Hours premises are open to the public

The premises are located within the West End Cumulative Impact Zone and as such various policy points must be considered, namely CIP1, HRS1 & SHP1.

Policy SHP1 states:

B. Applications for a shop inside the West End Cumulative Impact Zone will be considered on their own merits and subject to:

1. The application meeting the requirements of policies CD1, PS1, PN1 and CH1.
2. The hours for licensable activities are within the council's Core Hours Policy HRS1.
3. The operation of any delivery services for alcohol meeting the council's Ancillary Alcohol and/or Latenight Refreshment Delivery Service Policy DEL1.
4. The applicant having demonstrated that they will not add to cumulative impact within the Cumulative Impact Zone.
5. The application and operation of the venue meeting the definition of a shop in Clause C.

C. For the purposes of this policy:

1. A shop is defined as a stall, vehicle, vessel, temporary structure, building or part of a stall, vehicle, vessel, temporary structure or building where the primary activity is the sale of goods or services to customers upon payment.
2. The licensable activities for the sale of alcohol for consumption on the premises, regulated entertainment and/or late night refreshment must be ancillary to the primary use of the premises as a shop.
3. The licensable activity of the sale of alcohol for consumption off the premises must be an ancillary function to the primary use of the premises unless that primary use is to sell alcohol for consumption off the premises, e.g. a traditional off licence.

The Licensing Authority note that the application falls within Westminster's core hours for shops:

The core hours for shops are:

Monday to Thursday: 9am to 11.30pm.

Friday and Saturday: 9am to Midnight.

Sunday: 9am to 10.30pm.

The Licensing Authority would like the applicant to provide further submissions as to how the premises is to be operated and controlled, specifically how the alcohol will be served i.e. by waiter/waitress service or will the premises operate by way of a bar.

The Licensing Authority would encourage the applicant to consider an amended version of Westminster's model condition 39 as below:

MC39: The supply of alcohol shall be by waiter or waitress service to persons seated only.

The Licensing Authority note that the Environmental Health Service have proposed a number of conditions including the following ancillary condition below:

'The licensable activities authorised by this licence and provided at the premises shall be ancillary to the primary function of the premises as beauty and hair salon.'

Please can the applicant confirm their stance on these conditions to allow the Licensing Authority to assess any further relevant policy considerations.

The Licensing Authority require the applicant to provide submissions as to how the operation of the premises will not add to cumulative impact in the West End cumulative impact zone, in accordance with policy CIP1.

The Licensing Authority looks forward to receiving further submissions from the applicant in due course.

Please accept this as a formal representation.

Following the agreement of two further conditions, the Licensing Authority withdrew their representation on 09 September 2022. The agreed conditions appear at appendix 4.

Received:	12 August 2022 (withdrawn 02 September 2022)

We write to make a relevant representation to the above application on behalf of The Soho Society.

The Soho Society objects to this application as currently presented on the grounds of the prevention of crime and disorder, prevention of public nuisance, and cumulative impact in the West End Cumulative Impact Area.

About The Soho Society

The Soho Society is a charitable company limited by guarantee established in 1972. The Society is a recognised amenity group and was formed to make Soho a better place to live, work or visit by preserving and enhancing the area's existing diversity of character and uses, and by improving its facilities, amenities and environment.

Application summary

New Premises Licence

Hair salon and beauty services.

Supply of alcohol: Monday - Sunday: 09:00 - 21:00

Opening hours: Monday - Sunday 09:00 - 21:00

The Soho Society's Concerns

We are writing in support of the representation made by Ms. Monkouse who is concerned with the addition of another licensed premises in this area, and the potential noise nuisance these premises will generate in addition to the noise nuisance she currently experiences from the existing licensed premises which surround her home. This is an application for a new alcohol licence in the West End Cumulative Impact Zone, we are concerned that it will fail to promote the licensing objectives of the prevention of crime and disorder and public nuisance

We will however withdraw our objection if the applicant agrees to the following conditions,

1. *'Alcohol may only be sold to and consumed on the premises by patrons using the facilities in relation to and ancillary to hairdressing and other cosmetic services purchased at the salon.'*
2. *'Licence intended for use by Live True and to be surrendered when they leave the premises.'*

The Licensing Objectives

The Statement of Licensing Policy 2021 or Section 182 Guidance does not provide for any cir-

cumstance, including exceptional or otherwise, which would permit an application to be granted if the licensing objectives were harmed. We now consider the impact of this application on these objectives.

