2.	Representations
2-A	Responsible Authorities
Responsible Authority:	Metropolitan Police Service
Representative:	Tom Stewart
Received:	29 March 2023
<p>The Metropolitan Police Service (“the Police”) object to the granting of this new premises licence application on the ground of “The Prevention of Crime and Disorder” licensing objective.</p> <p>The application’s operating schedule is lacking in conditions to demonstrate how the premises intends to promote the 4 licensing objectives. The application does not address the concerns and issues raised in the Statement of Licensing Policy in regard to the West End Buffer Special Consideration Zone, which is where the proposed premises is located.</p> <p>The application is also unclear in respect of the scope of the alcohol sales. For example, you have indicated on the application that you only intend to sell alcohol for consumption ‘on’ the premises, but within the plans attached to the application you have not demarcated where the licensable activity will take place with a red line. The ‘location plan’ indicates a external seating area but this is not included within the licensing plan. Any sales of alcohol to persons seated within this seating area would constitute an “off sale” of alcohol. You have not applied for off sales.</p> <p>Please can you provide further information to address the above concerns.</p> <p>The Police have proposed conditions which to date have not been agreed by the applicant. The proposed conditions are set out at appendix 4</p>	
Responsible Authority:	Environmental Health
Representative:	Ayesha Bolton
Received:	04 April 2023
<p>I refer to the application for a new Premises Licence for the above premises.</p> <p>The applicant has submitted floor plans of the premises.</p> <p>This representation is based on the plans and operating schedule submitted.</p>	

The applicant is seeking the following:

1. To provide for the Supply of Alcohol 'Off' the premises only from Monday to Saturday 10.00 to 21.00 hours and Sunday 12.00 to 21.00 hours.

I wish to make the following representation:

1. The provision and the hours requested for the Supply of Alcohol will have the likely effect of causing an increase in Public Nuisance within the area and may impact on Public Safety.

The granting of the application as presented would have the likely effect of causing an increase in Public Nuisance and may impact on Public Safety.

Environmental Health have proposed conditions which to date have not been agreed by the applicant. The proposed conditions are set out at appendix 4

3.	Policy & Guidance
The following policies within the City Of Westminster Statement of Licensing Policy apply:	
Policy SCZ1 applies	<p>A. In addition to meeting the other policies within this statement, applications within a designated Special Consideration Zone should demonstrate that they have taken account of the issues particular to the Zone, in question as identified within the 2020 Cumulative Impact Assessment, and should set out any proposed mitigation measures in relation to those issues within their operating schedule.</p> <p>B. For the purpose of Clause A, the designated Special Consideration Zones for this application is:</p> <ul style="list-style-type: none"> • West End Buffer.
Policy HRS1 applies	<p>A. Applications within the core hours set out below in this policy will generally be granted for the relevant premises uses, subject to not being contrary to other policies in the Statement of Licensing Policy.</p> <p>B. Applications for hours outside the core hours set out in Clause C will be considered on their merits, subject to other relevant policies, and with particular regard to the following:</p> <ol style="list-style-type: none"> 1. The demonstration of compliance in the requirements of policies CD1, PS1, PN1 and CH1 associated with the likelihood of the effect of the grant of a licence for later or earlier hours on crime and disorder, public safety, public nuisance and the protection of children from harm. 2. If the application is located within a Special Consideration Zone they have demonstrated that they have taken account of the issues identified in that area and provided adequate mitigation. 3. Whether there is residential accommodation in the proximity of the premises that would likely be adversely affected by premises being open or carrying out operations at the hours proposed. 4. The proposed hours of the licensable activities and when customers will be permitted to remain on the premises. 5. The proposed hours when any music, including incidental music, will be played. 6. The hours when customers will be allowed to take food or drink outside the premises or be within open areas which form part of the premises. 7. The existing hours of licensable activities and the past operation

	<p>of the premises (if any) and hours of licensable premises in the vicinity.</p> <p>8. Whether customers and staff have adequate access to public transport when arriving at and leaving the premises, especially at night.</p> <p>9. The capacity of the premises.</p> <p>10. The type of use, recognising that some venues are more likely to impact the licensing objectives than others; for example, pubs and bars are higher risk than theatres, cinemas and other cultural and sporting venues due to the nature of the operation.</p> <p>11. The Licensing Authority will take into account the active measures proposed for a 'winding down' period including arrangements for people to be collected from the premises to travel home safely.</p> <p>12. Conditions on hours may be attached that require that the supply of alcohol for consumption on the premises ceases a suitable period of time before customers are required to leave the premises.</p> <p>13. The council, acting as the Licensing Authority, may reduce hours if, after review, it is necessary to impose conditions specifying shorter hours in order to promote the licensing objectives.</p> <p>14. Specific days for non-standard hours should be identified and justified as part of the application to allow responsible authorities and interested parties to evaluate the impact that these licensable activities may have, and to plan accordingly. The consideration of applications for later hours for Bank Holiday Mondays will take into account that later hours are generally granted for preceding Sundays and that the next day is a working day. Non-specific days are expected to be covered by Temporary Event Notices or variation applications.</p> <p>C. For the purpose of Clauses A and B above, the Core Hours for applications for each premises use type as defined within this policy are:</p> <p>10a. Shops (all licensable activities that are provided as ancillary to the primary use of the premises as a shop except the off sale of alcohol)</p> <p>Monday to Thursday: 9am to 11.30pm. Friday and Saturday: 9am to Midnight. Sunday: 9am to 10.30pm. Sundays immediately prior to a bank holiday: 9am to Midnight.</p> <p>10b. Shops (off-sales of alcohol where it forms either the ancillary or primary use of the premises) Monday to Saturday: 8am to 11pm. Sunday: 9am to 10.30pm.</p> <p>D. Core hours are when customers are permitted to be on the premises and therefore the maximum opening hours permitted will be to the same start and terminal hours for each of the days where licensable activity is permitted</p>
<p>Policy PB1(A) applies</p>	<p>A. Applications outside the West End Cumulative Zone will generally be granted subject to:</p> <ol style="list-style-type: none"> 1. The application meeting the requirements of policies CD1, PS1, PN1 and CH1. 2. The hours for licensable activities being within the council's Core Hours Policy HRS1. 3. The operation of any delivery services for alcohol and/or latenight refreshment meeting the council's Ancillary Delivery of Alcohol and/or Late-Night Refreshment Policy DEL1. 4. The applicant has taken account of the Special Consideration Zones policy SCZ1 if the premises are located within a designated

	<p>zone.</p> <p>5. The application and operation of the venue meet the definition of a Public House or Bar in Clause D.</p> <p>D. For the purposes of this policy a Public House or Bar is defined as a premises, or part of a premises that's primary use is the sale or supply of alcohol for consumption on those premises and/or for consumption off the premises for consumption outside the venue.</p>
