Received:	27 January 2022
<p>Dear Sirs</p> <p>I write in relation to the application submitted for a variation of the premises licence for TAVUUK, 3-5 Bateman Street, London, W1D 4AG.</p> <p>As a responsible authority under section 13 (4) of the Licensing Act 2003 as amended under the Police and Social Responsibility Act 2011, the Licensing Authority have considered your application in full. The Licensing Authority has concerns in relation to this application and how the premises would promote the four Licensing Objectives:</p> <ul style="list-style-type: none"> • Public Nuisance • Prevention of Crime & Disorder • Public Safety • Protection of children from harm <p>The application seeks the following variations:</p> <ul style="list-style-type: none"> • To add Late Night Refreshment Monday to Wednesday 23:00 to 23:30, Thursday 23:00 to 00:00 & Friday to Saturday 23:00 to 02:00. • To vary the opening hours to Monday to Wednesday 10:00 to 23:30, Thursday 10:00 to 00:00, Friday to Saturday 10:00 to 02:00 & Sunday 12:00 to 21:00. • To remove condition 19. <p>The premises are located within the West End Cumulative Impact Zone and as such various policy points must be considered, namely CIP1, HRS1 & PB1.</p> <p>The Licensing Authority note that the applicant proposes to remove condition 19 which states:</p> <p>The premises shall only operate as a restaurant</p> <p>(i) in which customers are shown to their table,</p> <p>(ii) where the supply of alcohol is by waiter or waitress service only,</p> <p>(iii) which provide food in the form of substantial table meals that are prepared on the premises and are served and consumed at the table using non disposable crockery,</p> <p>(iv) which do not provide any take away service of food or drink for immediate consumption,</p> <p>(v) which do not provide any take away service of food or drink after 23.00, and</p> <p>(vi) where alcohol shall not be sold or supplied, otherwise than for consumption by persons who are seated in the premises and bona fide taking substantial table meals there, and provided always that the consumption of alcohol by such persons is ancillary to taking such meals.</p> <p>Notwithstanding this condition customers are permitted to take from the premises part consumed and resealed bottles of wine supplied ancillary to their meal.</p> <p>The Licensing Authority encourages the applicant to provide further submissions in relation to the removal of model condition 66 above, as this application now falls within Westminster's PB1 Policy as there is no ancillary nature to the Sale by Retail of Alcohol.</p>	

Due to removal of this condition the Licensing Authority would like further information on how will the premises be operated and controlled, specifically how the alcohol will be served i.e. by waiter/waitress service and will the premises operate by way of a bar with vertical drinking?

Policy PB1(B) states

B. It is the Licensing Authority's policy to refuse applications within the West End Cumulative Impact Zone other than:

1. Applications to vary the existing licence hours within the council's Core Hours Policy HRS1.
2. Applications that seek to vary the existing licence so as to reduce the overall capacity of the premises.

D. For the purposes of this policy a Public House or Bar is defined as a premises, or part of a premises that's primary use is the sale or supply of alcohol for consumption on those premises and/or for consumption off the premises for consumption outside the venue.

The Licensing Authority note that the application does falls outside Westminster's core hours for Pubs and Bars.

The Core hours for Pubs and Bars are:
Monday to Thursday: 10am to 11.30pm.
Friday and Saturday: 10am to 12am.
Sunday: 9am to 10.30pm.
Sundays immediately prior to a bank holiday: 12pm to 12am.

The Licensing Authority require the applicant to provide submissions as to how the operation of the premises will not add to cumulative impact in the West End cumulative impact Zone, in accordance with policy CIP1.

This application falls within the PB1 Policy and the applicant will have to demonstrate exceptional circumstances to allow to depart from the Policy. Therefore, it is a decision for the Licensing Sub-Committee to determine whether the applicant has demonstrated any exceptional circumstances that would allow to depart from policy.

Please accept this as a formal representation.

Responsible Authority:	Metropolitan Police Service

Received:	30 December 2021

Dear Mr Yurdakul,

Application to vary a Premise Licence:
3-5 Bateman Street, London, W1D 4AG - 21/14423/LIPV

With reference to the above, I am writing to inform you that the Metropolitan Police Service as a Responsible Authority are **objecting** to this application on the basis that if granted, it would undermine the Licensing Objectives, namely The Prevention of Crime and Disorder.

