Please state the ground(s) for review (please read guidance note 2)

The premises is causing unnecessary noise nuisance between the hours of 5am to 7am as a consequence of the nature of their deliveries that for years has consistently woken up local residents living in close proximity.

Attempts have been made to resolve this matter with the licences owners to no avail and over the years numerous complaints have also been made to Westminster Council's noise team.

Despite this the noise nuisance still persists and it is requested that a condition is added to the licence requiring the licensee not to deliver before 7am Monday to Friday and not on weekends unless the barrels they are using are noise cancelling (rubberised) barrels. I do not believe this is an unreasonable request as Im not stopping them deliver before 7am if they comply with a noise cancelling solution applied directly to the barrel.

Please provide as much information as possible to support the application (please read guidance note 3)

My bedroom is on the same road junctions as the pub i.e. the corner of Marylebone Road and Baker Street. The pub does at least 2 deliveries per week to replace empty barrels with full barrels, which they tell me they have to do before 7am as the road is a double red route and any later will prevent them from delivering goods.

The issue started many years ago when the pub moved to using metal aluminium barrels. These barrels ping like a bell when either two barrels have contact, or when the barrel connects with a hard surface.

In my opinion, the premises takes in circa 50-100 barrels per delivery and by default removes circa 50-100 barrels per delivery and I have many photographs to demonstrate. As you can appreciate there is a lot of opportunity for noisy contact and in my experience, when I get woken up by the noise I can't immediately fall asleep, because of the frequent level of pings over a 45 minute period, whilst the delivery is in progress. In the latest delivery I've seen the barrels piled up on top of each other with the top barrel placed on its side. I saw that top barrel roll and ping when it had contact with a hard surface, which in this case was the railings to the underpass.

I've pleaded with the pub owners to rubberise the barrels so they become noise cancelling, even going as far as to find a company that could produce rubberised sleeves, however the pub group has rejected this as a solution, without even accepting my research, claiming it's not operationally viable. When pushed they refuse to answer why it's not operationally viable.

They claim they have instructed their drivers to be more careful, but this is not a long term solution and having had time to observe, even with this increased scrutiny, it's not working. There is still noise and under human rights law I have the right to a full night's sleep which the pub is denying me on a regular basis.

During my last communications with Ricardo in the WCC noise team, it was suggested that that the pub's licence is reviewed as it's not reasonable to make any undue noise before 7am and that a licence review can place restrictions on deliveries before 7am. As such I would be keen to open up such a review.

Correspondence of complaints listed with the Licensees owners (including contemporaneous emails before 7am) together with photos and complaint references to WCC noise team can be provided.

I note I've had Westminster's Citizen Advice Bureau trying to resolve this in 2015, with complaints being made to my local councillors and Westminster Licencing. I recorded a number of pre 7am deliveries before 7am in email complaints.

More recently I reached out to Greene King on 3 March 2022 for a solution and received a response from the solutions team on 31 March 2022 stating that because the pub is on a red route the delivery must be done between 5 and 7am.

Since 1 April 2002 I've recorded some of the deliveries that woke me up in emails and photographs, however these are not all the incidents as I've also tried to sleep through them:

1 April 6.06am,
13 May 6.16am,
20 May 6.24am,
22 May 6.27am,
27 May 6.54am,
24 June 5.40am
8 July 6.48am.

Complaint history - The Globe, 43-47 Marylebone Road

Date	Complaint	Response / officer action
27.05.2022 @ 06:45	Continuation on Noise complaint CAS-397316-N7R2G1.	Complaint passed to Ricardo Email below received in from GM of Globe
26.07.2022 @ 06:00	Location: In the front "garden" at the front of the pub, on their property	Complainant informed investigation officer that "I am not against the delivery itself but about the noise from the kegs during the delivery".
25.05.2022	Email from investigation officer to GLOBE	As per our phone conversation earlier it was deduced that it is likely the high pitch noise is created by empty barrel/keg when it is collected from the pub, can you please also include that on your assessment and measures to reduce delivery noise.
23.05.2022	Meeting between investigating officer and management of GLOBE	Email received on 25/05/2022 Dear Ricardo, Following receipt of your email dated 23 May 2022. You maybe aware our deliveries & logistics department have liaised with James for several weeks now to attempt to resolve the issues raised. We had a TEAM call this morning, clarifying our next steps. Ideally we'd (Logistics, Licencing, my Area Manager and Risk) would like to arrange a meeting with you to discuss our findings and plans - could we arrange a date post 8 June? Hugely appreciated. Kind Regards Michael Heneghan General Manager Globe Baker Street, 43 Marylebone Rd, London NW1 5JY

