2.	Representations
2-A	Responsible Authorities
Responsible Authority:	Metropolitan Police Service
Representative:	PC Reaz Guerra
Received:	11 October 2022
<p>With reference to the above application, I am writing to inform you that the Metropolitan Police, as a Responsible Authority, will be objecting to this application as it is our belief that if granted the application would undermine the Licensing Objectives.</p> <p>There is insufficient detail within the operating schedule to promote the Licensing Objectives. The Hours sought exceed Westminster's Core Hours Policy.</p> <p>An officer from this unit will be in contact with you shortly to discuss the application. However it is for the applicant to prove that this application will not add to the cumulative impact problems already experienced in this area.</p> <p>It is for these reasons that we are objecting to the application.</p> <p>Should you wish to discuss the matter further please contact PC Reaz Guerra.</p>	
Responsible Authority:	Environmental Health Service
Representative:	Mr Dave Nevitt
Received:	13 October 2022
<p>On Behalf Of: Environmental Health Administration</p> <p>I wish to make Representations on the following grounds:</p> <p>Representation is made in relation to the application, as the proposals are likely to increase the risk of Public Nuisance and may impact upon Public Safety.</p>	

2-B	Other Persons		
Name:	[REDACTED]		
Address and/or Residents Association:	[REDACTED] [REDACTED] [REDACTED] [REDACTED] [REDACTED]		
Status:	Valid	In support or opposed:	Opposed
Received:	12 October 2022		

I am writing on behalf of [REDACTED] to object to the above application on the following grounds:

1. A number of our properties bound onto the Embankment and as such the proposed licensing hours, extending through to 1.00am including Sundays, has the potential to cause significant disturbance to our residential occupants. This will particularly be the case where passengers disembark from the vessel in the early hours of the morning to make their way along the Embankment to Blackfriars Station.
2. Likewise, the proposal to commence opening hours at 7.00am each day especially at weekends has the potential to cause disturbance to our residential and professional tenants, with the latter often working over weekend periods.
3. The potential to sell alcohol from 9.00am every day of the week also causes us concern. This is liable to add to the potential for rowdy behaviour particularly where functions extend throughout the day to the early hours of the morning.
4. Whilst open drinks may not be removed from the vessel (as stated in the application), there is a potential for sealed bottled drinks to be taken off the vessel and our concern is that these will be consumed as soon as passengers leave the vessel, leading to heightened unsociable behaviour in our immediate vicinity.
5. There are no public toilets in the vicinity of the vessel or indeed the other vessels moored between Temple Pier and Blackfriars. With the proposed consumption of alcohol up to 1.00am every morning and potentially continuing off the vessel after, the potential for misuse of our river frontage and immediate grounds as a public convenience increase. We are already suffering this problem due to the number of entertainment vessels and bars located along our stretch of the river.

We would ask that the Licensing Authority restricts the licensing hours, especially on Sundays and looks to impose a ban on removal of any alcoholic drinks (whether open or sealed) by passengers leaving the vessel at any time of the day.