At present, you are seeking the following:

1. Provide late night refreshment Indoors & outdoors at the following times:
 - Monday-Wednesday: 23:00-23:30 hours
 - Thursday: 23:00-00:00 hours
 - Friday-Saturday: 23:00-02:00 hours

2. Remove condition 19 which reads:

The premises shall only operate as a restaurant,

- (i) in which customers are shown to their table
 - (ii) where the supply of alcohol is by waiter or waitress service only,
 - (iii) which provide food in the form of substantial table meals that are prepared on the premises and are served and consumed at the table using non disposable crockery,
 - (iv) which do not provide any takeaway service of food or drink for immediate consumption
 - (v) which do not provide any takeaway service of food or drink after 23:00, and
 - (vi) where alcohol shall not be sold or supplied, otherwise than for consumption by persons who are seated in the premises and bona fide taking substantial table meals there, and provided always that the consumption of alcohol by such persons is ancillary to taking such meals.
- Notwithstanding this condition customers are permitted to take from the premises part consumed and resealed bottles of wine supplied ancillary to their meal

The venue is situated in the West End Cumulative Impact, a locality where there is traditionally high crime and disorder and the hours sought are beyond those of Westminster's core hours policy.

There is insufficient detail within the operating schedule to promote the Licensing Objectives and we have concerns that if granted, this application will cause further policing problems in an already demanding area.

Please feel free to contact me should you wish to discuss the matter further.

Responsible Authority:	Environmental Health Consultation Service
Representative:	Maxwell Koduah
Received:	05 January 2022

I refer to the variation application for the above-mentioned premises. The premise is located within the West End Cumulative Impact Area. The applicant is seeking the following:

1. Provide late night refreshment Indoors & outdoors at the following times:
 - Monday-Wednesday: 23:00-23:30 hours

 - (ii) where the supply of alcohol is by waiter or waitress service only,
 - (iii) which provide food in the form of substantial table meals that are prepared on the premises and are served and consumed at the table using non disposable crockery,
 - (iv) which do not provide any takeaway service of food or drink for immediate consumption
 - (v) which do not provide any take away service of food or drink after 23:00, and
 - (vi) where alcohol shall not be sold or supplied, otherwise than for consumption by persons who are seated in the premises and bona fide taking substantial table meals there, and provided always that the consumption of alcohol by such persons is ancillary to taking such meals.
- Notwithstanding this condition customers are permitted to take from the premises part consumed and resealed bottles of wine supplied ancillary to their meal

Following consideration of the application and how it may affect the Licensing Objectives and meeting the requirements of the Council's Statement of Licensing Policy I wish to make the following representations:

The hours requested to provide late night refreshment may have the likely effect of causing an increase in Public Nuisance and may affect Public Safety within the West End Cumulative Impact area

Removing condition 19 may have the likely effect of causing an increase in Public Nuisance and may affect Public Safety within the West End Cumulative Impact area

As presented, the application would have the likely effect of causing an increase in Public Nuisance and may affect Public Safety within the area

Conditions, to replace those contained within the operating schedule, have been proposed to support the licensing objectives of Prevention of Public Nuisance and Public Safety. Applicant is advised to study these conditions and discuss same if they are minded.

Proposed Environmental Health Conditions

1. The supply of alcohol at the premises shall only be to a person seated taking a substantial table meal there and for consumption by such a person as ancillary to their meal.

For the purpose of this condition a 'Substantial Table Meal' means – a meal such as might be expected to be served as the main midday or main evening meal, or as a main course at either such meal and is eaten by a person seated at a table, or at a counter or other structure which serves the purposes of a table and is not used for the service of refreshments for consumption by persons not seated at a table or structure servicing the purposes of a table.

We write to make a relevant representation to the above application on behalf of The Soho Society.

The Soho Society objects to this application as it is currently presented, on the grounds of prevention of crime and disorder, prevention of public nuisance, and cumulative impact in the West End Cumulative Impact Area.

About The Soho Society

The Soho Society is a charitable company limited by guarantee established in 1972. The society is a recognised amenity group and was formed to make Soho a better place to live, work or visit by preserving and enhancing the area's existing diversity of character and uses, and by improving its facilities, amenities and environment.

The Soho Society's Position

These premises with a small number of internal seats sell wraps, sandwiches, fries, salads, chicken doner and rice boxes, it is situated in the heart of the evening and night time economy in Soho and falls within the West End Cumulative Impact Zone. We object to all parts of this application.

