Responsible Authority:	The Licensing Authority
-------------------------------	-------------------------

Representative:	Karyn Abbott
------------------------	--------------

Received:	23 February 2022
------------------	------------------

I write in relation to the application submitted for a new premises licence for 35 Cranbourn Street, London, WC2H 7AD.

As a responsible authority under section 13 (4) of the Licensing Act 2003 as amended under the Police and Social Responsibility Act 2011, the Licensing Authority have considered your application in full. The Licensing Authority has concerns in relation to this application and how the premises would promote the four Licensing Objectives:

- Public Nuisance
- Prevention of Crime & Disorder
- Public Safety
- Protection of children from harm

The application seeks the following:

- **Recorded Music**

Sunday to Saturday 23:00 to 01:00

Sunday 23:00 to 23:30

Non-Standard Timings: From the start time on New Year's Eve to the terminal hour for New Year's Day.

On Sundays prior to bank holidays/public holidays until 01:00

- **Late Night Refreshment**

Sunday to Saturday 23:00 to 01:00

Sunday 23:00 to 23:30

Non-Standard Timings: From the start time on New Year's Eve to the terminal hour for New Year's Day.

On Sundays prior to bank holidays/public holidays until 01:00

- **Supply of Alcohol On and Off Premises**

Sunday to Saturday 10:00 to 01:00

Sunday 12:00 to 23:30

Non-Standard Timings: From the start time on New Year's Eve to the terminal hour for New Year's Day.

On Sundays prior to bank holidays/public holidays until 01:00

- **Opening Hours to Public**

Sunday to Saturday 10:00 to 01:30

Sunday 12:00 to 00:00

Non-Standard Timings: From the start time on New Year's Eve to the terminal hour for New Year's Day.

On Sundays prior to bank holidays/public holidays until 01:30

The premises is located within the West End Cumulative Impact Area and as such various policy points must be considered, namely CIP1, HRS1 and PB1.

The Licensing Authority notes the operating hours applied for licensable activities currently fall outside of Westminster's core hours. For premises for the supply of alcohol for consumption on and off the premises and other licensable activities, the Licensing Authority encourage that the applicant reduce the hours to be within Westminster's Core hours under HRS1 Policy;

6. Pubs and bars, Fast Food and Music and Dance venues

Monday to Thursday: 10am to 11.30pm.

Friday and Saturday: 10am to Midnight.

Sunday: Midday to 10.30pm.

Sundays immediately prior to a bank holiday: Midday to Midnight.

Westminster's PB1 (B) policy states:

B. It is the Licensing Authority's policy to refuse applications within the West End Cumulative Impact Zone other than:

1. Applications to vary the existing licence hours within the council's Core Hours Policy HRS1.
2. Applications that seek to vary the existing licence so as to reduce the overall capacity of the premises.

D. For the purposes of this policy a Public House or Bar is defined as a premises, or part of a premises that's primary use is the sale or supply of alcohol for consumption on those premises and/or for consumption off the premises for consumption outside the venue.

The Licensing Authority note that as part of the operating schedule the applicant has proposed the below condition.

After 21:00, the premises shall only operate as a restaurant

- (i) in which customers are shown to their table or the customer will select a table themselves,
- (ii) where the supply of alcohol is by waiter or waitress service only,
- (iii) which provide food in the form of substantial table meals that are prepared on the premises and are served and consumed at the table,
- (iv) which do not provide any take away service of food or drink for immediate consumption,
- (v) which do not provide any take away service of food or drink after 23.00, and
- (vi) where alcohol shall not be sold or supplied, otherwise than for consumption by persons who are seated in the premises and bona fide taking substantial table meals there, and provided always that the consumption of alcohol by such persons is ancillary to taking such meals.

For the purpose of this condition 'Substantial Table Meal' means – a meal such as might be expected to be served as the main midday or main evening meal, or as a main course at either such meal and is eaten by a person seated at a table, or at a counter or other structure which serves the purposes of a table and is not used for the service of refreshments for consumption by persons not seated at a table or structure servicing the purposes of a table.