25/05/2022	Email from Vice chairman of Globe	<p>Making a commitment to do whatever is possible to reduce delivery noise – see below</p> <p>Hi Ricardo</p> <p>Many thanks for your time today.</p> <p>As agreed, I will ask Richard Harrison to provide you with a report of the actions, they have taken to date to reduce the noise of the delivery process at the Globe on Marylebone Rd, which will also include the risk assessment.</p> <p>I know we are all committed to do what ever we can to reduce any delivery noise and to also make the delivery as safe as possible for the passing public and the delivery teams, and of course avoid creating a different issue relating to Health & Safety by making a delivery when the footfall in this area is high i.e., after 07:00.</p> <p>We look forward to working together to find a workable solution</p> <p>Kind Regards, John</p> <p>John Crosk Vice Chairman</p>
27.06.2021	Visited venue following a complaint that was received from TFL	<p>A complaint from TFL was brought to my attention by Elizabeth of which TLF alleged that patrons of The Globe were constantly blocking the entrance to the underpass.</p> <p>I visited The Glob and spoke to the Manager, Luiz Tiseira who is also the DPS of the venue and he informed me that he was aware of the allegation but assured me that vertical drinking has not been allowed at the premise due to Covid reg. He informed me that he is happy for me to go through their CCTV record. He also indicated that they are licensed to use tables and chairs on the PH and to prevent encroaching close to the entrance of the underpass, he decided to use lesser tables and chairs than they are licensed for.</p> <p>The alleged blocking of the underpass entrance was not substantiated, for this reason no action was taken. I updated Elizabeth of my findings.</p>

<p>21.07.2020 @ 05:57</p>	<p>Location: Rear of the Globe pub Notes: Noise is coming from the globe's fans and ducts located at rear of the premises. The noise is relentless throughout the night and measures between 45-65db every night.</p>	<p>21 July 2020 11:00 PKG TC who identified Mitsubishi plant as being the offending unit that comes on at 3min intervals. Was happy to disclose her name. Met Louis the manager at 1100 07734 443075. He showed me the unit that was in operation. Serves the walking in freezer. Was noisy whilst standing next to the unit but not sufficiently loud to say it could be a nuisance and a visit during unsocial hours is now necessary. Went up into Louis's flat and got an overview of the area and various items of plant. Pubs kitchen extract was on and loud. This was switched off and the condenser could be faintly heard. TC outside her flats and left vm. 12:15hrs TC and left vm to make new complaint as I would be closing this one and said it was important that someone visit her during unsocial hours to assess nuisance.</p>
<p>04.02.2020 @ 15:23</p>	<p>smell coming from the extractor fan</p>	<p>Visited there is a extractor which emit air directly outside the entrance front door of 136 Baker Street.</p> <p>Customer is a solicitor - JSP Law and her office is on the 2nd floor.</p> <p>Customer suspect planning permission was not sought. The air and odour being discharged by the fan is causing a public nuisance because her clients have complained about it, No smell witnessed at time of visit. However, spoke to the duty manager of The Globe - Evelina Giannerini 020 79356368 and said she will speak to Luiz the general manager.</p> <p>Visited and confirmed air being vented from pub cellar across front door to 136 Baker Street. No smell nuisance perceived emanating from air. Advised Jassett of JPS Solicitors (020 7935 8883) that air being blown into the open space across her front door is not a nuisance that the Council can action. Further advised her to log a complaint at any time she is experiencing odour nuisance inside her offices and ask for an officer to come out to investigate. 08.03.2019 @ 23:40	Proactive visit	10/03/19 at 00:44 by tbutter Door Supervisor seen not to be wearing his SIA Badge - Requested name - details refused. Spoke with the Duty Manager - details provided. This and other matter require a meeting with the licence holder.
15.12.2018 @ 22:30	Proactive visit	Follow up visit made to premises after recent Full LA03 Letter. Visit carried out with CI Richard Moody Issues; Old T& C Licence Displayed Premises licence still not prominently displayed. Duty Manager Stefano Bazzolasco present Numerous fire doors down stairs in the building found wedged open.
09.11.2018@ 00:11	Full Licence inspection	The Globe Pub The premises was visited to carry out night Tables and Chairs inspection. On arrival City Inspectors observed that tables and chairs were still in use and a large number of patrons were outside drinking. City Inspectors then had discussions with the duty Manager who advised us that the Manager was away and that she was covering for. Whilst engaged with the duty Manager, it became apparent that she wasn't aware of the licensed hours for the use of tables and chairs on the public highway. For this reason, City Inspectors were concerned that the premises was not being effectively managed. Therefore, City Inspectors decided to carry out full licensing inspections. The full Premises Licence was conducted in the presence of the two duty managers and a number of issues were flagged up as a result of the inspection. The issues that came to City Inspectors attention were: Patrons were still being served alcohol and allowed to consume this outside the premises. City Inspectors observed over 30 patrons drinking outside past 00:30 hours, contrary to condition 35 and 36 as contained on their premises licence. Patrons were being served alcohol at 00:30 hours and it was apparent that alcohol would have continued to be served past 00:30 hours. Serving of alcohol only stopped after City Inspectors reminded the Duty Managers of the licence hours.