Late night refreshment to midnight on Thursday and 2am Friday and Saturday

Firstly we note the error in the application form, the box at the start states the opening hours as Friday - Saturday 21:00, however they specify the correct hours of 2am under the late night refreshment heading.

We object to the provision of late night refreshment and opening hours to midnight on Thursday and 2am Friday and Saturday. Soho is at the forefront of the evening and night time economy in Westminster with its numerous restaurants, bars, members clubs and entertainment establishments. The small area comprising of Old Compton St, Frith St, Greek St and Dean St is densely populated at night as the area contains the largest number of licensed premises in Soho. There are over 109 such premises offering the full range of venues with opening hours up to 3.30am and accommodating over 10,210 people. It goes without saying that another late night refreshment premises including fast food in such close proximity to these venues, will

attract people who have been drinking and who are more likely to be involved with anti-social behaviour including noise nuisance to residents, it will also create opportunities for crime.

Removal of Condition 19

We object to the removal of Condition 19 which states,

The premises shall only operate as a restaurant

- (i) in which customers are shown to their table,
 - (ii) where the supply of alcohol is by a waiter or waitress service only,
 - (iii) which provide food in the form of substantial table meals that are prepared on the premises and are served and consumed at the table using non-disposable crockery,
 - (iv) which do not provide any takeaway service of food or drink for immediate consumption,
 - (v) which do not provide any take away service or food or drink after 23.00, and
 - (vi) where alcohol shall not be sold or supplied, otherwise than for consumption by persons who are seated in the premises and bona fide taking substantial table meals there, and provided always that the consumption of alcohol by such persons is ancillary to taking such meals.
- Notwithstanding this condition customers are permitted to take from the premises part consumed and resealed bottles of wine supplied ancillary to their meal.

The removal of this condition will enable these premises to,

- Cease to be a restaurant. The applicant has failed to provide any information regarding the nature of the proposed operation
- Sell alcohol without the provision of a table meal until 11pm
- Allow for off sales which the applicant has **NOT** applied for

Furthermore, under the heading; *'Please identify conditions currently imposed on the licence which you believe could be removed as a consequence of the proposed variation you are seeking,'* on the application form the applicant states the following,

1. *'The supply of alcohol at the premises shall only be to persons seated taking a substantial table meal there and for consumption by such a person as ancillary to their meal.'* We object to its removal, as above, patrons will be able to drink alcohol without taking a table meal.

2. *'Sales of alcohol for consumption off the premises shall only be supplied with, and ancillary to food that is available to take away for immediate consumption (and/or delivery).'* We are confused with this proposal as it is not a current condition, it's appears to be what the applicant wants. This will create a new fast food premises in the West End CIZ and sell alcohol as an off sale, as stated above the applicant has not applied for off sales.

On these grounds this application should be rejected.

Statement of Licensing Policy 2021

This application as presented it is contrary to Core Hours Policy HRS1, Fast Food Policy FFP1, Cumulative Impact Policy CIP1

Fast Food Premises Policy FFP1: it is policy to refuse such applications in the West End CIZ, F.56 states premises,

'...open after 11 pm can attract large groups of customers, many of whom have been consuming alcohol in pubs, bars or nightclubs sometimes some distance away. The congregation of people around these premises leads to additional noise and disturbance...'

The Licensing Authority and Met Police are also concerned with the levels of crime and disorder outside such premises (F.57). The applicant will need to demonstrate why they are an exception to this policy.

Cumulative Impact Policy CIP1; this area has been identified by the Westminster City Council as under stress because of the cumulative effect of the concentration of late night and drink led premises and night cafes has led to serious problems of disorder and/or public nuisance affecting residents, visitors and other businesses. The policy provides an assumption to refuse pubs and bars, music and dance venues and fast food premises, the policies are intended to be strict and will only be overridden in genuinely exceptional circumstances (D.11).

The policies in relation to the cumulative impact zone are directed at the global and cumulative effects of licences on the area as a whole (D16). The growth in the number of licensed premises in Soho has led to a marked deterioration in the quality of life and well-being of local residents and it has jeopardised the sustainability of the community. Soho has a substantial residential community and many of these residents suffer from problems such as, but not limited to, high levels of noise nuisance, problems with waste, urinating and defecating in the streets, threats to public safety, anti-social behaviour, crime and disorder and the change in character of this historic area.

