<p>Current Licensing Position</p>	<p>The premises are currently licensed, a copy is attached at Within Section 1</p> <p>Full licence history is provided at Appendix C.</p>
<p>Current Planning</p>	<p>Planning permission was granted on 15 December 1986 for use of the basement at 15-23 Ganton Street (plus ground floor entrance) as a nightclub.</p>

<p>Position</p>	<p>Condition 1 made the permission personal to 'Gulliver's Discotheque'</p> <p>Condition 2 of this permission required the submission and approval of details of a noise insulation scheme prior to the commencement of the development. No record of the condition relating to the sound proofing of the premises having been discharged.</p> <p>Condition 4 prevented the nightclub use after 02.00 on Mondays to Saturdays and after 01.00 on Sundays and not at all on Bank Holidays.</p> <p>Permission was granted on 20 July 1989 to vary Condition 4 of the original permission to permit the use of the premises as a nightclub until 03.30am, with doors closing at 03.45 for a temporary period of 12 months until 20 July 1990</p> <p>Permission was granted on 11 November 1993 to remove the personal condition. This permission was subject to an informative reminding the applicants of the need to comply with all other conditions attached to the original planning permission. This permission referred to the address as 15-21 Ganton Street.</p> <p>Further permission was granted on 16 May 1995 to remove Condition 4 of the original planning permission. This permission had the effect of removing all planning controls governing the nightclub operation.</p> <p>In addition, planning permission was granted on 30 January 1996 for alterations and the use of 15-17 Kingly Court as an extension to the nightclub at 15-21 Ganton Street.</p> <p>Conditions attached to this permission required the premises to be soundproofed prior to the commencement of the use (Condition 1 – discharged 9.04.2001), the submission of details of refuse storage provision (Condition 2 – discharged 21.12.2000), the submission of samples of materials (Condition 4 – discharged 9.11.2000). Condition 6 stated that 15-17 Kingly Court should not be used otherwise in connection with existing nightclub at 15-21 Ganton Street.</p> <p>It is noted that the site address given by the applicants when submitting applications for the approval of reserved matters was 15-16 Kingly Court.</p> <p>Following planning responses of November 2005, April 2007 and May 2009, it was stated that there appears to be apparent discrepancies between the plans submitted with those licensing applications and those approved as part of the 1996 planning permission drawing. The notable differences were that the nightclub area shown on the drawings extended further beyond the stairway than in the planning permission, as did the toilets.</p> <p>Given these differences, it cannot be confirmed that the licensing proposals were fully in accordance with the planning permission. This issue appears not to have been resolved.</p>
<p>Residential Density:</p>	<p>16 of the 199 units within a 75m radius of the premises are residential and proposed, (8%), refer to Appendix E.</p>

Cirque le Soir, Basement, 15-21 Ganton Street, London, W1F 9BN

I refer to the application to vary a premises licence. This representation is based on the plans and supportive operating schedule.

The premises is in the West End Stress Area as defined by the City Council's Licensing Policy.

The applicant is seeking the following:

- 1) Increase the terminal hour for existing licensable activities including LNR, supply of alcohol, dance, live music, film and anything similar on Thursday from 0100 hours to 0300 hours
- 2) To remove all licensable activities on Tuesdays and Sundays in full
- 3) To reduce capacities on Mondays, Wednesdays, Thursdays, Fridays and Saturdays from 499 to 450 persons
- 4) To reduce the capacity on Mondays after 0230 hours to 400 persons

I wish to make the following representations:

1. The increase in hours in the existing licensable activities will have the likely effect of causing an increase in Public Nuisance within the area and may impact on Public Safety.
2. No objection to the removal of all licensable activities on Tuesdays and Sundays in full
3. No objection to the reduction in capacities on Monday, Wednesday, Thursdays, Friday and Saturdays from 499 to 450 persons
4. No objection to the reduction in the capacity on Mondays after 0230hours to 400 persons
5. The proposed variation of condition 63 will have the likely effect of an increase in public nuisance in the area

6. The proposed variation of condition 68 will have the likely effect of an increase in public nuisance in the area
7. The proposed variation of condition 70 will have the likely effect of an increase in public nuisance and may impact on public safety.

