## 2. Representations

2-A Responsible Authorities	
<b>Responsible Authority:</b>	Licensing Authority
<b>Representative:</b>	Karyn Abbott
<b>Received:</b>	13 December 2022

I write in relation to the application submitted for a new premises licence for Ground Floor, 74 Shaftesbury Avenue, London, W1D 6NB.

As a responsible authority under section 13 (4) of the Licensing Act 2003 as amended under the Police and Social Responsibility Act 2011, the Licensing Authority have considered your application in full. The Licensing Authority has concerns in relation to this application and how the premises would promote the four Licensing Objectives:

- Public Nuisance
- Prevention of Crime & Disorder
- Public Safety
- Protection of children from harm

The application seeks the following:

**Late Night Refreshment**  
Monday to Sunday 23:00 to 02:00

**Opening Hours to Public**  
Monday to Sunday 11:00 to 02:00

The premises is located within the West End Cumulative Impact Area and as such various policy points must be considered, namely CIP1, HSR1 and FFP1.

At present, the operating hours applied for Late Night refreshment currently fall outside of Westminster's core hours under Policy HRS1. The Licensing Authority encourage that the applicant reduces the hours to be within Westminster's Core hours.

**6. Pubs and bars, Fast Food and Music and Dance venues**  
Monday to Thursday: 10am to 11.30pm.  
Friday and Saturday: 10am to Midnight.  
Sunday: Midday to 10.30pm.  
Sundays immediately prior to a bank holiday: Midday to Midnight.

The Licensing Authority note that the applicant has proposed that the operation of the premises will be a shop that sells low sugar ice-cream treats to eat in or take out. Due to the nature of the premises this application falls within Westminster's FFP1 (b, c, d) Policy that states.

B. It is the Licensing Authority's policy to refuse applications within the West End Cumulative Impact Zone other than:

1. Applications to vary the existing licence hours within the council's Core Hours Policy HRS1, and/or,
2. Applications that seek to vary the existing licence so as to reduce the overall capacity of the premises.

C. The applications referred to in Clause B1 and B2 will generally be granted subject to:

1. The application meeting the requirements of policies CD1, PS1, PN1 and CH1.
2. The operation of any delivery services for alcohol and/or laternight

refreshment meeting the council's Ancillary Delivery of Alcohol and/or Late-Night Refreshment Policy DEL1.

3. The application and operation of the venue continuing to meet the definition of a Fast Food Premises in Clause D.

D. For the purposes of this policy a Fast Food Premises is defined as:

1. A premises that provides late night refreshment, either by way of fast food over a counter, via a self-seating basis or take away for immediate consumption.

2. Food and drink are:

a. Available on the premises for self-selection.

b. Prepared on the premises.

c. Cooked or produced off the premises but brought to that premises in advance of its sale to customers.

3. The food and drink are provided in pre-sealed or open disposable packaging which is intended for immediate consumption.

4. A fast-food premises can provide a delivery service as part of its operation, however that service must be ancillary to the main function of the premises as defined within sub-clauses D,1 to D,3 above.

The Licensing Authority would like further submissions from the applicant to the questions below;

1. Besides Ice-Cream what else would the premises be selling?
2. Where will customers be able to consume their purchases inside the premises as it's not clear on the plan in regards to table and chairs?
3. Will there be delivery's involved?

The Licensing Authority has concerns regarding this application and encourages the applicant to provide further submissions on how the premises will be operated and controlled to have no adverse impact on the cumulative impact area.

Paragraph F56 states; Fast food premises which are open after 11pm can attract large groups of customers, many of whom have been consuming alcohol in pubs, bars, or night clubs sometimes some distance away. The congregation of people around these premises leads to additional noise and disturbance and further congestion in the area. Although premises which serve cold food and drink are not subject to licensing and may stay open all night, they are not so attractive to people who have been drinking as those providing hot food and drink. The council considers that the addition of hot fast food and hot drink adds to the attractiveness of premises to people who have been drinking and who are more likely to be involved in anti-social behaviour.

