Duplicate CRIS search complete no duplicate reports

This report has been created in line with CRIB policy. The Primary Investigation has been completed from either an online report, a live call or a call back to a victim. It is CRIB policy that informants for certain types of volume crime are not routinely called back.

I spoke to the victim who has stated he was in the venue and between the times shown he was sitting with a female by the bar and had his bag on the floor with his laptop in. Between the times shown suspects have taken the laptop without consent.

When he spoke with staff he stated they were really sarcastic and acting strange. They would not assist in relation to CCTV and viw believes they are part of it and involved with taking his property.

VIW tried to speak with the bar man re CCTV and he was told to get the fuck out of here or he was going to batter him.

The male started pushing viw out of the venue even once they got viw out onto the street. VIW stated they have CCTV and admitted they have it but would not assist viw.

Can not call the venue as they are closed until 6pm this evening.

viw was sitting right by the bar and the venue wasn't busy. He is white in appearance wearing a green/black t shirt navy trousers

Not believed to be vulnerable