Westminster's PB1 Policy states that a premises would be considered as a bar under the policy if it is providing alcohol as its primary function and has the general presumption to refuse applications within the Cumulative Impact Zone. The Licensing Authority cannot consider this

application to be that of a restaurant as the applicant has only proposed model condition 66 after 9pm. As the hours with no restrictions are significantly greater than those proposed with the Sale of Alcohol with a table meal the applicant will need to demonstrate exceptional circumstances to depart from this policy.

The premises currently benefit from a separate premises licence (21/10737/LIPT) which the Licensing Authority note that MC61 has been proposed in the operating schedule so the licence will be surrendered if this application is granted.

MC61 - No licensable activities shall take place at the premises until premises licence 21/10737/LIPT (or such other number subsequently issued for the premises) has been surrendered and is incapable of resurrection.

The Licensing Authority encourages the applicant to provide further submissions as to how the premises will not add to cumulative impact in the West End cumulative impact area, in accordance with policy CIP1.

The Licensing Authority looks forward to receiving further submissions from the applicant in due course.

Please accept this as a formal representation.

<p>I am resident within Westminster. I strongly object to the above application as I doesn't promote the 4 licensing objectives of:</p> <ol style="list-style-type: none"> 1. Public Nuisance 2. Prevention of Crime & Disorder 3. Public Safety 4. Protection of children from harm <p>The application/operation will add to cumulative impact in the West End Cumulative Impact Zone, in accordance with Policy CIP1. Cranbourne Street is very busy street. It gets very busy specially in the evening. The level of noise from patrons, smoking areas, queues, taxis, waste collecting it will add so much more nuisance and will effect public safety. In this application I see they are asking for later hour and not restaurant conditions at all times. Therefore I strongly oppose the above application and nothing more than the previous license they held, should be granted.</p>

I oppose this application as it does not promote the 4 licensing objectives of:

- Public Nuisance
- Prevention of Crime & Disorder
- Public Safety
- Protection of children from harm

The proposed application will add even more nuisance, crime and disorder in already very noisy and hot spot for crime and disorder. I would like to remind you that there are lots of residents living nearby. From what I also understood they are building two apartments in the same building on the top floors. The application is asking for extra hour from the old licence which also has a condition: Intoxicating liquor shall not be sold or supplied on the premises otherwise than to persons taking table meals there and for consumption by such a person as an ancillary to his meal.

Anything more than the old premises license they held we as residents strongly object.

We wish to object to this application. [REDACTED]

Representing residents and businesses in this area [REDACTED]

[REDACTED] This application goes against everything we fought for. If this application is approved it would create a precedent and used to justify similar cases in the area. The premises is located within the West End Cumulative Impact Zone as defined by Westminster Council's Statement of Lic. Policy.

We do not believe the premises would promote the 4 Licensing Objectives.

At certain times of the day Cranbourn St is an exceptionally busy one way vehicle access route around Leicester Sq and on to Piccadilly, Shaftesbury Av and Soho. It is also an extremely busy pedestrian thoroughfare across Leicester Sq to China Town, Soho and Piccadilly, or the other way to Covent Grd.

Some issues we would like noted which will affect public safety or cause potential nuisance:

- * Loud music very close to residents
- *Smoking areas.
- *Queue Management.
- *Taxi drop off and pickups causing congestion.
- *Car parking.
- *Waste management.

Throughout the 50 years history of these premises 35 Cranbourn St has been a restaurant. The existing license states: Intoxicating liquor shall not be sold or supplied on the premises otherwise than to persons taking table meals there and for consumption by such a person as ancillary to his meal.

This is not being replicated in the new application. Restaurant conditions proposed are only after 9pm. Surely this application is for a Public House and not a restaurant. - back 20 years to noisy, aggressive, illebrated customers, and our doorways used as urinals. Is that what we really want?

We hope that this application will be refused and nothing more than the previous license granted.