The granting of a Variation to the Premises Licence as presented would have the likely effect of causing an increase in Public Nuisance and may impact on public safety in the stress area.

Application for a Premises Licence Variation: Cirque Le Soir.

Dear Ms Tricker

With reference to the above application, I am writing to inform you that the Metropolitan Police, as a responsible authority, will be objecting to this application. It is our belief that if granted the application would undermine the Licensing Objectives.

The venue is situated within the West End Stress Area, a locality where there is traditionally high crime and disorder. There are concerns that this application will cause further policing problems in an already demanding area.

It is for this reason that we are objecting to the application.

Should you wish to discuss the matter further please contact me on **0207 641 3179** or via email srussell@westminster.gov.uk

Yours sincerely

Sandy Russell.

11 September 2014

Dear Sir/Madam

Ref: 14/07013/LIPV Cirque Le Soir, 15-21 Ganton Street, Soho W1

I write to make a relevant representation to the above application on behalf of the Soho Society.

The Soho Society is a charitable company limited by guarantee established in 1972. The Society is a recognised amenity society and was formed to make Soho a better place to live, work or visit by preserving and enhancing the area's existing diversity of character and uses, and by improving its facilities, amenities and environment. In particular, the Society supports the City Council's policies, including the cumulative impact policy, as set out in the Statement of Licensing Policy.

The Society objects to this application as it is currently presented, on the grounds of prevention of public nuisance, prevention of crime and disorder and cumulative impact in the West End Stress Area.

This appears to be a shadow licence application for the premises which seeks, among other things, to extend the terminal opening hour from 1 to 3am on Thursdays. The location of these premises on Ganton Street – crossing Kingly, Carnaby and Newburgh Streets – is located in an area of Soho that has many private residences above the street-level commercial premises. Local residents, as well as the wider neighbourhood, will be negatively affected if this application is seen as an exception to policy and granted. For them, Thursday night/Friday morning will be noisy until 3am as patrons leave and congregate on the street.

This area has been identified by the City Council (2.4.1 of the Statement of Licensing Policy, as amended) as under stress because the cumulative effect of the concentration of late night and drink led premises and night cafes has led to serious problems of disorder and/or public nuisance affecting residents, visitors and other businesses.

The policies in relation to the Stress Areas are directed at the global and cumulative effects of licences on the area as a whole (2.4.5 of the Policy). The policies are intended to be strict and will only be overridden in genuinely exceptional circumstances (2.4.2 of the Policy). The growth in the entertainment industry in Soho has led to a marked deterioration in the quality of life and well-being of local residents and it has

jeopardised the sustainability of the community.

For the reasons I have set out, we believe that the application, if granted in its present form, would fail to promote the licensing objectives of prevention of public nuisance and prevention of crime and disorder. I respectfully urge the Sub-Committee to reject this application.

Please let me know if any proposals are made to amend the application; particularly in respect of the hours sought or any further conditions proposed.

Yours faithfully,

David Gleeson

Dear Sirs

Cirque de Soir, 15 Ganton Street, W1

We are the freeholders of the above premises and holders of premises licence number 14/02275/LIPN.

We obtained this licence a couple of months ago and in the intervening period, we have agreed with the tenant of the premises that, subject to your approval, we will co-operate and support an extension of hours on Thursdays with the licence being amended and reduced in terms on the mornings following Sunday and Monday.

We have also agreed to and made an application to vary the licence so that the conditions on both licences are consistent with each other and also consistent with the City Council's policy and model conditions.

We support the tenant's application and provided their application is granted, our application is for our licence to be amended upon the same terms.

Yours faithfully

- 2) To remove all licensable activities on Tuesdays and Sundays in full
- 3) To reduce capacities on Mondays, Wednesdays, Thursdays, Fridays and Saturdays from 499 to 450 persons

I wish to make the following representations:

1. The increase in hours in the existing licensable activities will have the likely effect of causing an increase in Public Nuisance within the area and may impact on Public Safety.
2. No objection to the removal of all licensable activities on Tuesdays and Sundays in full
3. No objection to the reduction in capacities on Monday, Wednesday, Thursdays, Friday and Saturdays from 499 to 450 persons
4. No objection to the reduction in the capacity on Mondays after 0230 hours to 400 persons
5. The proposed variation of condition 67 will have the likely effect of an increase in public nuisance in the area

Application for a Premises Licence Variation: Cirque Le Soir.

