman
<b>Received:</b>	30 September 2021

I write in relation to the application submitted for a new premises licence for Ground Floor, 6 Bedford Street, London, WC2E 9HZ

As a responsible authority under section 13 (4) of the Licensing Act 2003 as amended under the Police and Social Responsibility Act 2011 the Licensing Authority have considered your application in full. The Licensing Authority has concerns in relation to this application and how the premises would promote the Licensing Objectives:

- Prevention of Public Nuisance
- Prevention of Crime & Disorder
- Public Safety
- Protection of children from harm

The application is for a 'shadow' licence of premises licence 21/00270/LIPCH. Please can you confirm the interest of the Legal And General Assurance (Pensions Management) Limited in the property?

The Licensing Authority has reviewed the application against the current premises Licence and it has been made on the same terms and with the same conditions as the existing licence.

In the Council's statement of Licencing Policy, point D.20 and F.39 state:

"The Licensing Authority may consider granting applications for licences within the West End Cumulative Impact Zone that duplicate the terms and conditions of the current operational licence for that same premises but are issued to the landowner, or other person with an interest in the property and that the licence has no affect by condition. These 'Shadow Licences' are normally sought by the landowner to protect the interest of their property due to the policy to refuse certain new applications. A Shadow Licence will, in the event that a licence lapses, is surrendered or is revoked the property own can look to market the property with the licence. The holder of the Shadow Licence would in those circumstances need to apply to the Licensing Authority to vary the licence to remove any conditions preventing the use of that licence. At that point the Licensing Authority will consider whether the operation of the premises is likely to be an exception to policy. It will be for the Shadow Licence licensee to demonstrate that they are an exception within the applications operating schedule."

With this in mind the Licensing Authority would like the applicant to accept the Council's amended model condition 97 which states:

"The shadow licence will not take effect when the current licence is in operation."

Subject to the above the Licensing Authority will be minded to withdraw its objection.

Please accept this as a formal representation and I look forward to hearing from you.

### 3. Policy & Guidance

The following policies within the City Of Westminster Statement of Licensing Policy apply:	
<b>Policy CIP1 applies</b>	<p>A. It is the Licensing Authority's policy to refuse applications within the West End Cumulative Impact Zone for: pubs and bars, fast food premises, and music and dancing and similar entertainment, other than applications to:</p> <ol style="list-style-type: none"> <li>1. Vary the hours within Core Hours under Policy HRS1, and/or</li> <li>2. Vary the licence to reduce the overall capacity of the premises.</li> </ol> <p>C. Applications for other premises types within the West End Cumulative Impact Zones will be subject to other policies within this statement and must demonstrate that they will not add to cumulative impact.</p> <p>D. For the purposes of this policy the premises types referred to in Clause A are defined within the relevant premises use policies within this statement.</p>
<b>Policy HRS1 applies</b>	<p>A. Applications within the core hours set out below in this policy will generally be granted for the relevant premises uses, subject to not being contrary to other policies in the Statement of Licensing Policy.</p> <p>B. Applications for hours outside the core hours set out in Clause C will be considered on their merits, subject to other relevant policies, and with particular regard to the following:</p> <ol style="list-style-type: none"> <li>1. The demonstration of compliance in the requirements of policies CD1, PS1, PN1 and CH1 associated with the likelihood of the effect of the grant of a licence for later or earlier hours on crime and disorder, public safety, public nuisance and the protection of children from harm.</li> <li>2. If the application is located within a Special Consideration Zone they have demonstrated that they have taken account of the issues identified in that area and provided adequate mitigation.</li> <li>3. Whether there is residential accommodation in the proximity of the premises that would likely be adversely affected by premises being open or carrying out operations at the hours proposed.</li> <li>4. The proposed hours of the licensable activities and when customers will be permitted to remain on the premises.</li> <li>5. The proposed hours when any music, including incidental music, will be played.</li> <li>6. The hours when customers will be allowed to take food or drink outside the premises or be within open areas which form part of the premises.</li> <li>7. The existing hours of licensable activities and the past operation of the premises (if any) and hours of licensable premises in the vicinity.</li> <li>8. Whether customers and staff have adequate access to public transport when arriving at and leaving the premises, especially at night.</li> <li>9. The capacity of the premises.</li> <li>10. The type of use, recognising that some venues are more likely to impact the licensing objectives than others; for example, pubs and bars are higher risk than theatres, cinemas and other cultural and sporting venues due to the nature of the operation.</li> <li>11. The Licensing Authority will take into account the active measures proposed for a 'winding down' period including arrangements for people to be collected from the premises to travel</li> </ol>

home safely.

12. Conditions on hours may be attached that require that the supply of alcohol for consumption on the premises ceases a suitable period of time before customers are required to leave the premises.

13. The council, acting as the Licensing Authority, may reduce hours if, after review, it is necessary to impose conditions specifying shorter hours in order to promote the licensing objectives.

14. Specific days for non-standard hours should be identified and justified as part of the application to allow responsible authorities and interested parties to evaluate the impact that these licensable activities may have, and to plan accordingly. The consideration of applications for later hours for Bank Holiday Mondays will take into account that later hours are generally granted for preceding Sundays and that the next day is a working day. Non-specific days are expected to be covered by Temporary Event Notices or variation applications.

C. For the purpose of Clauses A and B above, the Core Hours for applications for each premises use type as defined within this policy are:

Dear [REDACTED]

I act for the applicant in the above matter and the City Council has, belatedly, passed me a copy of your representation dated 17 September.

May I explain: my client is the landlord and is simply seeking a “shadow” licence on the exact same terms as the existing premises licence. Landlords often do this to have a safeguard particularly in these uncertain and difficult times.

The application seeks no changes above and above than the existing licence. I hope that satisfies your concerns. If it does, please could you let the licensing authority know.

Please let me know should you have any queries arising in the meantime.

Yours sincerely