Prevention of Crime and Disorder - CD1

Under this Policy the criteria applied is, *'whether the premises make or will make a significant contribution to levels of crime and disorder, and whether the operating schedule is based on an adequate risk assessment, undertaken by the applicant, which takes account of all the relevant considerations below to reduce the likelihood of crime and disorder occurring as a result of the grant of the application.'*

The recently published Cumulative Impact Assessment 2020 presents overwhelming evidence of the year on year increase in cumulative impact in the West End Zone 1, **it highlights the rate of crime as 10 - 13 times higher between 6pm - 6am compared to the borough average.** It goes on to detail the number and types of crimes in the West End,

• **Public realm crimes:** (serious violence, robberies, theft and drug offences), alcohol-related callouts incidents, anti-social behaviour and demands on services were prevalent in Westminster between 2017 and 2019, among the highest in London and the country. All incidents observed concentrated in the West End many occurring in the evening and at night as well as weekends.

Total incident type 2017-2019:

- Drug Offences Night: **1529** (proportion of Borough's incidents **40%**)
- Robberies Night: **2237 (33%)**
- Theft and Handling Night: **24,407 (33%)**
- Serious violent crimes Night: **795 (31%)**
- Ambulance call outs to locations of licensed premises: **5353 (22%)**
- Noise Complaints Night: **1389 (16%)**
- Anti-Social behaviour MPS: **9662 (16%)**
- Anti-Social behaviour on transport Night: **592 (13%)**
- Reactive Waste Management: **6630 (10%)**

Total = 52,594

• **Data description of incidents in 2017-2019** found all incident categories observed varied both in space and time. Many occurred in the evening and at night and on weekends when alcohol related activities typically peak. Incidents were primarily concentrated in the West End where licensed premises are disproportionately concentrated.

• **Robberies:** clustered within the West End, Charing Cross, Oxford Street in the evening and night.

• **Serious violent crimes:** recorded between **6pm and 6am** concentrated overwhelmingly in the West End.

• **Drug related crimes:** Westminster recorded the highest volume of drug offences of any borough between 2017-2019. Half of crimes were reported (48%) in the evening and night time. Drug related crimes between **6pm - 6am** were significantly clustered in and around the West End to varying degrees.

• **Theft and Handling:** the most common crime type in the borough and in the evening and night this is particularly concentrated in the West End and along Oxford Street.

These premises are situated in the heart of the food and beverage / entertainment area, the area is a known hotspot for crime and disorder, the current statistics for the *top crime streets in Soho shows a total of 1,827 crimes; Wardour Street being the third highest.

Violence against the person common assault: 70 up 18% (59 pre-COVID)

Drugs possession: 115 up 79% (64 pre-COVID)

Sexual offences: 34 up 70% (20 pre-COVID)

* Data provided by the Metropolitan Police; Soho Neighbourhood Ward Panel, March 2022

For residents living in Soho the findings of the Cumulative Impact Assessment and the recent crime figures are unsurprising. Soho transforms in the evening and night time into an area which feels very unsafe and where levels of crime and disorder are high. As evidenced above, criminal activity associated with the large number of venues and the numbers of people on the streets results in high levels of serious crime.

This area has a high level of reported crime, the probability of people leaving these premises and becoming victims of crime are high.

Prevention of Public Nuisance Policy PN1

Under this Policy the criteria applied states, '*the potential for nuisance associated with the style, character-istics and activities of the business to be carried on at the premises and the potential steps which could be taken to reduce the risk of a nuisance occurring. This will particularly apply in areas of residential accom-modation and where there is residential accommodation in the proximity of the premises.*'

Residents living in this area already suffer from high levels of noise and disturbance during the evening, this presents in the form of noise nuisance from the large number of people drinking on the streets and those queuing to enter premises. If this application is successful it has the potential to increase the levels of noise nuisance and disturbance to residents.

In summary

The application proposes a new alcohol licence within the West End Cumulative Impact Zone, we are concerned that if granted this application will fail to promote the licensing objectives and increase cumulative impact.