We strongly oppose this application as it DOES NOT promote the 4 licensing objectives of:

- Public Nuisance
- Prevention of Crime & Disorder
- Public Safety
- Protection of children from harm

I live in Westminster with my 4 years old son and my husband and we have lived here for many years. No more bars please. This used to be a nice restaurant and had a license. I just checked online and the license for the previous restaurant that was at 35 Cranbourn Street was let to lapse. I strongly believe this was done on purpose. So they can make a new application to turn it into a bar. There are enough bars around the area. The level of noise we have every night is making our lives unbearable to live in our apartments. They want extra hours to sell alcohol. We as residents strongly object. Also this condition is very important to be kept on their license: Intoxicating liquor shall not be sold or supplied on the premises otherwise than to persons taking table meals there and for consumption by such a person as an ancillary to his meal.

Cranbourn Street is already over-supplied with licensed premises. I doubt whether the arrival of this restaurant in the West End will be anything other than yet another boozier in a wasteland of boozers.

Extending the hours will create extra nuisance. There will be an exodus of customers up to 1.30am and there is a large residential building in ██████████.

I think you should reject this application.

3. Policy & Guidance

The following policies within the City Of Westminster Statement of Licensing Policy apply:	
Policy CIP1 applies	<p>A. It is the Licensing Authority's policy to refuse applications within the West End Cumulative Impact Zone for: pubs and bars, fast food premises, and music and dancing and similar entertainment, other than applications to:</p> <ol style="list-style-type: none"> 1. Vary the hours within Core Hours under Policy HRS1, and/or 2. Vary the licence to reduce the overall capacity of the premises. <p>C. Applications for other premises types within the West End Cumulative Impact Zones will be subject to other policies within this statement and must demonstrate that they will not add to cumulative impact.</p> <p>D. For the purposes of this policy the premises types referred to in Clause A are defined within the relevant premises use policies within this statement.</p>
Policy HRS1 applies	<p>A. Applications within the core hours set out below in this policy will generally be granted for the relevant premises uses, subject to not being contrary to other policies in the Statement of Licensing Policy.</p> <p>B. Applications for hours outside the core hours set out in Clause C will be considered on their merits, subject to other relevant policies, and with particular regard to the following:</p> <ol style="list-style-type: none"> 1. The demonstration of compliance in the requirements of policies CD1, PS1, PN1 and CH1 associated with the likelihood of the effect of the grant of a licence for later or earlier hours on crime and disorder, public safety, public nuisance and the protection of children from harm. 2. If the application is located within a Special Consideration Zone they have demonstrated that they have taken account of the issues identified in that area and provided adequate mitigation. 3. Whether there is residential accommodation in the proximity of the premises that would likely be adversely affected by premises being open or carrying out operations at the hours proposed. 4. The proposed hours of the licensable activities and when customers will be permitted to remain on the premises. 5. The proposed hours when any music, including incidental music, will be played. 6. The hours when customers will be allowed to take food or drink outside the premises or be within open areas which form part of the premises. 7. The existing hours of licensable activities and the past operation of the premises (if any) and hours of licensable premises in the vicinity. 8. Whether customers and staff have adequate access to public transport when arriving at and leaving the premises, especially at night. 9. The capacity of the premises. 10. The type of use, recognising that some venues are more likely to impact the licensing objectives than others; for example, pubs and bars are higher risk than theatres, cinemas and other cultural and sporting venues due to the nature of the operation. 11. The Licensing Authority will take into account the active measures proposed for a 'winding down' period including

	<p>arrangements for people to be collected from the premises to travel home safely.</p> <p>12. Conditions on hours may be attached that require that the supply of alcohol for consumption on the premises ceases a suitable period of time before customers are required to leave the premises.</p> <p>13. The council, acting as the Licensing Authority, may reduce hours if, after review, it is necessary to impose conditions specifying shorter hours in order to promote the licensing objectives.</p> <p>14. Specific days for non-standard hours should be identified and justified as part of the application to allow responsible authorities and interested parties to evaluate the impact that these licensable activities may have, and to plan accordingly. The consideration of applications for later hours for Bank Holiday Mondays will take into account that later hours are generally granted for preceding Sundays and that the next day is a working day. Non-specific days are expected to be covered by Temporary Event Notices or variation applications.</p> <p>C. For the purpose of Clauses A and B above, the Core Hours for applications for each premises use type as defined within this policy are:</p> <ol style="list-style-type: none"> 1. Casinos: Up to 24 hours a day whilst casino gaming is permitted by a premises licence under the Gambling Act 2005. 2.