		<p>Staff could not produce an incident log as required under condition 34. It became clear to City Inspectors that the premises did not keep incident log.</p> <p>Tables and chairs were being used long past the licensed hours (00:11hrs)</p> <p>Section 57 notice indicating who has custody of the full premises licence and the duty Managers could not produce the premises licence on request.</p> <p>The duty Managers seems to have no idea of the conditions on your licence, hence no steps were taken to promote the licensing objectives.</p> <p>Whilst we were carrying out the licence inspection with the duty Managers, a customer approached the duty managers and informed them that a male had gone into the female toilet with a female and that they have been in there for 20mins. The male who looked visibly upset, asked the managers to help get them out.</p> <p>The duty Managers managed to get the Female and Male patrons in the female toilet out but failed to send them out of the premises. The female then started a fight a few minutes later with another patron. The fight now involving 4 men spilled out onto the busy carriageway (Marylebone Road) and City Inspectors called for Police support at 01:02 hours.</p> <p>The Duty Manager was advised that the tables and chairs outside should have been removed or made unusable by 23:00hrs and patrons should not be allowed to take drinks outside after 23:00 hours.</p>
<p>27.05.2017 @ 17:16</p>	<p>Foot patrol of the Marylebone/football footprint, re FA Cup Final;</p>	<p>all Chelsea fans; 4 SIA staff, one way system, checking ID. Blue screens roadside, no issues, returned short while later, situation as before; spoke to the SIA on entry, counted 806 customers with approximately 400 remaining.</p> <p>Returned later, most fans away, several uniformed Police nearby, potentially some trouble before my arrival, significant number of cans from local supermarkets nearby but not on the forecourt. Matter complete.</p>

22.04.2017 @ 15:45	Self gen visit; football at Wembley.	No issues at time of visit; supporters held behind barriers, one way system in place; footway full; SIA staff evident; uniformed Police at discreet distance. No need for intervention. Matter complete.
23.04.2017	Visited as Wembley football patrol;	On patrol in the area; football on at Wembley; so checked the frontage of The Globe. About 40 Arsenal fans left outside 4 SIA staff in high viz, two screens helping form secure one way system. No issues no need for intervention.

I am writing with reference to the up and coming review of the above premises which is presently causing a public nuisance in relation to the times of their deliveries in the morning. On behalf of the Marylebone Ward Councillors, we support this Review and request for the hours be amended for deliveries as a condition the licence. These should not take place before 7am on Monday to Friday and a solution should be agreed for any deliveries at the weekend.

Following the addition of MC64 to the licence this representation was withdrawn on 17 August 2022.

To Westminster Council,

This is to inform you regarding the review of premises known as The Globe which is adjacent to Portman Mansions Block 2 on 43 Marylebone Rd, London NW1 5JY, United Kingdom. Over the last several recent years, I and various other residents of Portman Mansions have had to make complaints in regard to the Globe and its patrons.

The chief concerns I am raising today are as follows:

- 1) Hooliganism and antisocial behaviour
- 2) Safety of residents of Block 2 and neighbouring areas
- 3) Noise Complaints
- 4) Littering, vandalism and hygiene.

On several occasions (Please refer to police reports filed against this property), there have been behaviour which stems of hooliganism. Loud chants are sung, and men behave in antisocial ways as well as the specific type of football fans this pub attracts have been known (documented by police) for throwing vegetables and so on to fans of other teams PLUS the general public. This creates 1) more mess for the council 2) more safety issues 3) more chances and incidents of. antisocial and criminal behaviour.

On each and every game, the fans empty their trash ON TO Portman Mansions property. I see and am witness to this occurring. I am even happy to document it 10 times over to show you this proof. Often the patrons drink excessively and fight. I myself have seen bloody noses and very unsafe situations. I am sorry but just because a pub exists does not mean residents' lives are completely affected. I share a wall with the pub, and I am sorry to say this pub has been given too many leniencies by the council.

I call for rules to change regarding football fans. They should NOT be allowed at the pub post 4pm. Or they should be banned from being OUTSIDE. They can be inside the pub as much as they like but loitering outside and being a nuisance not to mention public urination, trashing outside portman mansions and publicly defecating and throwing up is just NOT what we pay council tax for! I have also myself seen a male remove his pants outside my window and urinate facing my window. This could have been easily viewed by a child in this neighbourhood or building and this is truly unacceptable, and everyone knows it!

This public indecency from the pub's patrons MUST stop. I call for the patrons to be banned from outdoor permissions. Thank you for considering my position.