Paragraph F59 goes on to say. Applications within the West End Cumulative Impact Zone, where there is a presumption to refuse under this policy will be expected to demonstrate why their application should be permitted as an exception to this policy.

The Licensing Authority encourages the applicant to provide further submissions as to how the premises will not add to cumulative impact in the West End cumulative impact area, in accordance with policy CIP1.

Therefore, it is a decision for the Licensing Sub-Committee to determine whether the applicant has demonstrated any exceptional circumstances that would allow to depart from policy.

Please accept this as a formal representation.

<b>Responsible Authority:</b>	Environmental Health Service
<b>Representative:</b>	Sally Fabbricatore
<b>Received:</b>	23 December 2022

I refer to the new application for a Premises Licence for the above premises.

**The premises is situated in the West End Cumulative Impact Zone.**

This representation is based on the Operating Schedule, and a layout plan submitted for the ground floor and basement titled with the address and dated 17/11/22.

The applicant is seeking to allow the provision of Late Night Refreshment 'indoors' from 23:00 – 02:00 hours Monday to Sunday.

I wish to make the following representation in relation to the above application, the provision and the hours proposed for Late Night Refreshment may cause an increase in Public Nuisance in the cumulative impact zone and may impact on Public Safety.

Further information has been provided, which is being considered, but further conditions may be proposed by Environmental Health in order to protect the Licensing Objectives. Clarification is also required regarding customer WC facilities, as it does not appear facilities are provided.

**The granting of the Premises Licence as presented would have the likely effect of causing an increase in Public Nuisance in the cumulative impact zone and may impact on Public Safety.**

Should you wish to discuss the matter further please do not hesitate to contact me.

**Further submissions received from the Environmental Health Service on 27 January 2023.**

Thank you for meeting me on site yesterday Abudulla.

I believe there are just two representation, mine and the Licensing Authority.

### 3. Policy & Guidance

The following policies within the City Of Westminster Statement of Licensing Policy apply:

#### **Policy HRS1 applies**

- A. Applications within the core hours set out below in this policy will generally be granted for the relevant premises uses, subject to not being contrary to other policies in the Statement of Licensing Policy.
- B. Applications for hours outside the core hours set out in Clause C will be considered on their merits, subject to other relevant policies, and with particular regard to the following:
1. The demonstration of compliance in the requirements of policies CD1, PS1, PN1 and CH1 associated with the likelihood of the effect of the grant of a licence for later or earlier hours on crime and disorder, public safety, public nuisance and the protection of children from harm.
  2. If the application is located within a Special Consideration Zone they have demonstrated that they have taken account of the issues identified in that area and provided adequate mitigation.
  3. Whether there is residential accommodation in the proximity of the premises that would likely be adversely affected by premises being open or carrying out operations at the hours proposed.
  4. The proposed hours of the licensable activities and when customers will be permitted to remain on the premises.
  5. The proposed hours when any music, including incidental music, will be played.
  6. The hours when customers will be allowed to take food or drink outside the premises or be within open areas which form part of the premises.
  7. The existing hours of licensable activities and the past operation of the premises (if any) and hours of licensable premises in the vicinity.
  8. Whether customers and staff have adequate access to public transport when arriving at and leaving the premises, especially at night.
  9. The capacity of the premises.
  10. The type of use, recognising that some venues are more likely to impact the licensing objectives than others; for example, pubs and bars are higher risk than theatres, cinemas and other cultural and sporting venues due to the nature of the operation.
  11. The Licensing Authority will take into account the active measures proposed for a 'winding down' period including arrangements for people to be collected from the premises to travel home safely.
  12. Conditions on hours may be attached that require that the supply of alcohol for consumption on the premises ceases a suitable period of time before customers are required to leave the premises.
  13. The council, acting as the Licensing Authority, may reduce hours if, after review, it is necessary to impose conditions specifying shorter hours in order to promote the licensing objectives.
  14. Specific days for non-standard hours should be identified and justified as part of the application to allow responsible authorities and interested parties to evaluate the impact that these licensable activities may have, and to plan accordingly. The consideration of applications for later hours for Bank Holiday Mondays will take into account that later hours are generally granted for preceding Sundays and that the next day is a working day.