Dear Mr Thomas

With reference to the above application, I am writing to inform you that the Metropolitan Police, as a responsible authority, will be objecting to this application. It is our belief that if granted the application would undermine the Licensing Objectives.

The venue is situated within the West End Stress Area, a locality where there is traditionally high crime and disorder. There are concerns that this application will cause further policing problems in an already demanding area.

It is for this reason that we are objecting to the application.

Should you wish to discuss the matter further please contact me on **0207 641 3179** or via email srussell@westminster.gov.uk

Yours sincerely

Sandy Russell.

11 September 2014

Dear Sir/Madam

Ref: 14/07002/LIPV Cirque Le Soir, 15-21 Ganton Street, Soho W1

I write to make a relevant representation to the above application on behalf of the Soho Society.

The Soho Society is a charitable company limited by guarantee established in 1972. The Society is a recognised amenity society and was formed to make Soho a better place to live, work or visit by preserving and enhancing the area's existing diversity of character and uses, and by improving its facilities, amenities and environment. In particular, the Society supports the City Council's policies, including the cumulative impact policy, as set out in the Statement of Licensing Policy.

The Society objects to this application as it is currently presented, on the grounds of prevention of public nuisance, prevention of crime and disorder and cumulative impact in the West End Stress Area.

It appears the applicant wishes, amongst other things, to extend the terminal opening hour from 1 to 3am on Thursdays. The location of these premises on Ganton Street – crossing Kingly, Carnaby and Newburgh Streets – is located in an area of Soho that has many private residences above the street-level commercial premises. Local residents, as well as the wider neighbourhood, will be negatively affected if this application is seen as an exception to policy and granted. For them, Thursday night/Friday morning will be noisy until 3am as patrons leave and congregate on the street.

This area has been identified by the City Council (2.4.1 of the Statement of Licensing Policy, as amended) as under stress because the cumulative effect of the concentration of late night and drink led premises and night cafes has led to serious problems of disorder and/or public nuisance affecting residents, visitors and other businesses.

The policies in relation to the Stress Areas are directed at the global and cumulative effects of licences on the area as a whole (2.4.5 of the Policy). The policies are intended to be strict and will only be overridden in

genuinely exceptional circumstances (2.4.2 of the Policy). The growth in the entertainment industry in Soho has led to a marked deterioration in the quality of life and well-being of local residents and it has jeopardised the sustainability of the community.

For the reasons I have set out, we believe that the application, if granted in its present form, would fail to promote the licensing objectives of prevention of public nuisance and prevention of crime and disorder. I respectfully urge the Sub-Committee to reject this application.

Please let me know if any proposals are made to amend the application; particularly in respect of the hours sought or any further conditions proposed.

Yours faithfully,

David Gleeson

Comment Reasons:

Comment:6:40 PM on 09 Sep 2014 I act for the tenant of the above property and make this representation on their behalf. My client has made an identical application to that of the landlord (the applicant in this case)

My client previously applied for the same variation on hours as is expressed in this application and the LSC, when determining that application, expressed their concern that the landlord had not made an identical application on their shadow licence. Following further conversations with the landlord that has been done now by virtue of this application.

My client supports the landlords application on the basis that it promotes all the licensing objectives.