Following the agreement of two further conditions, the interested party withdrew their representation on 02 September 2022. The agreed conditions appear at appendix 4.

D'Arblay St suffers from a proliferation of street drinking, linked partly to new alcohol licenses created in the past few years and partly due to lack of control of existing licensed premises. The noise and ASB have had a considerable detrimental effect on residents and non F&B businesses on the street. If this new licence were to be granted, could it please have conditions - firstly so that it is tied to the present operator, and secondly so that it is explicitly for customers inside the premises and not outside on the bench or the street. Could this be worded: 'Licence intended for use by Live True and to be surrendered when they leave the premises.

3.	Policy & Guidance
-----------	------------------------------

The following policies within the City Of Westminster Statement of Licensing Policy apply:

Policy HSR1 applies	<p>A. Applications within the core hours set out below in this policy will generally be granted for the relevant premises uses, subject to not being contrary to other policies in the Statement of Licensing Policy.</p> <p>B. Applications for hours outside the core hours set out in Clause C will be considered on their merits, subject to other relevant policies, and with particular regard to the following:</p> <ol style="list-style-type: none"> 1. The demonstration of compliance in the requirements of policies CD1, PS1, PN1 and CH1 associated with the likelihood of the effect of the grant of a licence for later or earlier hours on crime and disorder, public safety, public nuisance and the protection of children from harm. 2. If the application is located within a Special Consideration Zone they have demonstrated that they have taken account of the issues identified in that area and provided adequate mitigation. 3. Whether there is residential accommodation in the proximity of the premises that would likely be adversely affected by premises being open or carrying out operations at the hours proposed. 4. The proposed hours of the licensable activities and when customers will be permitted to remain on the premises. 5. The proposed hours when any music, including incidental music, will be played. 6. The hours when customers will be allowed to take food or drink outside the premises or be within open areas which form part of the premises. 7. The existing hours of licensable activities and the past operation of the premises (if any) and hours of licensable premises in the vicinity. 8. Whether customers and staff have adequate access to public transport when arriving at and leaving the premises, especially at
----------------------------	--

	<p>night.</p> <p>9. The capacity of the premises.</p> <p>10. The type of use, recognising that some venues are more likely to impact the licensing objectives than others; for example, pubs and bars are higher risk than theatres, cinemas and other cultural and sporting venues due to the nature of the operation.</p> <p>11. The Licensing Authority will take into account the active measures proposed for a 'winding down' period including arrangements for people to be collected from the premises to travel home safely.</p> <p>12. Conditions on hours may be attached that require that the supply of alcohol for consumption on the premises ceases a suitable period of time before customers are required to leave the premises.</p> <p>13. The council, acting as the Licensing Authority, may reduce hours if, after review, it is necessary to impose conditions specifying shorter hours in order to promote the licensing objectives.</p> <p>14. Specific days for non-standard hours should be identified and justified as part of the application to allow responsible authorities and interested parties to evaluate the impact that these licensable activities may have, and to plan accordingly. The consideration of applications for later hours for Bank Holiday Mondays will take into account that later hours are generally granted for preceding Sundays and that the next day is a working day. Non-specific days are expected to be covered by Temporary Event Notices or variation applications.</p> <p>C. For the purpose of Clauses A and B above, the Core Hours for applications for each premises use type as defined within this policy are:</p> <p>10a. Shops (all licensable activities that are provided as ancillary to the primary use of the premises as a shop except the off sale of alcohol) Monday to Thursday: 9am to 11.30pm. Friday and Saturday: 9am to Midnight. Sunday: 9am to 10.30pm. Sundays immediately prior to a bank holiday: 9am to Midnight. 10b. Shops (off-sales of alcohol where it forms either the ancillary or primary use of the premises) Monday to Saturday: 8am to 11pm. Sunday: 9am to 10.30pm.</p> <p>D. Core hours are when customers are permitted to be on the premises and therefore the maximum opening hours permitted will be to the same start and terminal hours for each of the days where licensable activity is permitted.</p> <p>E. For the purposes of this policy, 'premises uses' are defined within the relevant premises use policies within this statement.</p>
<p>Policy SHP1(B) applies</p>	<p>B. Applications for a shop inside the West End Cumulative Impact Zone will be considered on their own merits and subject to:</p> <ol style="list-style-type: none"> 1. The application meeting the requirements of policies CD1, PS1, PN1 and CH1. 2. The hours for licensable activities are within the council's Core Hours Policy HRS1. 3. The operation of any delivery services for alcohol meeting the council's Ancillary Alcohol and/or Latenight Refreshment Delivery Service Policy DEL1. 4. The applicant having demonstrated that they will not add to cumulative impact within the Cumulative Impact Zone. 5. The application and operation of the venue meeting the definition of a shop in Clause C. <p>C. For the purposes of this policy:</p>