3.	Policy & Guidance
The following policies within the City of Westminster Statement of Licensing Policy apply:	
Music and Dance Premises Policy MD1 applies:	<p>A. Applications outside the West End Cumulative Zone will generally be granted subject to:</p> <ol style="list-style-type: none"> 1. The application meeting the requirements of policies CD1, PS1, PN1 and CH1. 2. The hours for licensable activities being within the council's Core Hours Policy HRS1. 3. The operation of any delivery services for alcohol and/or latenight refreshment meeting the council's Ancillary Delivery of Alcohol and/or Late-Night Refreshment Policy DEL1. 4. The applicant has taken account of the Special Consideration Zone Policy SCZ1 if the premises are located within a designated zone. 5. The application and operation of the venue meet the definition of a music and dance premises or similar entertainment in Clause D. <p>D. For the purposes of this policy a music and dance premises is defined as a premises whereby the primary purpose of the venue is to:</p> <ol style="list-style-type: none"> 1. Provide regulated entertainment in the form of music, either in the form of live performances or recorded, to customers. 2. Provide regulated entertainment in the form of music, either as live performances or recorded, and provide facilities for the provision of dance. 3. The sale by retail of alcohol may be provided as either a considerable element of the operation of the premises or ancillary to the provision of regulated entertainment. <ol style="list-style-type: none"> a. Examples of venues that would fall within this policy are night clubs or bars that provide music and dancing. b. De-regulated entertainment (as set out in the glossary will not be subject to this policy).
Hours Policy HRS1 applies	<p>A. Applications within the core hours set out below in this policy will generally be granted for the relevant premises uses, subject to not being contrary to other policies in the Statement of Licensing Policy.</p> <p>B. Applications for hours outside the core hours set out in Clause C will be considered on their merits, subject to other relevant policies, and with particular regard to the following:</p> <ol style="list-style-type: none"> 1. The demonstration of compliance in the requirements of policies CD1, PS1, PN1 and CH1 associated with the likelihood of the effect of the grant of a licence for later or earlier hours on crime and disorder, public safety, public nuisance and the protection of children from harm. 2. If the application is located within a Special Consideration Zone they have demonstrated that they have taken account of the issues identified in that area and provided adequate mitigation. 3. Whether there is residential accommodation in the proximity of the premises that would likely be adversely affected by premises being open or carrying out operations at the hours proposed. 4. The proposed hours of the licensable activities and when customers will be permitted to remain on the premises. 5. The proposed hours when any music, including incidental music, will be played.

6. The hours when customers will be allowed to take food or drink outside the premises or be within open areas which form part of the premises.
7. The existing hours of licensable activities and the past operation of the premises (if any) and hours of licensable premises in the vicinity.
8. Whether customers and staff have adequate access to public transport when arriving at and leaving the premises, especially at night.
9. The capacity of the premises.
10. The type of use, recognising that some venues are more likely to impact the licensing objectives than others; for example, pubs and bars are higher risk than theatres, cinemas and other cultural and sporting venues due to the nature of the operation.
11. The Licensing Authority will take into account the active measures proposed for a 'winding down' period including arrangements for people to be collected from the premises to travel home safely.
12. Conditions on hours may be attached that require that the supply of alcohol for consumption on the premises ceases a suitable period of time before customers are required to leave the premises.
13. The council, acting as the Licensing Authority, may reduce hours if, after review, it is necessary to impose conditions specifying shorter hours in order to promote the licensing objectives.
14. Specific days for non-standard hours should be identified and justified as part of the application to allow responsible authorities and interested parties to evaluate the impact that these licensable activities may have, and to plan accordingly. The consideration of applications for later hours for Bank Holiday Mondays will take into account that later hours are generally granted for preceding Sundays and that the next day is a working day. Non-specific days are expected to be covered by Temporary Event Notices or variation applications.

C. For the purpose of Clauses A and B above, the Core Hours for applications for each premises use type as defined within this policy are:

6. Pubs and bars, Fast Food and Music and Dance venues

Monday to Thursday: 10am to 11.30pm.

Friday and Saturday: 10am to Midnight.

Sunday: Midday to 10.30pm.

Sundays immediately prior to a bank holiday: Midday to Midnight.

D. Core hours are when customers are permitted to be on the premises and therefore the maximum opening hours permitted will be to the same start and terminal hours for each of the days where licensable activity is permitted.

E. For the purposes of this policy, 'premises uses' are defined within the relevant premises use policies within this statement.

Note: The core hours are for all licensable activities but if an application includes late night refreshment, then the starting time for that licensable activity will be 11pm.

4. Equality Implications

The Council in its capacity as Licensing Authority has a duty to have regard to its public sector equality duty under section 149 of the Equality Act 2010. In summary, section 149 provides that a Public Authority must, in the exercise of its functions, have due regard to the need to:

- (b) advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it; and