1.	Regulated Entertainment: (Indoors)
	<p>Live Music Performances of Dance Anything of a similar description to live music, recorded music or performances of dance</p> <p>To extend the terminal hours on Thursday from 01:00 to 03:00</p> <p>As part of the above proposal;</p> <ul style="list-style-type: none"> • to remove the above activities on Tuesdays and Sundays in full • to reduce capacity on Mondays and Wednesdays to Saturdays from 499 to 450 and a further reduction on Mondays after 02:30 hours to 400.
	Amendments to application advised at hearing:

	None.
	<p>Decision (including reasons if different from those set out in report):</p> <p>As stated by Ms Tricker, the Applicant's Representative at the hearing, this is an application to extend the terminal hours for licensable activities in the basement venue on Thursdays from 01:00 to 03:00 and remove licensable activities on Tuesdays and Sundays. It was proposed that the capacity on Mondays and Wednesdays to Saturdays would be reduced from 499 to 450 with a further reduction on Mondays after 02:30 hours to 400 people. These proposals were the basis for the Applicant's case that the application should be seen as an exception to policy in the West End Stress Area due to an overall reduction in hours and capacity at the premises. Ms Tricker also added there was circus style entertainment and performers and Cirque Le Soir was not a traditional nightclub. There was table service and one bar available to the public. There were no off-sales or takeaway. The proposed conditions were agreed with the Responsible Authorities subject to the Sub-Committee being minded to grant the application. There was no history of complaints relating to the premises or residential objections in respect of the application. There had been fifteen TENs applied for on Thursdays without any issues arising. People were currently leaving the venue which was a safe environment at 1am on Thursdays when TENs were not being operated and seeking other entertainment elsewhere in the West End Stress Area.</p> <p>PC Sollars for the Metropolitan Police and Ms O'Grady for Environmental Health confirmed that there were no issues with crime and disorder and no public nuisance complaints in relation to the premises during the previous two years. They had maintained their representations on policy grounds in the West End Stress Area. PC Sollars commented that there was value for the Police in a reduction of hours and particularly in the removal of licensable activities on Sundays. However, he was aware of the landlord for 15-21 Ganton Street's previous application heard by Members of the Licensing Sub-Committee on 15 May 2014 which had sought to mirror the tenant's existing premises licence and had been granted. PC Sollars referred to the fact that if the tenant's application was granted there could potentially be an increase in hours at the premises if the landlord's licence was used on Tuesdays or Sundays which the tenant/Applicant was now applying to remove from their licence.</p> <p>The Sub-Committee refused the application as Members did not consider that the application was an exception to policy in the West End Stress Area. The Sub-Committee noted Ms Tricker's comment that there was no intention to operate both the tenant's and the landlord's premises licences on different nights of the week. However, the reality was that there were two live licences at the same time with both a primary and 'shadow' or secondary licence in existence at 15-21 Ganton Street. Members considered that they could not permit the granting of an extension of hours on Thursdays for the primary licence when the lack of trading on Tuesdays or Sundays could be replaced by the use of the secondary licence.</p> <p>The Sub-Committee recommended to Ms Tricker that her client meet with the Responsible Authorities and submit a minor variation application for the variation of conditions. It was noted that conditions had been agreed with the Responsible Authorities and in response to Ms Tricker's question the Chairman on behalf of the Sub-Committee stated that Members were content to indicate to the Licensing Service that this aspect should be dealt with as a minor variation.</p>

	<p>Amendments to application advised at hearing:</p> <p>None.</p>

	Decision (including reasons if different from those set out in report): The application was refused (see reasons for decision in Section 1).
3.	Sale of Alcohol: (On the Premises)
	To extend the terminal hour on Thursday from 01:00 to 03:00 As part of the above proposal; <ul style="list-style-type: none"> • to remove late night refreshment on Tuesdays and Sundays in full • to reduce capacity on Mondays and Wednesdays to Saturdays from 499 to 450 and a further reduction on Mondays after 02:30 hours to 400.
	Amendments to application advised at hearing: None.
	Decision (including reasons if different from those set out in report): The application was refused (see reasons for decision in Section 1).
	Opening Hours
4.	As part of the proposals 1 – 3 above, to remove opening hours on Tuesdays and Sundays in full.
	Amendments to application advised at hearing: None.
	Decision (including reasons if different from those set out in report): The application was refused (see reasons for decision in Section 1).
	Variation of Conditions
5.	The applicant has supplied a list of conditions in Appendix A2 of the report to be removed, updated and added as detailed in Appendices A2ii and D .
	Amendments to application advised at hearing: None.
	Decision (including reasons if different from those set out in report): The application was refused (see reasons for decision in Section 1).