The Licensing Objectives

The Statement of Licensing Policy 2021 or Section 183 Guidance does not provide for any circumstance, exceptional or otherwise, which would permit an application to be granted if the licensing objectives were harmed. We now consider the impact of this application on these objectives.

Prevention of Crime and Disorder CD1

Under this Policy the criteria applied is, *'whether the premises make or will make a significant contribution to levels of crime and disorder, and whether the operating schedule is based on an adequate risk assessment, undertaken by the applicant, which takes account of all the relevant considerations below to reduce the likelihood of crime and disorder occurring as a result of the grant of the application.'*

The recently published Cumulative Impact Assessment 2020 presents overwhelming evidence of the year on year increase in cumulative impact in the West End Zone 1, ***it highlights the rate of crime as 10 - 13 times higher between 6pm - 6am compared to the borough average.*** It goes on to detail the number and types of crimes in the West End,

- **Public realm crimes:** (serious violence, robberies, theft and drug offences), alcohol-related callouts incidents, anti-social behaviour and demands on services were prevalent in Westminster between 2017 and 2019, among the highest in London and the country. All incidents observed concentrated in the West End many occurring in the evening and at night as well as weekends.
- **Total incident type 2017-2019:** serious violent crimes Night, 795 - proportion of Borough's incidents (31%). **Robberies Night, 2237 (33%). Theft and Handling Night, 24,407 (33%). Drug Offences Night, 1529 (40%).** Noise Complaints Night, 1389 (16%). Reactive Waste Management, 6630 (10%). Ambulance call outs to locations of licensed premises, 5353 (22%). Anti-Social behaviour on transport Night, 592 (13%), Anti-Social behaviour MPS, 9662 (16%). **Total = 50,594.**
- **Data description of incidents in 2017-2019** found all incident categories observed varied both in space and time. Many occurred in the evening and at night and on weekends when alcohol related activities typically peak. Incidents were primarily concentrated in the West End where licensed premises are disproportionately concentrated.
- **Robberies:** clustered within the West End, Charing Cross, Oxford Street in the evening and night.
- **Serious violent crimes:** recorded between **6pm and 6am** concentrated overwhelmingly in the West End.

- **Drug related crimes:** Westminster recorded the highest volume of drug offences of any borough between 2017-2019. Half of crimes were reported (48%) in the evening and night time. Drug related crimes between **6pm - 6am** were significantly clustered in and around the West End to varying degrees.
- **Theft and Handling:** most common crime type in the borough, in the evening and night they are particularly concentrated in the West End and along Oxford Street.

For residents living in Soho the findings of the Cumulative Impact Assessment is unsurprising, Soho transforms in the evening and night-time into an area which feels very unsafe and where levels of crime and disorder are high. As evidenced above criminal activity associated with the large number of late-night venues and the numbers of people on the streets results in high levels of serious crime. In Soho the majority of robberies take place late at night, people are targeted as they leave late night venues which is borne out by the crime figures. Drug dealing is a particular problem, groups of dealers congregate to sell drugs and specifically target people as they leave premises, there are more dealers in the area at night than during the day, this is directly linked to the large number of late night venues which creates the drug market.

These premises are situated in the heart of the late night entertainment area, the area is a known hotspot of crime and disorder, crime statistics between September 2019 to February 2020 shows high levels of crimes,

Old Compton St: Robbery = 19. Theft person = 162. Violence with injury = 47. All crime = 429.

Dean St: Robbery = 12. Theft person = 57. Violence with injury = 30. All crime = 280.

Greek St: Robbery = 12. Theft person = 76. Violence with injury = 33. All crime = 244

Frith St: Robbery = 13. Theft person = 46. Violence with injury = 23. All crime = 143.

People will be attracted to the area on the search for food late at night, it will increase their risk of becoming victims of crime. A new late night refreshment licence providing food for immediate consumption cannot be justified.

Prevention of Public Nuisance Policy PN1

Under this Policy the criteria applied states, *'the potential for nuisance associated with the style, characteristics and activities of the business to be carried on at the premises and the potential steps which could be taken to reduce the risk of a nuisance occurring. This will particularly apply in areas of residential accommodation and where there is residential accommodation in the proximity of the premises.'*

Residents live along Bateman Street and those that surround it, due to the high number of licensed premises in this small area residents already suffer from late night noise, disturbance (pedicabs playing loud music, waiting taxis) anti-social behaviour including street fouling. We are particularly concerned that residents will be disturbed by people leaving these premises and those eating and drinking outside.