	<p>1. A shop is defined as a stall, vehicle, vessel, temporary structure, building or part of a stall, vehicle, vessel, temporary structure or building where the primary activity is the sale of goods or services to customers upon payment.</p> <p>2. The licensable activities for the sale of alcohol for consumption on the premises, regulated entertainment and/or late night refreshment must be ancillary to the primary use of the premises as a shop.</p> <p>3. The licensable activity of the sale of alcohol for consumption off the premises must be an ancillary function to the primary use of the premises unless that primary use is to sell alcohol for consumption off the premises, e.g. a traditional off licence</p>

Live True London. 173 Wardour Street, Soho, London. W1F 8WT

THE LICENSING GUYS
KEEPING YOU LEGAL AND TRADING

General Description of Live True London

The Live True London Soho hair salon is at 173 Wardour Street a short walk from Oxford Street. They offer a full and high-end range of hair and beauty services. They are one important part of an independent, award-winning salon group. They have featured in household name publications such as Vanity Fair, Elle, OK and Hello magazines and were Finalists for the British Hairdressing Business Awards 2022.

This application seeks to enhance the existing business offer by providing alcoholic beverages to the discerning customers who use the salon. The current primary use of these premises will not change if this application is granted. This service will be discrete, and the applicant will not advertise outside of the premises that alcohol is available. Customers who come into the salon, once seated, will be offered a menu from which they can choose their drink, should they want one. This service is additional to the light refreshments already on offer in this established venue.

The drinks menu will consist of champagnes and fine wines, being offered primarily by the glass and occasionally by the bottle, together with cocktails by the glass, all of which will ideally complement this high-end salon service experience. A small selection of craft beers and lagers by the bottle will be stocked for male clientele.

Authority for On Sales only is sought between the hours of 09.00 and 21.00 daily which broadly reflects the opening hours of the salon and is well within the Core Hours Policy of the Licensing Authority [HRS1 in SoLP p63 para 10(a)].

The current primary use of the publicly accessible areas of these premises will not change either, as the alcohol will be stored in a locked cabinet in the staff room/kitchen area out of public view, and will be served from there to the seated customer following any order.

This application, if granted, will not add to Cumulative Impact, as neither opened nor unopened bottles will ever leave the premises, and therefore alcoholic products from these premises will not enter the public space. These premises will not attract alcohol dependent people, as they do not seek the salon's services per se, and will not stock the products that attract them. Additionally street-drinkers will not be welcome at these premises as they do not fit with the current business model or target clientele avatar. There is no provision for outside consumption either. The sale and service of alcohol will be undertaken and actively policed by receptionist staff and the salon manager, who will be trained to serve alcohol to clients, so maintaining full control the operation.

The other important policies contained within the Westminster City Council Statement of Licensing Policy [i.e. CD1, PS1, PN1 and CH1] are all addressed in the attendant raft of proposed Licensing Conditions, and consequently this application will not undermine any of the Licensing Objectives. We stress that no facility for off sales, home delivery service, late night refreshment or regulated entertainment are applied for, and therefore the proposed sale of alcohol facility is de minimis.

The Premises Licence Holder will be HEROCOMPANY LIMITED Company Number 12838253 – incorporated on 26th August 2020 - Registered Office, 2e Accountants, Unit 11, Flamingo Court, 81 Crampton Street, London, United Kingdom, SE17 3BF. The Designated Premises Supervisor will be Valeriy MAINE, herself a member of the senior management team and a Director of the company.

There is no licence or appeal history for the premises.