Conclusion

We are in no doubt that a new late night refreshment licence which includes the removal of the restaurant condition will fail to promote the licensing objectives and increase crime and disorder and public nuisance in the West End Cumulative Impact Zone.

Please do not hesitate to contact us if you require any further information

3. Policy & Guidance

The following policies within the City Of Westminster Statement of Licensing Policy apply:	
Policy CIP1 applies	<p>(i) It is the Licensing Authority's policy to refuse applications in the Cumulative Impact Areas for: pubs and bars, fast food premises, and premises offering facilities for music and dancing; other than applications to vary hours within the Core Hours under Policy HRS1.</p> <p>(ii) Applications for other licensable activities in the Cumulative Impact Areas will be subject to other policies, and must demonstrate that they will not add to cumulative impact in the Cumulative Impact Areas.</p>
Policy HRS1 applies	<p>A. Applications within the core hours set out below in this policy will generally be granted for the relevant premises uses, subject to not being contrary to other policies in the Statement of Licensing Policy.</p> <p>B. Applications for hours outside the core hours set out in Clause C will be considered on their merits, subject to other relevant policies, and with particular regard to the following:</p> <ol style="list-style-type: none"> 1. The demonstration of compliance in the requirements of policies CD1, PS1, PN1 and CH1 associated with the likelihood of the effect of the grant of a licence for later or earlier hours on crime and disorder, public safety, public nuisance and the protection of children from harm. 2. If the application is located within a Special Consideration Zone they have demonstrated that they have taken account of the issues identified in that area and provided adequate mitigation. 3. Whether there is residential accommodation in the proximity of the premises that would likely be adversely affected by premises being open or carrying out operations at the hours proposed. 4. The proposed hours of the licensable activities and when customers will be permitted to remain on the premises. 5. The proposed hours when any music, including incidental music, will be played. 6. The hours when customers will be allowed to take food or drink outside the premises or be within open areas which form part of the premises. 7. The existing hours of licensable activities and the past operation of the premises (if any) and hours of licensable premises in the vicinity. 8. Whether customers and staff have adequate access to public transport when arriving at and leaving the premises, especially at night. 9. The capacity of the premises.

10. The type of use, recognising that some venues are more likely to impact the licensing objectives than others; for example, pubs and bars are higher risk than theatres, cinemas and other cultural and sporting venues due to the nature of the operation.

11. The Licensing Authority will take into account the active measures proposed for a 'winding down' period including arrangements for people to be collected from the premises to travel home safely.

Cumulative Impact

- According to the data shared by the Soho Society, at the area there are 109 premises accommodating over 10,210 people. TAVVUK GEMUSE is fairly small business with a capacity of 15 people and it will not add cumulative impact on West End Cumulative Area. We have applied for 3 TEN during this time and on average 55 people visited the premise.
- There were no loitering or long ques in front of the premise.
- The area offers full range venues with opening hours up to 3.30 am, therefore TAVVUK GEMUSE will not attract people but will be offering late night refreshment to be people who are already at the area for other reasons and mainly to the staff who is working at the area.
- We are requesting restaurant conditions. Thus, the customers will be spending at least 30 minutes for late night refreshment. During this time, we will be providing complementary tea and coffee to customers.
- According to medical data, eating and offering tea&coffee make people feel more alert and appear soberer. Blood Alcohol Concentration (BAC) drop is about 0.015 percent every hour, so 30 minutes interval will reduce the Blood Alcohol Concentration of customer.
- The WC shall always be made available to customers during hours of operation.

Cumulative Impact

- My client will be displaying his number at the premise. He can be contacted any time if there are any concerns. He will be taking all the necessary action in order to not to disturb any neighbours.
- We will have a sign in place saying **No takeaway orders after 23:00 from the premise.**
- No incidences were reported during the TEN application.
- Additionally, my client has been trading at the same location since 2018 without any concerns which is indicator that he is capable of managing the place confidently. He has 5 star hygiene rating.

Conclusion

We understand the area, however every application should be considered in its own merit. The premise has a capacity of 15 people, Soho area accommodates over 10,210 people additional 2 hours of late night refreshment will not have impact on the cumulative area.

We kindly ask Licensing Sub Committee to grant our application.
